REAL PROPERTY DEPARTMENT.

Upon May 27 the Mayor approved a contract as requested in the following letter:

BOSTON, May 25, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

At a meeting of the Real Property Board duly held on Wednesday, May 25, 1955, it was unanimously

Voted, To accept the bid of Boston Auto Parks, Inc., a Massachusetts corporation, it being the highest bidder, in the amount of $3,255 per month, for the leasing of the off-street parking facility on Pearl, Franklin, and Hartford streets, Boston, for a term of six months, beginning June 1, 1955, and ending November 30, 1955, in accordance with the terms of the proposal and subject to the approval of the Mayor.

It was also unanimously

Voted, That the chairman is authorized to take the necessary legal steps for the preparation and execution of the lease to Boston Auto Parks, Inc., for a term of six months, beginning June 1, 1955, and ending November 30, 1955, at a monthly rental of $3,255, in accordance with the terms of the proposal and subject to the approval of the Mayor.

Following is a tabulation of the bids:

Boston Auto Parks, Inc., 25 Huntington avenue, $3,255 per month.

Court Street Parking Company, 22 Court street, $3,250 per month.

Kendall Square Garage Company, Inc., 10 Beach street, $3,155 per month.

Your approval of the action of the Board is respectfully requested.

Respectfully yours,

HERMAN CARP,
Commissioner of Real Property.

SCHOOL COMMITTEE.

The School Commitee has approved proposals for rebinding of books for Boston public schools. Bids, opened Tuesday, May 17, were received from the following concerns:

DesMoines Bookbindery Company, Heckman Bindery, Inc., College Bindery.

Award was made to the lowest responsible bidder, as follows:

DesMoines Bookbindery Company, $2,625.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, contractors, etc., for furnishing labor, supplies, etc. Communications from heads of the departments interested were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, June 1, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Assessing Department for one (1) Remington-Rand electronic sorting machine for punch cards. This machine is now on rental and the rental charge will be entirely canceled when the machine is purchased.

Inasmuch as Remington Rand, Inc., is the sole manufacturer of this machine, it is my opinion that no advantage could be gained by publicly advertising for prices. Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Remington Rand, Inc., for one (1) Remington-Rand electronic sorting machine for punch cards.

Approximate total amount of contract will be $5,700, net. This amount includes $100 for freight prepaid.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

FIRE DEPARTMENT.

BOSTON, June 3, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

Your Honor's permission is requested to execute a contract, without publicly advertising for bids, with Roy B. Rendle & Co., Inc., 364 Border street, East Boston, for installing and fastening twenty-seven (27) new oak piles at the berths of fireboats, Engines 31 and 47, at the foot of Battery street, Boston, for a sum not to exceed $3,250.

The fireboat berths were damaged during the hurricane of August 31, 1954, to such an extent that it is now necessary to install new piles, and the work should be done as soon as possible in order to prevent damage to the fireboats when they are in dock.

Permission to do the work has been granted by the Hurricane Relief Board of the Commonwealth of Massachusetts.

Bids were requested on this work from three companies in Boston who have the facilities for making such repairs. Two bids were received as follows:

Roy B. Rendle & Co., Inc., $3,250, W. H. Ellis & Son Company, $3,771.77.

This work should be done as quickly as possible and, in my opinion, no advantage would be gained by the city publicly advertising the repair work inasmuch as the price quoted by the Roy B. Rendle & Co., Inc., is very reasonable. It is also my opinion that no lower price could be obtained by the Fire Department for doing said work.

Respectfully yours,

FRANCIS X. COTTER,
Fire Commissioner.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

J. A. Singarella Company has been directed to perform the following extra work under the contract for redecking and repairing the Summer Street Bridge, over A street, B street, and C street, dated April 27, 1955:

Remove and dispose of MTA surface car rails on the bridge over A and B streets, as directed. (Rails on the bridge over C street are not to be removed.)

Estimated cost of extra work, $550.

—

Faletra Brothers, Inc., have been directed to perform the following extra work under the contract for Brookway Footpath, cement concrete stairs and bituminous concrete walks; Bradeen Street Footway, Brookway terrace, bituminous concrete sidewalks, dated December 8, 1954:

In Brookway Footpath, provide insurance for New York, New Haven & Hartford Railroad for bodily-injury coverage with limits of $150,000 each person, $300,000 each accident and property damage with limits of $100,000 each accident, $100,000 aggregate. This insurance is required by the New York, New Haven & Hartford Railroad for work done under track area.

Estimated cost of extra work, $667.80.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for an extension of time for the completion of the contract with J. E. Morin for hurricane emergency roofing work at the Mather School, from May 31, 1955, to June 30, 1955. This extension was requested because of a delay in work on account of iron work being done by another contractor not completed.

PARKS AND RECREATION DEPARTMENT.

Doerico Construction Company, Inc., has been granted an extension of time until July 1, 1955, for the completion of the contract for subsoiling and concrete liners at Mount Hope Cemetery, West Roxbury.

RECENT FEDERAL ACTIONS AFFECTING CITIES.

The Housing Act of 1949, approved on July 15, authorized a uniform 10 per cent payment to cities in lieu of taxes on housing projects, but the independent offices appropriation bill passed on August 15 contains a provision that for the fiscal year ending June 30, 1950, only payments provided for in the original contract between the housing authority and the city are authorized for federal reimbursement.

Federal aid for hospital construction has been approved for nearly 800 projects; more than 600 are general hospitals and the great majority are in towns of under 10,000 population.

COMPETITION IN MOTOR CARRIER TRANSPORTATION TO BOSTON.

On motion of Councillor Hurley the rules were suspended on the order of business to allow him to introduce the following resolution:

Whereas, The American system of free enterprise has devoted itself to maintaining competition in public transportation to the end that public transportation has taken great strides for the benefit of itself and for the American people; and

Whereas, Competition in the American way has been the basis of continual improvement in public means of transportation; and

Whereas, It is essential to the future of the City of Boston and its surrounding communities that transportation to and from Boston be continually improved and that competition in the furnishing of transportation to and from Boston be fostered and maintained as a basis for such improved services; be it therefore

Resolved, That the City of Boston does not favor the concentration and consolidation in any one company of motor carrier transportation between Boston, the Maritime Provinces, and the Gateway to Canada; and between Boston and the City of New York.

The resolution was adopted under suspension of the rules.

REPORT ON OFF-STREET PARKING FACILITIES IN JAMAICA PLAIN.

The following was received:

City of Boston,
Office of the Mayor, May 23, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of the Real Property Department relative to your order of April 18, 1955, concerning a progress report about the establishment of off-street parking facilities in Jamaica Plain.

Respectfully,
J. B. HYNES, Mayor.

Harold B. Flemming,
Chief Clerk, Mayor's Office.

Re: City Council Order of April 18, 1955, Requesting a Progress Report Concerning the Establishment of Off-Street Parking Facilities in Jamaica Plain.

Dear Mr. Flemming:

An area has been designated by the Real Property Board for off-street parking in Jamaica Plain center.

The City Planning Board, in its recommendation to the Real Property Board, suggested that the structure now being used by the Jamaica Plain Post, V.F.W., at 11 Thomas street, Jamaica Plain, be included in the taking. As soon as there is a "meeting of the minds" by both Boards as to the including of said structure in the proposed taking, the facility can be installed.

Re: Council Order of April 11, 1955, Concerning Reopening the Study on Parking Area at Fields Corner, Dorchester.

Dear Mr. Flemming:

Please be advised that further studies are now being made concerning creation of a parking area at Fields Corner, installation of said parking area having been tied up because of a clash of opinions of the merchants in the Fields Corner district as to the appropriate location for such an area.

Re: Council Order of February 28, 1955, Concerning the Posting of Lists of City-owned Foreclosed Real Estate on Certain Bulletin Boards Through the City.

Dear Mr. Flemming:

Please be advised that it has been the practice of the Real Property Board to publish annually such a list and to include therein the method whereby the general public may purchase said city-owned properties.

Copies of this publication may be obtained from the reference shelves of every branch of the Boston Public Library and they are also available to the general public at the office of the Real Property Board.

To date in 1955, due to a shortage of personnel, the new compilation has not as yet been prepared for the printers. As soon as there is a lull in the departmental work, we shall make an effort to compile the new book for publication, funds being available for that purpose.

RELEASE OF BOND OF SCULLY STEEL PRODUCTS COMPANY.

The following was received:

City of Boston,
Office of the Mayor, May 17, 1955.

To the City Council.
Gentlemen:

I submit herewith an order releasing the Fidelity and Casualty Company of New York from its liability on a $20,000 bond filed with the City of Boston in connection with a spur track crossing Lincoln street in Brighton.

In the accompanying communication from the Commissioner of Public Works, it is explained that the Fidelity and Casualty Company of New York desires to be released from its liability on the bond on the premise that a new bond was to be filed in accordance with the applicable city ordinance. The new $20,000 bond was in fact deposited with the city on April 1, 1955. I therefore recommend passage of the accompanying order releasing the Fidelity and Casualty Company of New York from liability on the original bond filed by Scully Steel Products Company.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Public Works Department,
May 17, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

On April 24, 1933, the Scully Steel Products Company, an Illinois corporation, filed a so-called street permit bond, having the Fidelity and Casualty Company of New York as surety and being in the amount of $20,000, with the permit office of this department to protect the city's interest in connection with a spur track crossing Lincoln street, Brighton. Later, the corporation changed its name and by subsequent endorsement executed on April 21, 1943, likewise changed its name on the bond to read: "United States Steel Supply Company."

The Fidelity and Casualty Company of New York on April 13, 1955, requested to be relieved of liability as surety on the bond because of the fact that a new $20,000 bond was to be furnished to the city with the Federal Insurance Company as surety. The new bond was filed by the United States Steel Supply Division, United States Steel Corporation, on April 1, 1955. The bond is satisfactory to this department, and, therefore, I submit, for submission to the City Council for the approval of that Body, an order providing for the release of the Fidelity and Casualty Company of New York from all liability on its part as surety on the original bond, effective upon passage of the accompanying order.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

—

Whereas, Scully Steel Products Company on April 23, 1933, filed a bond in the amount of $20,000 under chapter 27, section 16 of the Revised Ordinances of 1925, with the Fidelity and Casualty Company of New York as surety, in connection with a spur track crossing Lincoln street, Brighton; and

Whereas, on April 6, 1937, the condition of the aforesaid bond was amended by the addition of the words "or Carnegie Steel Company" after the words Scully Steel Products Company, the Carnegie Steel Company having previously transferred all its assets in the City of Boston to Scully Steel Products Company which firm was carrying on the business in Boston and had assumed all the obligations of said Carnegie Steel Company relating to said business; and

Whereas, By virtue of a December 31, 1952, merger, all the properties and assets of Scully Steel Products Company and Carnegie Steel Company, both then being known, by reason of several changes of name, as "United States Steel Company" became vested in United States Steel Corporation which parent corporation also assumed all of their liabilities; and

Whereas, United States Steel Supply Division, United States Steel Corporation did, in connection with said spur track, give to the City of Boston on April 1, 1955, a bond in the amount of $20,000 with the Federal Insurance Company as surety, which surety is satisfactory to the Commissioner of Public Works; now therefore be it

Ordered, That the Fidelity and Casualty Company of New York be, and it hereby is, released from its liability as surety on the original bond, effective upon the passage of this order.

APPROPRIATION FOR PURCHASE OF MOTORCYCLES FOR POLICE DEPARTMENT.

The following was received:

City of Boston,
Office of the Mayor, May 23, 1955.

To the City Council.
Gentlemen:

I am in receipt of the attached communication from the Police Commissioner in which he requests an appropriation of $13,953.50 to permit the purchase of ten (10) motorcycles to be used by the Police Department in connection with the supervision of parking meters.

Under the provisions of section 22A of chapter 40 of the General Laws, revenue received from parking meter fees may be used to meet necessary expenses incurred for the regulation of parking and other traffic activities incident thereto.

Since proper supervision of the use of parking meters will assure a full return to the city of established parking meter fees, I submit herewith an order providing for the appropriation of the amount requested by the Police Commissioner, and respectfully recommend its adoption by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Police Department, May 13, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mayor Hynes:

When the Police Department budget for 1955 was considered by the Mayor and the Director of Administrative Services, it was agreed that the amount required for motorcycles under Item 500, Automotive Equipment, would be eliminated from the budget with the proviso that the necessary amount would be appropriated from revenue received from parking meter fees for ten (10) motorcycles with side cars attached used for checking parking meter violations.

After public advertising the lowest bid received for supplying these motorcycles was $13,953.50, and it is respectfully requested that this amount be made available for their purchase.

Very truly yours,
T. F. SULLIVAN,
Police Commissioner.

—

Ordered, That the sum of thirteen thousand nine hundred fifty-three dollars and fifty cents ($13,953.50) be, and the same hereby is, appropriated from the revenue received from parking meter fees, to be expended by the Police Commissioner, for the purchase of motorcycles to be used in the supervision of the use of parking meters.

TRANSFER OF LAND AT PITTSBURGH STREET, SOUTH BOSTON.

The following was received:

City of Boston,
Office of the Mayor, May 23, 1955.

To the Honorable City Council.
Gentlemen:

I transmit herewith communication of Francis X. Cotter, Fire Commissioner, relative to the transfer of the Fire Department property at Pittsburgh street, South Boston, to the Commissioner of Real Property, together with a proposed form of order for adoption by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Fire Department, April 4, 1955.

Hon. John B. Hynes and City Council.
Gentlemen:

The land and building at 9 Pittsburgh street, South Boston, formerly occupied as a fire station by Ladder Company 18, has been abandoned inasmuch as said land and building are no longer required for Fire Department purposes.

I recommend that the land and building be transferred to the custody of the Real Property Department.

Respectfully yours,
FRANCIS X. COTTER,
Fire Commissioner.

—

Whereas, The City of Boston is the owner in fee of approximately eight thousand nine hundred sixty-four (8,964) square feet of land, together with the buildings thereon, located on the southeasterly side of Pittsburgh street, South Boston district of the City of Boston, presently held by said city for Fire Department purposes; and

Whereas, The Fire Commissioner of the City of Boston has determined that said land and buildings are no longer required for public purposes; now therefore it is hereby

Ordered, That the above-described parcel of city-owned property be, and the same hereby is, transferred from the care, custody, control and management of the Fire Department to the care, custody, control and management of the Commissioner of Real Property.

Referred to the Committee on Public Lands.

LOAN AND APPROPRIATION FOR REMODELING HOSPITAL, LIBRARY, AND OTHER MUNICIPAL BUILDINGS.

The following was received:

City of Boston,
Office of the Mayor, May 23, 1955.

To the City Council.
Gentlemen:

Under the provisions of chapter 364 of the Acts of 1955, the city is authorized to borrow an amount not exceeding $3,000,000 for remodeling, reconstructing, or making extraordinary repairs to hospital and library buildings.

It is further provided that this amount shall be applied and used as follows:

Hospital Department	$2,800,000
Library Department	$400,000

The amount provided for the Hospital Department will be utilized for the three divisions of the department, namely, the City Hospital, the Sanatorium Division, and Long Island Hospital. It will embrace major improvements in electrical, sewage, and water systems in the three institutions. At the library, the amount allotted will be used for a new tile roof on the main library building.

The act further provides that an appropriation equivalent to 25 cents on each $1,000 of the assessed valuation for the year 1954 must be provided as a down payment to support the loan. This appropriation is to be used for major repairs to buildings in the following departments in the amounts set forth:

Administrative Services	$18,000
Fire Department	$10,000
Library Department	$79,500
Real Property Department (Buildings Division)	$205,000
Welfare Department	$40,500

The work to be performed under the amounts authorized will be of a major character and will result in improving the facilities and the services rendered by the departments involved.

I submit herewith two orders, one providing for a loan appropriation of $3,000,000, and the other for an appropriation from taxes of $392,000. I respectfully recommend adoption of these orders by your Honorable Body.

Respectfully submitted,
J. B. HYNES, Mayor.

—

Ordered, That under the provisions of chapter 364 of the Acts of 1955, the sum of three million dollars ($3,000,000) be, and the same hereby is, appropriated for remodeling, reconstructing, or making extraordinary repairs to hospital and library buildings, owned by the city, including water and sewer systems appurtenant to such buildings, and that to meet said appropriation, the Collector-Treasurer be authorized to issue, from time to time, on request of the Mayor, bonds or certificates of indebtedness of the city to said amount. The proceeds of said appropriation shall be applied and used within the limitations as to amounts hereinafter set forth:

Hospital Department	$2,600,000
Library Department, new tile roof on main library	$400,000

—

Ordered, That in accordance with the provisions of section 1 of chapter 364 of the Acts of 1955, the sum of three hundred ninety-two thousand dollars ($392,000) be, and hereby is, appropriated for remodeling, reconstructing, or making extraordinary repairs to the hospital, library, and other municipal buildings, said sum to be raised by taxation on the polls and estates in the City of Boston, and that all orders heretofore or hereafter passed by the City Council relating to appropriations, taxes, and the interest thereon apply to the appropriations and taxes herein provided for.

Under the provisions of section 3 of chapter 364 of the Acts of 1955, the foregoing appropriation shall be used for remodeling, reconstructing, or making extraordinary repairs to buildings in the following departments in the amounts respectively set forth:

Administrative Services Department	$18,000
Fire Department	$10,000
Library Department, main library, other than for new tile roof	$79,500
Real Property Department (Buildings Division)	$205,000
Welfare Department	$40,500

Any excess of the appropriation provided in this order over and above the aggregate of the amounts allocated to the respective departments under section 3 of chapter 364 of the Acts of 1955 may be used to supplement the sum so allocated or may be used in addition to the moneys authorized to be borrowed under section 1 of chapter 364 of the Acts of 1955 for the purposes for which such moneys are authorized to be borrowed.

Referred to the Committee on Appropriations and Finance.

ADJUSTMENT COUNSELORS

Mr. Lee: Madam Chairman, there is a matter which I would like to bring up in public meeting before we go back into conference.

It has been a custom here from time to time to pay tribute in public to certain distinguished citizens. That is something I have never done; but I would like to do it at this moment, partly because the man to whom I pay tribute, I hope, will serve as an inspiration to those who voted in the negative on that $25,000 for adjustment counselors—and may now vote to reconsider. He may also serve as an inspiration to us, when we fix salaries on August 31st.

The man to whom I would like to pay my respects is named James Sordello. Mr. James Sordello, in about 1936, was running for representative. He was running from the North End. And his platform was "Steam-heated sidewalks for the North End."

I think we should pay tribute to this man as one who had a farsighted moderation. He was howled down by the public, back those eighteen years ago. He was considered too visionary. He was defeated in that election. And yet, within the space of eighteen short years we have seen accomplished in this city ideas that far transcend Mr. Sordello's humble thought.

We have seen a steam-heated highway laid across the North End for which many buildings were torn down, and on all its slopes there are steamheating pipes to warm the tires of the automobiles passing over. You can check that with the Public Works Department, if you have not come across the information in the newspapers, as I checked this morning.

So now, gentlemen, we find that the public is spending $100,000,000 for steam-heated streets. Yet the public will not spend even a portion of that for steam-heated sidewalks. My thought to you is that we should go back to the moderation of James Sordello: and, while we see the tremendous amounts paid by the taxpayers for these steam-heated highways in the sky, we should steam-heat our hearts a little bit and spend a portion of that $100,000,000 on the education of youth.

And that is why I say that when we mention sums like $25,000 for the betterment of youth, it should be considered very, very moderate.

In an age as extravagant, as pleasure-mad, as self-indulgent as to spend $100,000,000 on steam-heated highways, I am sure that we can spend more money on warming the lives of youth by adequate playgrounds, by adequate warm-hearted personnel, to deal with their problems.

I have finished my remarks, hoping that Mr. Musco will move for reconsideration on the $25,000, and that in any case you will retain a perspective whereby to realize the tremendous expenditures the public makes without winking an eyelash for such things as steam-heated streets, and so be resolved to call upon the public to adequately support its school system.

Chairman: Thank you, Mr. Lee.

Mr. Musco: Madam Chairman, Mr. Musco won't move for reconsideration on any theory Mr. Lee might propose. I am interested in facts, and I am interested, like everybody on the School Committee, in keeping the cost of the schools down to a reasonable level. I would like to concentrate on the education of the child.

Chairman Then if there are no further items in public meeting at this time, we shall return to conference so that Mr. Lee may bring up the other matter.

—

The Committee adjourned.

Attest:

AGNES E. REYNOLDS
Secretary.

April 25, 1955

RESOLUTIONS

Mr. Musco offered the following:

WHEREAS, The tireless struggle of a resolute nation against a paralyzing disease was lessened on April 13, 1955; and

WHEREAS, The little children of the world may walk and play again with cheerful laughter ringing in their childish hearts; and

WHEREAS, The fathers and mothers of young children the world over may offer thanks to God for the blessing that the scourge of mankind, dreaded poliomyelitis that knew no age, has been checked; and

WHEREAS, The forces of the medical and scientific world, in joint venture, have been helped by the dollars and dimes of the rich and poor alike, who saw the life of our late beloved President, Franklin D. Roosevelt, himself a poliomyelitis victim, suddenly end after a bitter struggle against the frightening malady of infantile paralysis; and

WHEREAS, Dr. Jonas E. Salk of the University of Pittsburgh has discovered a vaccine that foreshadows the devastation of poliomyelitis, and the release of all mankind from this maddening nightmare; and

WHEREAS, Prayers of thanksgiving rise from the grateful hearts of man to a merciful God for a blessing bestowed upon them; therefore be it

RESOLVED, That The School Committee of the City of Boston, in meeting assembled, sincerely congratulates Dr. Jonas E. Salk for his successful discovery of a poliomyelitis vaccine which will end the crippling effects of poliomyelitis and warmly extends to him its wishes for continued success in this baffling mystery; and be it further

RESOLVED, That these resolutions be spread upon the records of the School Committee, and a copy sent by the Secretary to Dr. Jonas E. Salk, and to the Nobel Foundation.

On roll call the preamble and resolutions were adopted by the following vote:

LAND AND BUILDINGS FOR SCHOOLS

The following communication from His Honor the Mayor was presented:

City of Boston
Office of the Mayor
City Hall

April 18, 1955

Miss Agnes E. Reynolds, Secretary
Boston School Committee
15 Beacon Street
Boston, Massachusetts

Dear Miss Reynolds:

I am returning the enclosed appropriation order adopted

under date of April 4, 1955, by the School Committee and relating to appropriations for "Land and Buildings for Schools." You will note that I have approved the first three items in this order and have disapproved the last two.

As indicated in this morning's conference with the School Committee, I feel that in view of the fact a substantial portion of the $10,000,000 loan authorization for new schools has yet to be encumbered, no additional appropriations for this purpose should be made this year.

Respectfully
(Signed) J. B. Hynes
Mayor

Placed on file.

—

The following are the appropriations for Land and Buildings referred to by the Mayor in the foregoing letter as not approved:

Item 4 — For acquiring land for, and constructing, public schoolhouses, including originally equipping and furnishing such schoolhouses, $157,000.00.

Item 5—Reserve for such items of land, plans and construction of school buildings as are or may finally be approved, $460,962.00.

The foregoing was ordered spread on the records.

—

Chairman: The question now comes: Shall the appropriation for Land and Buildings for Schools —Item 4—For acquiring land for, and constructing, public schoolhouses, including originally equipping and furnishing such schoolhouses, $157,000.00 — pass, notwithstanding the disapproval by His Honor, the Mayor?

—

Mr. Lee: Madam Chairman, may I suggest to the Committee an alternative procedure which I hope they will think is wise? It will be a friendly procedure in regard to the Mayor.

I bring out first that our deadline is not until the end of the week so there is a little time for both him and us to reconsider, if we wish. I think one item should be reconsidered, and one item only and that is the money allowed for Alterations and Repairs—not the money allowed for new buildings but the money allowed for alterations and repairs.

What occurs to me is that we might ask the Mayor to reconsider his thought on that in a very broad light—that there are certain aspects of this last year in the city's administration and in other governmental activities in Boston which I think would make a larger item for Alterations and Repairs appropriate at this time.

As I have often said to you before, we have seen these tremendous outlays for steam-heated streets which have not come out of the Mayor's budget but they have been with the Mayor's approval and with his co-operation, and that has been an enormous sum in that skyway across the city.

Chairman: May I ask you a point of information?

Do you recall that the Mayor said that on Alterations and Repairs he is going to ask for a bond issue from the Legislature to make alterations and repairs to his city buildings so that he will have more funds to get on with alterations and repairs in the city buildings, and that he feels that the same course would be open to the School Department?

Mr. Lee: I had forgotten that, Madam Chairman, and therefore, I will direct my remarks toward our giving a particularly hearty endorsement to that; and to put it dramatically for him to realize its importance with us, I would like to say again that there are cases on which I have gotten complaints, and I am quite sure you have, of buildings that are actually cold—and I think the superintendent will bear me out—where teachers have had to move into certain rooms and away from certain other rooms because the buildings were too cold to work in.

In your own interrogation of the Home and School Association representatives, I think, the most prominent item involved complaints on the looks of buildings and their rundown condition as well as all the items they had on juvenile behavior problems, and I do not believe it is good business for the Mayor—and I am trying to speak as his friend—to have presided over these tremendous skyways with steam-heated streets so that people can race from the North Shore to the South Shore without getting their tires cooled, and then not to exert himself very, very strenuously to make sure that these alterations and repairs for our classrooms shall go on.

I think it should be put in quite strong colors to him. I also think we ought to give him some encouragement about further sources of revenue.

For example, if he were to tax only the bakers in the city, that might be one way of doing, to support the Government; or perhaps if we put a ceiling on what bakers can receive from their customers, that might be another step that could be taken.

But to do what we do now is quite peculiar. We first put a ceiling on what the suppliers of housing can charge, cutting off what they can receive from their customers, and then we single out that one group whom we have already sorely deprived of their customers' revenue and impose our entire municipal tax on them. It is about as important to be supplied with a house as to be supplied with bread, and more important in winter.

I believe that we should encourage relief in that respect. If you had complete rent ceilings so nobody paid any rent at all, it is hard to see how the landlords would be able to pay much of a tax to the City.

Progressive cities like Los Angeles have done away with that kind of thing. The Mayor out there ran on a platform of trying to run his city more fairly and more progressively and he also stepped into the field which we have not gone into here of getting the Federal housing projects turned back to the City because now, with the money we do not pay for rent, we find that same money taxed and used to build Federal housing projects, and then they yield the city very small revenues.

Chairman: Mr. Lee, may I ask you as a point of information: Now you are offering what you say is an alternative to our voting on the two questions. What is your alternative suggestion?

Mr. Lee: Well, I think, Madam Chairman, in view of your bringing up the Mayor's proposed bond issue for repairs—I would like to say this. First, is that the recollection of others? May I just make that inquiry?

Mr. Museo: It amounts to $10,000,000.

Mr. Lee: Did you hear him say that, Mr. Museo?

Mr. Museo: Yes.

Mr. Lee: Then I merely want my remarks, which have now come to an end on this point, to form the basis, perhaps, of a letter worded according to the liking of the Superintendent and Miss Reynolds, in which we stress to the Mayor the relative importance of getting our school buildings painted and getting them warm.

Chairman: Then he should give us some of that bond issue to paint and repair school buildings?

Mr. Lee: Yes, I think that thought should be given to him in rather strong terms but friendly terms. We can further call to his attention that the Committee gave consideration to his problem of raising revenue and various suggestions were made about raising revenues from other than real estate people.

Chairman: Will you take care of that?

Superintendent: Yes.

Mr. Museo: Madam Chairman, before you go into this particular letter to the Mayor, I understand specifically that he asked the Superintendent of Construction if he had sufficient money for alterations and repairs, and Mr. Mooney stated in the affirmative,—that he had enough money and enough work to keep him busy for a whole year.

Chairman: Now this is next year. The bond issue comes next year, Mr. Museo, that the Mayor is going to ask for.

Mr. Lee: As far as Mr. Museo's point goes, it would then be a fact that the School Buildings Department is working so hard that they are busy without any further money to spend, and would not have enough men to carry out a further appropria-

tion. In that case I think we had better expand the School Buildings Department. I don't think our school system should be stymied because they are shorthanded at School Buildings.

Superintendent: Anything the Mayor would do to the alterations and repair of city buildings would have to be done in an entirely different budget from anything that we would do in connection with our school buildings. They cannot be intermingled, Mr. Lee.

Chairman: I think we did ask him, though, Mr. Superintendent, if he would approve a bond issue for the alterations and repairs of school buildings.

Superintendent: That is right.

Chairman: That was done at the same time, and that is the thing I think you are bringing out, Mr. Lee, isn't it?

Mr. Lee: Yes. Well, how would he do that, Mr. Superintendent? He would have to do that before May 1st upon our recommendation?

Superintendent: No, he has told us now in this letter and also personally that he would not approve of a bond issue for new buildings, Mr. Lee.

Mr. Lee: Not for new buildings but for this repair.

Chairman: Alterations and repairs of buildings.

Superintendent: I don't think —although I may be wrong—that you can have a bond issue for Alterations and Repairs.

Chairman: Mr. Superintendent, I don't know whether Mr. Musco heard this as well as I did but I heard the Mayor say that he is going to ask the Legislature specially for money in a bond issue for Alterations and Repairs of public buildings.

Superintendent: Public buildings.

Chairman: Definitely I heard him say that.

Mr. Lee: Now where it is going to the Legislature, the Commonwealth being the superior authority, can't he then, if he so wishes, in cooperation with us broaden his request to the Legislature to include money for school buildings and under the authority of the Legislature we could surely issue bonds for repairs.

Chairman: Would it be agreeable to you to have the Superintendent call the Mayor's office and ask him?

Superintendent: Suppose I ask him personally on that, Mr. Lee? Would that be agreeable?

Mr. Lee: Yes, you give him the substance of our thoughts.

Superintendent: I will do it tomorrow:

Mr. Lee: I think everybody agrees that our buildings are in bad shape, and in the light of other city expenditures we are entitled to more from some source or other.

Superintendent: Suppose I try to talk with him tomorrow, Mr. Lee.

Chairman: The question now comes: Shall the appropriation for land and buildings for schools —Item 4—for acquiring land for, and constructing, public school houses, including originally equipping and furnishing such school houses, $157,000 — pass, notwithstanding disapproval by His Honor the Mayor?

—

Mr. Lee: I will urge the members not to vote at all on that and have an amendment on the following motion merely saying that we are not pressing the point.

The Secretary was directed to call the roll and the members, as their names were called, respectively voted as follows:

Mr. Carr: No.
Mr. Lee: No.
Mr. Musco: No.
Mr. Ward: Present.
Chairman: No.

—

Chairman: The question now comes: Shall the appropriation for Land and Buildings for Schools —Item 5—Reserve for such items of land, plans and construction of school buildings as are or may finally be approved, $460,962.00— pass, notwithstanding the disapproval by His Honor, the Mayor?

The Secretary was directed to call the roll and the members, as their names were called, respectively voted as follows:

Mr. Carr: No.
Mr. Lee: No.
Mr. Musco: No.
Mr. Ward: Present.
Chairman: No.

The Chairman stated that the Mayor approved the order appropriating $134,775.00 for Land and Buildings, which order reads as follows:

ORDERED: That in accordance with the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1949, the following appropriations are hereby made to meet the estimated cost of "construction and furnishing of new school buildings, both temporary and permanent, including the taking of land therefor, and for school yards and the preparing of school yards for use, and for rent of hired school accommodations" for the fiscal year 1955:

LAND AND BUILDINGS FOR SCHOOLS	
Item 1—Administration Expenses, Salaries	$ 72,000.00
Item 2—Rent of hired accommodations	37,775.00
Item 3—Bigelow District, South Boston: Development of playspace of land on Silver Street and land adjacent to the Bigelow Schoolyard	25,000.00
Total	$134,775.00

The above sum of $134,775.00 appropriated for land and buildings is obtained from the amount available under the $.50 allowance.

On roll call, the order passed by the following vote:

ALTERATIONS AND REPAIRS

The following communication from His Honor, the Mayor, was presented:

City of Boston
Office of the Mayor
City Hall

April 18, 1955

Miss Agnes E. Reynolds, Secretary
Boston School Committee
15 Beacon Street
Boston, Massachusetts

Dear Miss Reynolds:

I am returning the enclosed appropriation order adopted under date of April 4, 1955, by the School Committee, and relating to appropriations for "Alteration and Repair of School Buildings." You will note that I have approved the first three items as voted, and the fourth item in an amount $500,000 less than that voted by the Committee.

In view of the major construction program now being handled within the School Buildings' Department, I feel that the amount approved under Item E represents the maximum repair program which can be administered and supervised by the department.

Respectfully
(Signed) J. B. Hynes
Mayor

Placed on file.

The foregoing was ordered spread on the records.

Chairman: The question now comes: Shall the appropriation for Item E. General Alterations and Repairs, $2,060,500.80, pass, notwithstanding the disapproval of His Honor, the Mayor?

—

The Secretary was directed to call the roll and the members, as their names were called, respectively stated that they voted as follows:

Mr. Carr: No.

Mr. Lee: I am voting No, but with emphasis on our efforts to bring to the Mayor's attention our still pressing need for more money for alterations and repairs, possibly to be raised by a bond issue to be authorized by the Legislature in conjunction with a similar step on the part of the Mayor.

Mr. Musco: No.
Mr. Ward: Present.
Chairman: No.

—

The Chairman stated that the Mayor approved the order ap-

propriating $2,059,305.80 for Alterations and Repairs, which order reads as follows:

ORDERED, That in accordance with the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1949, the following appropriations are hereby made to meet the estimated cost of "alteration and repair of school buildings and for furniture, fixtures, and means of escape in case of fire, and for fire protection of existing buildings, and for improving existing school yards," for the fiscal year 1955 based on the accompanying detailed estimates:

A. Administration Expenses:	
1. Salaries	$ 305,000.00
2. Workmen's Compensation	600.00
3. Veterans' Retirement Roll	11,205.00

The foregoing was ordered spread on the record.

Mr. Lee: Madam Chairman, before we leave this matter, the only territory we have left on this whole budget matter, as I understand it, is such territory as the Superintendent may develop and explore with the Mayor when he talks to him this week on this problem of money from some source for Alterations and Repairs.

Superintendent: That is right.

Mr. Lee: Now, suppose, Mr. Superintendent, the Mayor says, "Well, after all, the Legislature is not in session, and any success I have with the Legislature may come after I am out of office, and at best will come next year."

And you then say to him, "But, Mr. Mayor, this is a crying situation in our Boston schools." I want you to have a free hand from this Committee to accept from the Mayor a revision of his own figures. Suppose he says, "Well, in view of what you told me, Mr. Superintendent, and the children's being cold, and rain dripping on their heads and all these replies that come in from the Home and School Associations, which we did not have time to go into at our meeting, I think I can be a little more generous on your Alterations and Repairs out of revenues prior to the Legislature." Surely the Superintendent is free to develop such a possibility, is he not?

Superintendent: I would say that I would immediately notify Miss Fitzgerald, the Chairman of the Committee, and ask her to call a special meeting before May 1st, which might be Thursday, Friday or Saturday of this week, and I am sure she will be willing to do it—wouldn't you?

Chairman: Yes.

Superintendent: I will tell him the Committee will hold itself in readiness for an emergency meeting if necessary.

Mr. Lee: We are giving raises to our teachers and we are not giving raises to our kids, — in other words, no further benefit in the form of properly heated schools and properly painted schools.

Mr. Musco: We will be with him at 11 o'clock on Wednesday morning.

Chairman: Did you get that notice? It is the Board of Sale meeting on Wednesday at 11 o'clock. We can talk with him at that time.

Superintendent: Do you want me to go down with you, Madam Chairman?

Chairman: Yes, I think it would be a good idea.

Mr. Lee: Wouldn't it be a better idea to have him see him separately on the subject earlier? That will give him two whacks instead of one. I think the Superintendent can talk more dispassionately than a group of people sitting around a table talking about the sale of buildings.

Superintendent: I will.

UNFINISHED BUSINESS

The five orders laid over at the meeting of Mar. 28, 1955, making additions to and changes in the List of Authorized Text Books, were taken up.

—

Mr. Ward: Madam Chairman, what books are these?

Superintendent: These are the books, Madam Chairman and Mr. Ward, that were submitted at the meeting of Mar. 28, 1955, and laid over.

Mr. Ward: What are the names of the books?

Superintendent: There are about 120 books.

—

The following order was read by the Secretary:

"ORDERED, That Order No. 4 is hereby amended by striking out the asterisks and the reference thereto in the order."

—

Mr. Ward: Explain the striking out of the asterisks, Mr. Superintendent.

Superintendent: Madam Chairman and Mr. Ward, when these were presented to the School Committee, there was an asterisk placed opposite the names of revisions, and that meant that the schools were limited to forty-five copies.

Now the Board of Superintendents at the following meeting felt that these books had been in use for a year and if they did not have the restriction on them before, the revised copy of that book should not carry a restriction, and so the striking out of the asterisk will permit schools to buy books that are revisions in larger quantities than forty-five. However, they have been tried out over a period of years so that the Board felt that they shouldn't limit the schools to the forty-five.

Mr. Ward: Madam Chairman, on May 15th the Un-American Activities Committee of the State, I understand, is releasing the names of certain people. I can't vote on this until after May 15th when I might find out whether or not any of these people whom the Committee on Un-American Activities might name in these books is all right.

I say nothing against these books but I say that I would like to have their information, which is very complete, and I may have a different view and we all may have different views on May 15th.

Mr. Carr: Madam Chairman, I believe that if, as Mr. Ward says, the committee is going to report by May 15th, none of these books will be actually purchased by then, will they?

Superintendent: No, they will not. If the School Committee could see fit to accept this list, then if any names came out in the May 15th report, ——

Chairman: Pending the report. Is that agreeable to you, Mr. Ward?

Superintendent: ——then we could withhold the purchase of those books.

Mr. Carr: Couldn't we pass it and instruct the Superintendent that in the event, when this report comes out, any names are on it——

Mr. Ward: I wouldn't want the School Committee or the school system to have on its lists a book that may be named by this Committee on Un-American Activities. Therefore, I don't care what the Committee may do, I will have to vote "No."

Chairman: Mr. Superintendent, what would happen if this order did not go through tonight?

Superintendent: We have tried this year, Madam Chairman and members, to move up authorization of new books with the thought that we would like to have these new books in the hands of pupils at the opening of school in September.

In other words, when there is a delay in the acceptance of new books, there is a delay in the purchase of new books and there is educational loss for the pupils as a result of not having books that they ought to have at the opening of school. They won't have them until perhaps long after the opening of school.

Chairman: Mr. Superintendent, is it true that there is every possibility—in fact, there is every probability—that none of the books on your list will be mentioned by the Committee in its report on May 15th? In other words, the chances are probably against that?

Mr. Ward: I don't say that there will be but I want to be sure.

Superintendent: If there are names mentioned of any authors who have authored these books that are before you tonight, we certainly would have ample time before the orders were culminated through the Business Manager's office to strike them out and not purchase them. However, if we can get the machinery operating now for the purchase of new books in the schools so that they will come into the Business Manager's Office, he will be able to purchase them during the summer months and they will be in the schools ready for use in September.

We certainly would intercept any book or any author if any information came from any source, up to the time that the books were ordered, let's say, which would perhaps be the first of July, Mr. Smith?

Business Manager: Yes. We won't have them delivered until the opening of school as all books now go directly to the schools instead of to the Supply Room.

Superintendent: Mr. Smith, when would you like to place the orders for these books to have them delivered at the opening of school? About what date?

Business Manager: I think by July 1st is all right.

Superintendent: Then certainly if anything came out on May 15th we would have ample time to stop the purchase of any book or books that we saw fit.

Mr. Ward: Madam Chairman, suppose the report of the Bowker Committee is not out by May 15th? I would say that I think the Superintendent should confer with Senator Bowker and ask him if he is assured that this report will be out by May 15th. Now this is my understanding. It will not be out by the 15th.

Superintendent: When will the Legislature prorogue?

Mr. Ward: June or July. I don't know when.

Superintendent: Won't the report be out before then?

Mr. Ward: I have information that on May 15th, this report will not be out.

Mr. Carr: Well, we can't postpone buying the books forever. We will have to buy them some time. If they are not going to report for another year, what will happen?

Mr. Ward. If there are Communist authors in there, where do you stand?

Mr. Carr: If the committee was not going to report for a year and a half we could not hold off buying the books.

Mr. Ward: I don't think it will be that long. I think it probably will be May or June.

Chairman: Then, Mr. Ward, on the 90 per cent of the books that are all right, are you going to penalize that 90 per cent?

Mr. Ward: Madam Chairman, you are going to penalize 99.9 per cent. If one book is wrong—just one book—or one author is wrong, that book must be out.

Superintendent: May I say this? I think this will help. These new books would not be purchased in larger quantities than forty-five. If, during the summer months, we found that one of these books was authored by one of these persons whose name might be mentioned in this report from Senator Bowker and his committee, certainly we would withdraw those forty-five books, and the amount of financial loss to the city would be not more than $75 or $100 at most.

So that for the greater good of the greater number of pupils and the greater number of books, it would appear that it would be nice if the orders were passed tonight and at the same time we have several cushions of insurance that I have mentioned. One would be to withdraw the books and throw them away.

It would not be a serious amount of money, Mr. Ward.

Mr. Ward: Madam Chairman, I am not sure, and therefore I must vote "No."

Chairman: That is your privilege, Mr. Ward.

Mr. Lee: A point of information, Madam Chairman. Mr. Superintendent, you have a committee, I believe, or you are working through certain people to look over our textbooks in general, following suggestions made by Mr. Ward a month ago with a view especially to finding any unprogressive and backward authors who can't keep up with the American pace of freedom.

Now, that committee, I suppose, will take quite a considerable time to report.

Superintendent: Textbook committees, Mr. Lee, have already worked these books up.

Mr. Lee: I mean it hasn't gone through the whole list.

Superintendent: I don't mean this special committee that I appointed since Mr. Ward brought this matter up.

Mr. Lee: I mean that special committee, or your own special inquiry.

Superintendent: The special committee considered only the two or three books that were questioned by the School Committee.

Mr. Ward: Those are the only two or three that were brought in.

Superintendent: That is right.

Mr. Ward: I mean the two or three we looked at.

Mr. Lee: Are the books on this list here the ones that Mr. Ward questioned? Are they on the list?

Superintendent: They are on our regular authorized list, and are in use.

Mr. Lee: Are they on this list we are approving tonight?

Superintendent: No. These are brand new books.

Mr. Ward: Those are already accepted, and are in use.

Mr. Lee: It is true that you, through your staff or through outside or other help, as you need it, are investigating this whole subject that Mr. Ward raised?

Superintendent: That is right. I am conducting my own inquiry of all textbooks, in response to anxieties which Mr. Ward put before the Committee as to authors of doubtful loyalty.

Mr. Lee: Will that investigation be over in many months or when?

Superintendent: I would think that I can report to the School Committee some time within a month or so, Mr. Lee.

Mr. Lee: Wouldn't a motion satisfy the situation if it used the wording that Miss Reynolds has in mind, and then added, "Provided that the Superintendent shall be authorized to cancel the purchase of any book which subsequent information finds to be the handiwork of an author affiliated with a foreign imperialistic dictatorship."

Superintendent: Yes.

Mr. Ward: Suppose there are $10,000 worth of books. Now let me explain this. In the Committee down in Washington—and I now speak of Mr. Beale, who has been for years the counsel for the Committee on Un-American Activities—this has been done. Up until about three years ago anybody could walk in there and copy the code and copy the actual hearings and the statements.

In the past two or three years—and I think the Superintendent knows and he can give us the years—they have not allowed anybody to go in there and copy the testimony before that Committee. However, previous to that time there were undoubtedly thousands of good anti-Communists who did go in and copy the evidence presented before the Committee on Un-American Activities. Now in the last two or three years they have not allowed that to be done.

Thousands of copies of that information are in the hands of certain definite anti-Communists. They could be available to this Committee—the names and other information that might be of importance.

I can think of certain men who are very, very high type men, many of them dead, and I will take one, Heywood Broun. Heywood Broun was a writer. Heywood Broun died a very religious, Christ-like man. Heywood Broun died an anti-Communist, hating Communists; but when he wrote when he was writing—he was a definite out-and-out Red Communist whose pen dripped with the Stalin and Marxist theories and that was what we have in our books, not the writings of the man who died a Christ-like saint but the man who wrote only what Stalin told him to write.

I say Heywood Broun was a reformed and fine man, but the letters and the stories that he left behind him dripped with the Stalin and Marxist theories and out-and-out Communism.

There are many, many other men who have reformed and they are fine men; but when they wrote back in 1932 and 1933 and 1934, they were members of Communist Front organizations and they were men who believed in the theory of the philosophy of Communism.

Now we could turn around and say that this man is a grand man but when he wrote he was a Communist. Take the case of Whitaker Chambers. He was anti-Communist. I would accept anything that Whitaker Chambers wrote as of now but I would not accept what he wrote twelve or fifteen years ago.

Now these books may be all right. There is not only the Attorney-General, the Un-American Activities Committee, but there are the States of Pennsylvania, Massachusetts, and I want to say this. I want to say this here and now. I think the grandest job ever done in the history of Massachusetts was done in 1938 by Senator Sybil Holmes, when her Committee on Un-American Activities conducted an investigation here in Massachusetts. Her report was magnificent, and if we read it, we would say the same as I say.

Now, in conscience I cannot vote for these books because I know not what I am voting for, and I am suspicious in the sense that I would like to wait and find out what the report contains. That is why I must vote "No." Every member of this Committee has a right to vote as his conscience dictates, but in mine I cannot vote. I cannot vote for them, notwithstanding the fact that I may feel that they all are good.

Chairman: Thank you very much, Mr. Ward.

Mr. Lee: I would like to suggest, Madam Chairman, that the orders be amended further by adding at the end, the words: "Provided the order for or use of any book on the above list be cancelled if subsequent information shows it to be the handiwork of an author affiliated with a foreign imperialistic dictatorship."

Chairman: Any objection to that amendment?

Mr. Musco: It appears to me that the Superintendent could arm himself with a list of books and go up to Mr. Thomas Bresnahan, the general counsel for the Commission.

Mr. Ward: Madam Chairman, let me say this, in answer to Mr. Musco: How can the Superintendent get that information when the public, the Legislature, and the Senate are first entitled to that information?

Mr. Musco: I am not asking Mr. Haley to do that. I am asking Mr. Haley to arm himself with a list and put it in the hands of Mr. Bresnahan, and all Mr. Bresnahan has to do is to check one against the other in secret. He won't know.

Mr. Ward: I would doubt very much if Mr. Bresnahan would do this for the School Committee and I doubt if he could under the ethics of his position as counsel.

Chairman: Mr. Ward, would you have any objection to Mr. Lee's amendment?

Mr. Ward: Yes, I would. I would object to that due to the fact that we would perhaps spend money on books that later we may throw away. That is my objection.

Chairman: Well, Mr. Ward, you yourself have stated that you believe that it may be only one

book that would be involved, and the Superintendent says that no one book can be purchased in quantities over forty-five. Every book is limited to purchases of forty-five copies.

Mr Ward: It may be one. There is every probability that there are none.

Mr. Haley is not talking about one book. He is talking about this: Forty-five books known as John Jones; forty-five books known as James Smith; forty-five books known as some other name. Is that correct?

Superintendent: (Indicating affirmative.)

Mr. Ward: In other words, you are not talking about one book. I would say that if you bought only forty-five books, that would not be too bad; but if you buy forty-five books, out of 2,000 possible books, and if you take forty-five times 2,000, and these cost $3 each—I don't say you are going to do that but you could. That would involve a large expenditure.

Superintendent: There are something over 100 books in this list. Assume that every one of them was bad and we purchased 4500 all together. Certainly a hundred of these different books are not bad so far as we know from our investigating committees and screening committees. There is nothing on the printed page of any one of them that is bad.

Of course, it is true we don't know the private lives of the authors. That we cannot vouch for, and we never will be able, perhaps, to vouch for all of the details of the private lives of any authors.

I can picture, Madam Chairman and members, the private life of an author who was thoroughly American but was wrong was bad; but certainly if the printed page that he produced is wholesome that is as far as our investigating committee can go.

However, I would think, Madam Chairman and Mr. Ward, that we are not taking a great chance in following Mr. Lee's suggestions if between now and September 1st or between now and the first of July when Mr. Smith submits his orders to the publishers, we find anything that even indicates any doubt in our minds about the private lives of the authors—not what is on the printed page—certainly we could hold up the purchase of that book.

I don't think under those conditions that we are taking any great chances. Of course, the thing that I am anxious for—and I know you are, too—is to have the best educational literature at the disposal of our pupils at the opening of school. It is just like having an old automobile. We are using old automobiles now. New models come out. We like to use the new model, and we want to keep up to date with other school systems. I would think that we are pretty well protected, Mr. Ward, by this idea that Mr. Lee has suggested, and I certainly will continue to follow it.

Mr. Ward: Madam Chairman, if what the Superintendent has said is true, there may be 4500 books. The average cost would be about $3 a book, is that right?

Superintendent: $2, perhaps.

Mr. Ward: I had $3.

Chairman: Mr. Ward, I just want to ask a point of information, if I could, of the Superintendent, and I have asked very few points of information this evening.

Mr. Superintendent, isn't it true that if these orders are passed tonight and instructions are given to Mr. Smith that he is not to purchase a book because you find information out between May 15th and July 1st, we have not actually spent that money?

Superintendent: That is right.

Chairman: In other words, is it only if the information is discovered after July 1st that there is any danger of expenditure of funds?

Superintendent: And I would think, too, Madam Chairman—

Mr. Ward: Madam Chairman, I point this out. If what the Superintendent says is right, the cost would be $9,000. We would waste $9,000. If he says 4500 books at $2 per book, that would be $9,000. Is that right?

Superintendent: That would be on the assumption, Mr. Ward, that every single book was bad.

Mr. Ward: That is right.

Superintendent: The chances are about a million to one that they will not all be bad in their entirety.

Mr. Ward: I realize that. If what you say is true, it could cost $9,000. That is all I bring out.

Question came on the passage of the order amending Order No. 4 of the five orders laid over at the meeting of Mar. 28, 1955, as follows:

ORDERED, That Order No. 4 is hereby amended by striking out the asterisks and the reference thereto in the order.

On roll call, the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Lee and Musco—4.

NAYS—Mr. Ward—1.

—

Mr. Lee offered the following:

ORDERED, That Orders Nos. 1 to 4, inclusive, of the five orders presented and laid over at the meeting of Mar. 28, 1955, making additions to and changes in the List of Authorized Text Books, be further amended by adding at the end of the first paragraph of each of the four orders the following words: "provided that the purchasing or use of any of the following-named books be cancelled if subsequent information shows it to be the handiwork of an author affiliated with a foreign imperialistic dictatorship."

On roll call, the order passed by the following vote:

YEAS—Miss Fitzgerald, Messrs. Lee and Musco—3.

NAYS—Mr. Ward—1.

ABSENT—Mr. Carr—1.

—

Mr. Lee: On that, Madam Chairman, with a view to Mr. Ward's perhaps reflecting further on the matter, I would say that I share Mr. Ward's beliefs very strongly; and I have said often before this Committee that I think we have taken the first step toward dictatorship by having centralized our government so strongly in one place,—namely, Washington — when Karl Marx stresses in his Manifesto, as I have read again and again that the first step in the revolution is to centralize power and to destroy and weaken local government; and I will admit that that has been done. That trend toward centralization by a lot of nibbling away at local powers, rights, and institutions by magazine articles and little references here and there—

Chairman: That was also done when we had a Constitutional Convention back in 1776.

Mr. Lee: No, the Commonwealth delegated very, very few powers, and expressly said it was a sovereign state. I read you the article the other day.

Chairman: Wasn't there some kind of a convention at which all the statesmen said they were going to have certain powers delegated to the Federal government, powers to make money, war, and taxes and things like that?

Mr. Lee: For our original ratification of the Federal Constitution we met here, and on that occasion we delegated a certain few powers to the Federal government. But both at that time and in our own Constitution we stated that we were a sovereign state with all powers in our hands except those which we expressly delegated.

Chairman: We have just lost one member. Shall we have a roll call before we lose our quorum?

Mr. Lee: I was arguing on your side of it. I agree with Mr. Ward that there is this trend in the country. I agree that it has been brought about by incessant nibbling, on the part of authors of different books and magazines and newspaper articles. I am on my guard against that. But where we have this protective amendment, I don't think we are going to be taking any step in the wrong direction.

Mr. Ward: Madam Chairman, so far as Karl Marx is concerned, I think that Karl Marx has failed in the whole Communist theory of Marxism. That is dead. If I were to have the courage to say it I would say there is no Communism in the world. It is Bolshevism. It's not Communism. Karl Marx in every theory he brought out has failed. There is nothing that he has said, nothing he has done in his Manifesto, that has proved to be right; that has not failed to be a definite failure.

The question now comes on a motion established by Stalin of Bolshevism.

Chairman: Doesn't the question come on the textbook order, Mr. Ward?

Mr. Ward: The question comes on that because Stalin has a part in this. He probably contributed certain moneys to these writers. That is why I say that this is now for world imperialism. This is to turn around and say to Russia: "Let us go ahead through Bolshevism, not Communism" — and conquer all these small nations and ultimately conquer America.

There is no more capitalistic country in the whole world than Russia. We are not a capitalistic country. Russia is.

Chairman: Mr. Ward, do you have any objection to our having the agenda culminated so that we can have a vote? I think that we are all ready for the question. Do you want to hold the item, Mr. Ward?

Mr. Ward: I would hold the item, definitely. I would hold it, yes.

Chairman: The Superintendent has already indicated that we won't have books in September.

Mr. Ward: If we don't have books in September and they are bad books and they are books that he may turn around and say he is sorry he made the motion, he will be happy.

Chairman: Could we have the roll call then on that, whether we pass on them or not?

Mr. Ward: You have no quorum so you can't have a roll call.

Chairman: There are three members.

Mr. Ward: You must have three votes and you have't the three votes.

Chairman: Then we can wait a few minutes. I think Mr. Musco will be willing to come back.

Mr. Ward: If you are stopping me from talking because of a time element, why wait a few minutes? So if you are going to wait a few minutes —

Chairman: I am not stopping you from talking because of a time element. There are some of us who just cannot stay. Do you want to bring up another subject while we are waiting? If so, I will be glad to hear it, Mr. Ward. Would you bring it up?

Question came on the passage of the five orders making changes in the List of Authorized Text Books, as amended.

On roll call, the orders passed by the following vote:

YEAS—Miss Fitzgerald, Messrs. Lee and Musco—3.

NAYS—Mr. Ward—1.

ABSENT—Mr. Carr—1.

—

The Committee adjourned.

AGNES E. REYNOLDS,
Secretary.

CONSTRUCTION OF ITASCA STREET.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of Itasca street, Dorchester district, as a public highway, from Almont street to Mattapan street, bounded and described as follows:

A highway named Itasca street is hereby laid out from Almont street to Mattapan street, and ordered constructed.

Said highway, and the land in which an easement for street purposes is hereby taken, exclusive of trees, shrubs, or structures standing upon or affixed thereto, is bounded and described as follows:

Westerly by Almont street, by two measurements, seventy-one and 58/100 feet on a curve of one thousand one hundred eighty-four and 44/100 feet radius and thirty-two and 68/100 feet on a curve of two thousand five hundred feet radius; northwesterly by the northwesterly line of Itasca street as hereby laid out, by two measurements, thirty-two and 25/100 feet on a curve of fifteen feet radius and four hundred forty-three and 59/100 feet; northeasterly by Mattapan street, forty feet on a curve of one thousand two hundred thirty feet radius; and southeasterly by the southeasterly line of Itasca street as hereby laid out, by two measurements, four hundred sixty-six and 27/100 feet and fifty-three and 27/100 feet on a curve of fifty feet radius.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Itasca street will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore described and on file in the office of this department.

Voted, That this commission determines that no persons sustain damages in their estates by the making of the public improvement consisting of the laying out and construction of Itasca street, Dorchester district, as a public highway, between Almont street and Mattapan street, under the order of the commission of June 1, 1955, and awards no damages therefor.

EXTENSION OF EMMONSDALE ROAD.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of an extension of Emmonsdale road, West Roxbury district, as a public highway, from Howitt road to Martin street, bounded and described as follows:

An extension of the highway named Emmonsdale road is hereby laid out from Howitt road to Martin street, and ordered constructed.

Said highway and the land in which an easement for street purposes is hereby taken, exclusive of trees, shrubs, or structures standing upon or affixed thereto, is bounded and described as follows:

Northwesterly by Howitt road, forty feet; northeasterly by the northeasterly line of Emmonsdale road as hereby laid out, nine hundred seven and 54/100 feet; southeasterly by Martin street, forty feet; and southwesterly by the southwesterly line of Emmonsdale road as hereby laid out, nine hundred seven and 61/100 feet.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Emmonsdale road will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore described and on file in the office of this department.

EXTENSION OF CRICKET LANE.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of an extension of Cricket Lane, West Roxbury district, as a public highway, southwesterly and southeasterly to Ledgewood road, bounded and described as follows:

An extension of the highway named Cricket Lane is hereby laid out southwesterly and southeasterly to Ledgewood road, and ordered constructed.

Said highway and the land in which an easement for street purposes is hereby taken, exclusive of trees, shrubs, or structures standing upon or affixed thereto, is bounded and described as follows:

Southwesterly by another portion of Cricket Lane (public), forty feet; northerly by the northerly line of Cricket Lane as hereby laid out, ninety-nine and 73/100 feet on a curve of eighty-five feet radius; northwesterly by the northwesterly line of Cricket Lane as hereby laid out, by two measurements, one hundred thirty-five and 33/100 feet and one hundred twelve and 7/100 feet on a curve of eighty feet radius; southwesterly by the southwesterly line of Cricket Lane as hereby laid out, one hundred five and 99/100 feet; southeasterly by Ledgewood road, forty and 1/100 feet; northeasterly by the northeasterly line of Cricket Lane as hereby laid out, one hundred four and 90/100 feet; southeasterly by the southeasterly line of Cricket Lane as hereby laid out, by two measurements, fifty-six and 3/100 feet on a curve of forty feet radius and one hundred thirty-five and 33/100 feet; southerly by the southerly line of Cricket Lane as hereby laid out, fifty-two and 79/100 feet on a curve of forty-five feet radius.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Cricket Lane will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore described and on file in the office of this department.

WOOING FRINGE LOT PARKING PATRONS NOT EASY.

Enticing motoring commuters into fringe parking lots can be a difficult courtship. Recent experience in Washington, Baltimore, Cleveland, and St. Louis indicates that success cannot be achieved unless there is provided an attractive parking-transit fee, frequent bus service between the lot and central business district, and easy approaches to the lot. St. Louis offers a 5 to 7½ minute bus service, no parking fee, and a special 35-cent round-trip fare. Patronage of the 600-car lot is increasing, but a profitable operation has not yet been achieved. However, a survey of 500 of the lot's patrons showed 72 per cent rate the service as "excellent." Three out of four said they arrived closer to their downtown destinations than when they drove in. Private lots in downtown Cleveland are now getting short-term parkers—which produces more revenue for the operator than all-day parkers. In Baltimore the consensus is that fringe parking now "does not work".

Another necessity for cities planning fringe parking lots is the provision of convenient shelters to protect patrons from inclement weather. — *American Municipal Association Report.*

X-RAY OF SCHOOL PERSONNEL.

The General Court of Massachusetts passed a law effective July 1, 1951, requiring all school personnel coming in contact with pupils to submit X-ray proof of freedom of tuberculosis in a communicable form—such proof to be filed every three years.

In accordance with the provisions of the law, the Health Department provided free X-ray service for school personnel desiring it. 70 mm. equipment was used where possible and was located in stategic areas to accommodate the large numbers of teachers, nurses, custodians, clerical workers, and others covered by the provisions of the law. The X-ray bus was stationed for an entire month on Boston Common, and 70 mm. equipment was also placed in Boston Teachers College. Four health units having 70 mm. X-ray machines were open daily for a six-week period to provide service for outlying sections of the city. All retakes were made at the South End Health Unit. More than 24,500 X-rays were taken during the program. Provision was also made for new employees of educational institutions to be X-rayed at the usual X-ray locations provided by the Health Department.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 47 SATURDAY, JUNE 18, 1955. NO. 25

MAYOR HYNES' PUBLIC APPEAL FOR $7,500 TO BUY "WASHINGTON AT DORCHESTER HEIGHTS" PAINTING SUCCESSFUL — OVERSUBSCRIBED BY A TOTAL OF $879.50 — CITIZENS CONTRIBUTED GRAND SUM OF $8,379.50 TO ASSURE ART TREASURE REMAINING IN POSSESSION OF CITY OF BOSTON — MAYOR HIGHLY PLEASED.

Mayor Hynes has announced that his public appeal for $7,500 to buy the remarkable painting of "Washington at Dorchester Heights," by the late Emanuel Leutze, as an art treasure for the City of Boston, has been oversubscribed by $879.50, a total of $8,379.50 having been donated. The surplus, if it meets with the permission of the donors, will be used for another civic venture long close to the Mayor's heart.

When the Mayor learned of the generous response to his appeal he immediately issued a statement of gratitude to Chairman Thomas J. Carty and the committee of citizens who assisted him

SITE OF 800-CAR PARKING FACILITY IN DOWNTOWN SHOPPING DISTRICT CHOSEN BY CITY'S REAL PROPERTY BOARD — WILL TAKE BY EMINENT DOMAIN 20,000 SQUARE FEET OF LAND IN HAYWARD PLACE-HARRISON AVENUE EXTENSION DISTRICT, ASSESSED FOR APPROXIMATELY $360,000.

The Boston Real Property Board has voted to take by eminent domain 20,000 square feet of land in the heart of the downtown shopping district for the site of an 800-car mechanical parking facility.

The board's action marks the first step toward realization of Mayor Hynes' $15,000,000 off-street parking program.

The site, bounded by Hayward place, Harrison Avenue Extension, and Norfolk place, is assessed at approximately $360,000.

The garage will be situated but a few steps off Washington street and only a

NO GOOD REASON WHY PARTY AND CANDIDATES CAN'T SWEEP INTO OFFICE NEXT YEAR AND IN YEARS TO COME, MAYOR JOHN B. HYNES TELLS GATHERING OF DEMOCRATS AT JEFFERSON-JACKSON DINNER — JOIN HANDS AND SUBMERGE DIFFERENCES AND FIGHT TOGETHER FOR PARTY SUCCESS AND A BETTER GOVERNMENT FOR OUR CITIZENS — EXTENDS GREETINGS OF CITY TO GATHERING OF LEADERS AT SHERATON PLAZA HOTEL — BOSTON TO SET EXAMPLE FOR REST OF STATE, HE PREDICTS.

At the Jefferson-Jackson Dinner at the Hotel Sheraton Plaza Mayor John B. Hynes spoke as follows:

Tonight, as I extend the greetings of the City of Boston to this most enthusiastic and dedicated gathering of Democrats, may I first express my deep and sincere pleasure that our Junior Senator, our mutual friend, John Kennedy, has recovered from his recent illness and is back on the firing line.

May I also express similar sentiments that our former Governor, our party leader, our electrifying friend, Paul Dever, has also completely recovered from his recent illness and is back at the helm of the party to give our party the leadership which will spell victory next year.

We are all members of a great party. Many of us hold diverse opinions on matters which are of no lasting consequence. Fundamentally we are all in complete agreement that the principles upon which our party rests are as forward-looking, as democratic, and as American as they were in the days of Thomas Jefferson and Andrew Jackson.

As I see it, there is no good reason why our party and its candidates cannot sweep into office next year and the years thereafter. All that is necessary is that we join hands, submerge whatever minor differences may have arisen, and fight together not only for the success of our party, but for that which follows party success—and that is a better government for our fellow citizens.

In the achievement of that goal let me emphatically state to you that Boston will not be found wanting. Indeed, I might go further and state that Boston will set an example for the rest of our Commonwealth, which, if followed, will bring to our party next year its greatest and most resounding victory.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

NATHAN HASKELL DOLE.

20,000 FEET OF LAND FOR PARKING TO BE TAKEN BY EMINENT DOMAIN.

minute's walk from Boston's major retail stores. It is scheduled for completion within a year.

The city will lease the site to private enterprise, which will construct and operate the facility. Construction costs are estimated at $1,500,000.

Cost of the land and six small buildings on it, plus a large rear portion of the Jefferson Building, 558-570 Washington street, will amount to approximately $388,750, according to the board's preliminary survey.

Properties to be taken are 12-14, 16-22, 24-26, 28-30, and 32-34 Hayward place, 24-28 and 30-34 Harrison Avenue Extension, the right of way along Chickering place and Norfolk place, and the rear of the six-story Jefferson Building, starting 70 feet from its Washington Street frontage.

The buildings to be knocked down on Hayward place and Harrison Avenue Extension are antiquated two-, three-, and four-story structures housing small stores, storage lofts, and the Village Barn night club.

Removal of tenants will be completed within three or four months, and demolition work will begin immediately.

Funds for the project will come from a $5,000,000 bond issue recently authorized for purchase of parking sites. A second loan authorization of $10,000,000 is pending in the Legislature to cover costs of the entire program, calling for downtown parking facilities for 5,000 cars.

The next site to be taken will be in the financial district—for a 600-car mechanically-operated garage. The proposed site is at Central and Kilby streets, near the Boston Custom House Building.

MAYOR'S FUND FOR PURCHASE OF PAINTING OF WASHINGTON OVERSUBSCRIBED.

(Continued from page 745.)

in raising the fund. "It is most gratifying," he said, "to find so many persons willing to give to the city. I am particularly grateful to Archbishop Richard J. Cushing and the school children of Boston for their generous support of the cause. It was their gifts, plus those of thousands of small, and a few substantial, donations by people from all walks of life that made the money-raising appeal such a grand success."

Immediately following receipt of the information that the money is now available to buy the picture, in keeping with a state statute governing the acquisition of works of art by a municipality, the Mayor formally requested the Boston Art Commission to inspect the picture with a view towards determining whether or not it has sufficient artistic merit to warrant it being accepted by the city as an art treasure and, if it is found to meet their standards, to determine in what public building it should be permanently housed.

If the report of the Art Commission is favorable, the Mayor will then request the City Council to formally authorize him to accept the gift from the donors as a city asset. When and if the City Council authorizes the Mayor to accept the painting, he plans to arrange a suitable unveiling ceremony.

Members of the Art Commission are: Howard T. Clinch, chairman; William Emerson; Margaret Fitzhugh Browne; Daniel Sargent; and Nelson W. Aldrich, chairman of the Boston Arts Festival. It was on the advise of a member of the commission and other connoisseurs, who made a study of the picture when it first came on the market, that the Mayor determined to acquire it for the city. It was his expressed opinion that the painting not only had rare artistic quality, but that in some respects it is superior to Leutze's most famous painting of "Washington Crossing the Delaware," that is owned by the Metropolitan Art Museum in New York.

Many of the donors to the fund established to buy the picture have stated their preferences as to where the picture should be permanently displayed. Some favor Faneuil Hall, others the proposed South Boston Central Library. However, most prefer the Boston Public Library in Copley square, which institution possesses the priceless gold Washington Congressional Medal of Honor and other invaluable memorabilia of Washington. Furthermore, the Central Library affords a more convenient location for it to be seen by both residents and visitors to Boston.

AMENDMENTS TO ORIGINAL AWARDS OF DAMAGES.

The Public Improvement Commission has voted as follows:

That the amount of $1,750 be, and the same hereby is, awarded to John J. and Margaret M. Devin for all damages sustained under the order of the Board of Street Commissioners and Mayor of November 21, 1952, for the laying out and construction of Wyvern street, West Roxbury district.

—

That the amount of $110 be, and the same hereby is, awarded to David J. and Norma M. Peterson for all damages sustained under the order of the Board of Street Commissioners and Mayor of March 25, 1953, for the laying out and construction of Ansonia road, West Roxbury.

—

That the amount of $125 be, and the same hereby is, awarded to Philip Slishman for all damages sustained under the order of the Board of Street Commissioners and Mayor of June 8, 1953, for the laying out and construction of Lochland road, Hyde Park.

—

That the amount of $275 be, and the same hereby is, awarded to Reymore C. and Petrine Neilson for all damages sustained under the order of the Board of Street Commissioners and Mayor of August 26, 1953, for the laying out and construction of Ledgedale road, West Roxbury.

—

That the amount of $100 be, and the same hereby is, awarded to Paul B. and Florence M. O'Neil for all damages sustained under the order of the Board of Street Commissioners and Mayor of July 23, 1953, for the laying out and construction of Van Brunt street, Hyde Park.

That the amount of $2,700 be, and the same hereby is, awarded to Lena M. Costello for all damages sustained under the order of the Board of Street Commissioners and Mayor of March 25, 1953, for the laying out and construction of Mendell Way, West Roxbury.

CONSTRUCTION OF HACKENSACK ROAD.

The Public Improvement Commission has ordered that a public improvement be made consisting of the laying out and construction of Hackensack road, West Roxbury district, as a public highway, from south of Payson road to Hackensack Circle, bounded and described as follows:

A highway named Hackensack road is hereby laid out, from south of Payson road to Hackensack Circle, and ordered constructed.

Said highway and the land in which an easement for street purposes is hereby taken, exclusive of trees, shrubs, or structures standing upon or affixed thereto, is bounded and described as follows:

Northerly by another part of Hackensack road, forty feet; easterly by the easterly line of Hackensack road as hereby laid out, by two measurements, one hundred eleven and 9-100 feet on a curve of one hundred seventy-nine and 93-100 feet radius and twenty-six and 80-100 feet on a curve of twenty-five feet radius; again easterly by Hackensack court, forty-nine and 32-100 feet; again easterly by the easterly line of Hackensack road as hereby laid out, by two measurements, thirty-seven and 33-100 feet on a curve of twenty feet radius and one hundred thirty-six and 85-100 feet on a curve of two hundred seventy feet radius; southerly by another part of Hackensack road, forty feet; and westerly by the westerly line of Hackensack road as hereby laid out, by three measurements, one hundred thirty-five and 41-100 feet on a curve of two hundred thirty feet radius, forty-one and 26-100 feet, and one hundred three and 60-100 feet on a curve of one hundred thirty-nine and 93-100 feet radius.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Hackensack road will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore described and on file in the office of this department.

Parcel.		Amount.
1.	Fred J., Jr., and Alice Zeltman..	$152 00

X-RAY OF SCHOOL PERSONNEL.

The General Court of Massachusetts passed a law effective July 1, 1951, requiring all school personnel coming in contact with pupils to submit X-ray proof of freedom of tuberculosis in a communicable form—such proof to be filed every three years.

In accordance with the provisions of the law, the Health Department provided free X-ray service for school personnel desiring it. 70 mm. equipment was used where possible and was located in strategic areas to accommodate the large numbers of teachers, nurses, custodians, clerical workers, and others covered by the provisions of the law. The X-ray bus was stationed for an entire month on Boston Common, and 70 mm. equipment was also placed in Boston Teachers College. Four health units having 70 mm. X-ray machines were open daily for a six-week period to provide service for outlying sections of the city. All retakes were made at the South End Health Unit. More than 24,500 X-rays were taken during the program. Provision was also made for new employees of educational institutions to be X-rayed at the usual X-ray locations provided by the Health Department.

IMPORTANCE OF FOOD-BORNE DISEASE.

The relationship of food to disease continues to be an important public health program. The United States Public Health Service reported 327 outbreaks of food-borne disease in the United States in 1948, which resulted in 9,962 cases and 17 deaths. As only one out of ten cases of food-borne disease is ever reported, the resulting situation is far more important than available statistics would indicate.

The United States Public Health Service reports that there occurred in the United States in 1948, 30 cases and 6 deaths resulting from botulism; 74 cases and 1 death resulting from chemical food poisoning; 120 cases of dysentery; 8,832 cases and 7 deaths resulting from food infection and gastroenteritis; 270 cases of scarlet fever.

Upon June 1 the Mayor approved a contract as requested in the following letter:

BOSTON, May 27, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On May 5, 1955, publicly advertised proposals for bituminous concrete pavement in Arvale road, Ward 14, Auriga Street Extension, Ward 16, Banton street, Ward 16, Bantry Way, Ward 7, Colebrook street, Ward 7, Garfield avenue, Ward 18, Hillis road, Ward 18, Newland street, Ward 9, Westville terrace, Ward 15, and such additional locations, if any, in Wards 7, 9, 14, 15, 16, and 18, as may be designated by the Commissioner of Public Works, were received and publicly opened and read. The bids received were as follows:

Adams Asphalt Company, Inc., $61,488.50; P. V. Barone Corporation, $64,760.70; S. J. Tomasello Corporation, $65,979.10; Rufo Construction Company, $82,834.40.

The work to be done under this contract is to be completed October 1, 1955.

On May 11, 1955, your Honor approved the award of the contract for the above work to the lowest bidder, Adams Asphalt Company, Inc., in the amount of $61,488.50.

The Adams Asphalt Company, Inc., did not properly execute the contract and bond for the work and deliver them to the Commissioner of Public Works within the time required under the terms of the proposal. It may be noted that the Adams Asphalt Company, Inc., is at present the subject of Federal bankruptcy proceedings.

At this time, therefore, I respectfully request your authorization to award the contract for the above paving work to P. V. Barone Corporation, the second lowest bidder, in the amount of $64,760.70.

The certified check, in the amount of $3,000, deposited with the Commissioner of Public Works by the Adams Asphalt Company, Inc., in connection with its proposal, is still in the custody of this department pending receipt of advice from the Law Department as to its appropriate disposition.

Respectfully,

GEORGE G. HYLAND,
Commissioner of Public Works.

Mayor of Boston.

DEAR MR. MAYOR:

Each year the Fire Department requires certain amounts of parts for "Wheat Lights." The estimated dollar value for the required parts to be delivered, as required, from June 15, 1955, to March 31, 1956, is approximately $6,500, net.

Inasmuch as these parts will be purchased direct from Koehler Manufacturing Company, the only manufacturer, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $6,500, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Boston Traffic Commission has requisitioned the following amounts of Eagle Signal Corporation signal equipment to be delivered not later than 60 days from receipt of order:

Twelve traffic signal flashers, Type EP-10, complete with cabinets, cabinets to have no mounting holes, at $57.10 each, net.

Two Group 1 type, traffic signal controller mechanisms only, print No. ETS-47G1-2B, at $354.50 each, net.

Two pedestrian flasher secondary controller mechanisms only, print No. ETS-133-2, $276.87 each, net.

All equipment is to be in accordance with Boston Traffic Commission standard specifications.

The above prices were submitted by R. W. LeBaron, Inc., the only distributor in this area. Inasmuch as this company is the only distributor, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to R. W. LeBaron, Inc., for the above items at the prices indicated. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $1,947.94, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Boston Traffic Commission for one (1) 1955 dual control Mainline ranch wagon for the driver training program. This unit may also be used for regular Traffic Commission operations.

Bowers Motor Sales, Inc., is the only Ford dealer in this area authorized to sell

dual control units. An informal written quotation has been obtained from this company in the amount of $2,850, less discount of $300, making a net total of $2,550.

Inasmuch as Bowers Motor Sales, Inc., is the only authorized dealer for dual control units, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $2,550, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEAR MR. MAYOR:

The Superior Criminal Court of the Suffolk County Courthouse has submitted a requisition for seven (7) Underwood, 15-inch, pica, typewriters, Model 150.

Inasmuch as these machines can be purchased direct from the manufacturer, Underwood Corporation, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $1,425.50, less a 15 per cent discount, $217.88, making a net total of $1,234.62.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Auditing Department for four (4) Clary, No. 145, adding machines, and one (1) carrying ease, with a trade-in of four (4) used Sundstrand machines.

Inasmuch as these machines can be purchased direct from the manufacturer, Clary Multiplier Corporation, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company for the four adding machines at $342 each and the carrying case at $16.

Approximate total amount of contract will be $1,384, less a trade-in allowance of $360 on four used Sundstrand machines at $90 each, making a net total of $1,024.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

Mayor of Boston.

DEAR MR. MAYOR:

At various times, in the past, the House of Correction at Deer Island has been without light, power, or telephone service for days at a time, due to power failures. Emergency equipment of the Fire Department has been used several times, but in addition to being inadequate for the institution's needs it is needed for the regular operations of the Fire Department.

During the hurricanes of 1954, several types of equipment were tested. It was found that the portable type of equipment sold by Electromath Corporation, White Plains, New York, was best suited for use at Deer Island from both a security and economic standpoint. The Penal Institutions Department has submitted a requisition to this office for two (2) portable power plant generators as made by the Electromath Corporation. This company has submitted a price of $2,250 each, less one half of 1 per cent discount for payment in ten days.

Inasmuch as the equipment of Electromath Corporation has proved to be best suited for use by the House of Correction at Deer Island and since the equipment would be purchased direct from the company, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Electromath Corporation. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $4,500, less one half of 1 per cent discount for payment in ten days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Water Division of the Public Works Department for approximately 440 tons of ice for drinking fountains, to be delivered when and where requested throughout the City of Boston, from June 16, 1955, to September 30, 1955.

The only company with the proper facilities for delivering the ice as requested is the Boston Ice Company, Division of American Ice Company. This company has satisfactorily furnished ice to the Water Division of the Public Works Department for the past several years. It is therefore requested that authority be granted me to dispense with publicly advertising for prices and award a contract, without public advertisement, to the Boston Ice Company, Division of American Ice Company, for approximately 440 tons of ice at $10 per ton, net.

Approximate total amount of contract will be $4,400, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEAR MR. MAYOR:

The Fire Department has submitted a requisition for 350 Fire Alarm Box ruby globes. American Service Company, 255 Adams street, Dorchester, is the only manufacturer of the type of globe required by the Fire Alarm Division. This company has submitted a quotation.

Inasmuch as these globes can be purchased direct from the manufacturer, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to American Service Company. It is my opinion that, in this way, the best interests of the city will be served.

The globes will be in accordance with the specifications of the Fire Alarm Division of the Fire Department. Approximate total amount of contract for 350 ruby globes at $6.10 each will be $2,135, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

MAYOR'S OFFICE.

BOSTON, June 2, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

I respectfully request your authorization to dispense with a public solicitation of proposals and to award a contract to Alfred G. Peterson & Sons, Inc., to furnish the labor and all the materials necessary to supply, transport, and erect numerous tents of varying sizes, from 15 feet x 15 feet to 20 feet x 90 feet, at the Boston Public Garden in connection with the 1955 Boston Arts Festival and the multiple art exhibits, consisting of works of painting, sculpture, architectural design, and models of the same on public display, as well as the opera and concert of modern dance, to be presented during the period of the 1955 Boston Arts Festival. Some of the tents are white and will have green ridges and green scalloped valances, others will have alternating green and white stripes. Also, the contractor is to install a large stationary triangular canopy, as well as erect a wooden frame to be used as a nailing surface for Selotex from which the paintings will be hung. The total contract sum will be $5,100.

This firm has been serving the New England area along these lines for over one half a century and, in particular, carried out similar services preparatory to the 1953 and 1954 Boston Arts Festivals in a highly cooperative and efficient manner. Furthermore, the contractor, in addition to the required Workmen's Compensation coverage, will afford insurance against personal injury and property damage in limits of not less than $5,000/$10,000.

In the light of the foregoing, it is not felt that public advertising would be of avail to the city in the present instance.

Respectfully yours,

JOHN D. BROWN,
Director of Public Celebrations.

PARKS AND RECREATION DEPARTMENT.

BOSTON, June 3, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

Under date of September 21, 1954, your Honor approved four contracts in the sum of $50,000 each, for the removal of dangerous trees and the pruning of dangerous limbs and branches of trees in all sections of the city. The damage to the trees was caused by the two hurricanes. These contracts were charged to the special appropriation, "Hurricane Emergency." The work under the four contracts has been completed.

Under date of April 1, 1955, I addressed a communication to your Honor stating that under these contracts we had removed 5,000 dangerous trees that were blown down or damaged by the hurricanes, and trimmed and pruned dangerous limbs on 75,000 other trees. I informed you of the locations where the trees had been removed and also called to your attention that trees in the following locations were in a very precarious and dangerous condition and that steps must be taken either to remove the trees or trim the dangerous limbs. The work to be done includes practically all of Franklin Park, the area in the vicinity of Jamaica Pond, Dorchester Park, George Wright Golf Course, Orchard Park, Blackstone Park, and a few other locations.

The City Auditor has informed me that the Hurricane Emergency Board

of the Commonwealth will allow this department an additional $100,000 to complete the work of removing and trimming dangerous trees and branches.

The work performed by the four companies was very satisfactory and I am requesting your permission to further retain the services of these tree companies to complete the work already outlined above. It is my intention to start these companies to work immediately upon receipt of your approval. Because of the limitation of time allowed by the Hurricane Emergency Board to complete the work, it is necessary that the work start at once.

The work is to be paid for at the following rates:

Foremen, $3.35 an hour.
Climbers and laborers, $2.85 an hour.
Truck (up to 1½-ton), $2.50 an hour.
Truck (2½-ton), $3.50 an hour.
Trucks (2½-ton) with winches, $4 an hour.
Power saws, $2.50 an hour.

Rates for foremen, climbers, and laborers are for the first nine (9) hours in any one day, Monday through Saturday. Time and one half will be charged for all hours over the first nine. Double time will be charged for foremen, climbers, and laborers for all Sunday and holiday work.

The contract with each company is not to exceed $25,000. All companies have agreed on the standard rates which, as indicated above, are the same for men and equipment being charged to the state, municipalities, and the utility companies. As these rates are standard and are on an hourly basis whereby the city gets full value for the money expended, there would be no gain to the city by publicly advertising for bids.

Therefore, I request your authorization to dispense with public advertising for bids and to enter into a contract with Fred Ralston & Co., Inc., 22 Linden street, Allston, Mass., for "Removal of Dangerous Trees and Trimming of Limbs in All Sections of the City," for a sum not to exceed $25,000, to be charged to the special appropriation, "Hurricane Emergency, 6-52-51."

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

PUBLIC WORKS DEPARTMENT.

BOSTON, June 6, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

At the present time, William W. Drummey, architect, of 80 Boylston street, Boston, has a contract with this department for the furnishing of architectural and engineering services in connection with the construction of a new district office building and garage at the Forest Hills yard, and also a new garage at the Brighton yard. The construction of both facilities is well under way, and the services performed by the architect have been very satisfactory.

At the present time, it is my desire to construct an addition to the existing stock room that is located at the Highland Street garage and which is under the jurisdiction of the Automotive Division. The existing facilities for keeping automotive parts needed for the repair of the 400 pieces of equipment that are under the jurisdiction of this department are most inadequate, to say the least. We need additional space to provide for the storing of all automotive parts in one central location. At the present time, these parts are stored in several locations, and such a system does not provide for efficient or economical operation.

We estimate that we can construct an addition to the stock room at the south end of the present Highland Street garage for approximately $15,000. We can provide an additional area of approximately 11,000 square feet in the proposed new addition for the above-referenced amount. The construction work should be started as soon as possible, in order to make certain that it is completed before the start of the cold weather.

As the work of the above-referenced architect has been very satisfactory on the projects now under construction, I would like to engage his services for the furnishing of architectural and engineering services in connection with the construction of the addition to the stock room at the Highland Street garage. I feel that the simplest and most expeditious way of executing a contract with the architect is to amend the present contract so as to provide for the furnishing of the latter-referenced services by the architect on the basis of a 6 per cent fee, which is standard, and which is the same fee provided in the existing contract. On a contract of this kind, it obviously is not in the best interests of the city to publicly advertise for proposals, as the fees are standard, and the talent and ability of the architect selected are of more importance than the amount of the fee.

I respectfully request, therefore, your authority to dispense with advertising, and to amend the existing contract with William W. Drummey, architect, so as to provide for the furnishing, by said architect, of the necessary architectural and engineering services in connection with the providing of plans and specifications for the new stock room to be constructed at the southerly end of the Highland Street garage; with the understanding that the architect will be paid a fee based on 6 per cent of the estimated cost of construction; with the further understanding that said construction costs will not exceed $15,000.

Respectfully yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

REAL PROPERTY DEPARTMENT.

BOSTON, June 8, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

We have plans and specifications submitted by the S. M. Levin Company, Inc., of 84 Washington street, Boston, for furnishing and installing two special steel counters for the clerks' offices of the Charlestown and South Boston District Courts. These are made up of many intricate sets of drawers and filing systems.

We have written requests from the clerks of these courts that this equipment be ordered from this company to assure proper installations, especially because of the fact their engineers spent considerable time and made thorough analyses and surveys of every phase of the problems involved and as a result have recommended the type of equipment that would be most suitable for the specific needs of each court.

In view of the technical knowledge indicated by the plans and specifications and the expressions by the courts, I believe it will be to the best interests of the City of Boston to award a contract, without the usual form of advertising, to the S. M. Levin Company, Inc., in the sum of $1,427.30, for the work described.

This company enjoys an excellent reputation for quality products and has performed very good work for this and other city departments in the past.

Very truly yours,

GEORGE P. DONOVAN,
Assistant Commissioner.

SUFFOLK COUNTY.

REGISTRY OF DEEDS.

BOSTON, June 6, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

I hereby respectfully request from your Honor written authority to dispense with publicly advertising for bids and to enter into a separate contract with Field Stationery Company, 414 Highland avenue, Somerville, Mass., for the furnishing of sixty-one books, consisting of forty-six 1956 Grantor indices and fifteen 1956 Grantee indices. Said sixty-one books having a total of 22,820 pages, to be made of standard paper, Grade A, printed and stamped according to schedule as per contract. The Grantor books to be bound in two colors: one set in dark binding and the second set in light binding. The expenditure under the proposed contract is to be $1,641.25.

The aforementioned firm has for six years supplied the Registry with the said indices and their products have consistently been of the very highest quality.

Delivery by September 1 is essential because the headings have to be entered by the Register.

Respectfully yours,

LEO J. SULLIVAN,
Register of Deeds.

Duties: Under supervision, to take stenographic notes from dictation of more than average difficulty and transcribe the notes on the typewriter; to do clerical work of more than ordinary difficulty and responsibility involving general familiarity with office processes; in some cases to have supervision over a small group of other employees on routine work; and to perform related work as required.

Examples of Duties: Performing clerical duties in the preparation of college payrolls and personnel requisitions; maintaining records of sick leaves and vacation leaves, etc., requiring the application of the Civil Service Laws and Rules and the Rules and Regulations of the Division of Personnel and Standardization governing personnel; performing miscellaneous clerical duties ordinarily performed in the business office of a college.

Entrance Requirements: Applicants must have at least three years of full-time paid clerical experience. *Substitution:* Full-time high school or business school education may be substituted for a maximum of one year of the required experience on the basis of one year of education for three months of experience.

Subjects and Weights: Training and experience, 2; clerical tests (spelling, arithmetic, word knowledge, alphabetical arrangement, numerical arrangement, comparing), 1; stenography, 2; total, 5.

The dictation will be given at the following rates of speed: 80, 100 and 120 words a minute, the dictation at each rate of speed consisting of material of about 300 words in length. Each applicant may select any one or two of the three speed tests for transcription. If an applicant transcribes two tests, both are marked and the applicant is given the higher of the two marks. The transcription is marked for both speed of dictation and accuracy.

Passing Requirements: Applicants must obtain at least 70 per cent in accuracy of transcription of at least one dictation and in each subject in order to become eligible.

SIGNAL ELECTRICIAN, DEPARTMENT OF PUBLIC WORKS, JULY 22, 1955.

Last date for filing applications, Friday, July 1, 1955.

Salary: The minimum salary is $3,300 a year; the maximum salary is $4,020 a year.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under supervision, to do general electrical signal installation and maintenance work with or without helpers; and to perform related work as required.

Examples of Duties: Installing, inspecting and maintaining traffic control signals, flashers, neon signs, safety lights and automatic traffic recorders, including adjusting of timing periods, etc.; installing and testing traffic detectors, assembling traffic housings, and wiring control boxes; installing service and meter boxes and testing signal and lighting circuits; performing other miscellaneous electrical installation and maintenance work.

The work must be performed in all kinds of weather, and emergency work at night, on holidays, or week ends may be required.

Familiarity with the following is required: National Electrical Code, issue of 1953; flashing and cycle operated traffic signals and equipment; simple electrical mathematics.

Copies of the National Electrical Code may be obtained at the office of the New England Fire Insurance Rating Association, Room 614, 89 Broad street, Boston, Mass., at 10 cents a copy.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

Certification Requirements: Possession of a Massachusetts journeyman electrician's license and of a Massachusetts motor vehicle operator's license.

LAND-TAKING FOR SCHOOL PURPOSES.

The Public Improvement Commission has ordered the taking of approximately 6,428 square feet of land for school purposes, at the southwesterly corner of Auburn street and Oakburn avenue, Roxbury district, supposed to belong to Gardner C. Brooks, substantially as shown on a plan in the office of this commission, that it intends to pass an order for making said taking, and that it appoints 10 o'clock A.M., March 16, 1955, and the office of this commission, 401 City Hall Annex, as the time and place for a public hearing in the matter.

A true copy of an order passed by said commission on said day.

Attest:

MICHAEL J. CORRAO,
Secretary.

IN PUBLIC IMPROVEMENT COMMISSION,
CITY OF BOSTON, JUNE 1, 1955.

Whereas, the Public Improvement Commission has passed the aforesaid order of notice and has caused a copy of said order to be published March 5, 1955, in the *City Record,* and March 4, 5, 7, 8, 1955, in the Boston *American* and the Boston *Globe,* and has given the public hearing, notice of which was given in said order; and

Whereas, The Public Works Department of the City of Boston, with the approval of the Mayor, has selected, designated, and requested the Public Improvement Commission of said city to take for said city for school purposes the land hereinafter described, in that part of Boston, formerly Roxbury; it is

Voted, That the Public Improvement Commission of said City of Boston, acting under the provisions of chapter 486 of the Acts of the Legislature of 1909, and chapter 79 of the General Laws, and all other authority thereto enabling, hereby takes in fee for said city, for school purposes, the following-described parcel of land, including the trees, buildings, and other structures standing upon or affixed thereto.

A parcel of land, supposed to belong to the City of Boston, bounded:

Northeasterly by the southwesterly line of Oakburn avenue, ninety-eight and 53-100 feet; southeasterly by the northwesterly line of Auburn street, sixty-eight and 22-100 feet; southwesterly by other land of said city of Boston (William Bacon School), ninety-eight and 47-100 feet; and northwesterly by land supposed to belong to Mabel E. Wolfe, sixty-four feet; containing six thousand four hundred ninety-four square feet, more or less.

Said parcel is shown on a plan marked "City of Boston, Auburn Street, Roxbury, June 1, 1955, George G. Hyland, Commissioner of Public Works,' and on file in the office of said department.

Voted, That this commission determines that no person sustains damages in their estate by the making of the public improvement consisting of the taking in fee of approximately 6,428 square feet of land, for school purposes, at the southwesterly corner of Auburn street and Oakburn avenue, Roxbury district, under the order of the commission of June 1, 1955, and awards no damages therefor.

City of Boston, 6,494 square feet, nothing.

PROCEEDINGS OF CITY COUNCIL.

Monday, June 6, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., Senior Member WHITE in the chair. Absent, Councillor Hurley.

The Reverend John J. Grant, Assistant Editor of "The Pilot," was escorted to the rostrum.

INVOCATION BY REV. JOHN J. GRANT.

Our Father, Who art in heaven, the eternal, perfect and all-loving God, we ask Thy blessings on these deliberations of the Boston City Council. As duly-elected members of this assembly, the representatives of Thy people in this city, they are here, conscious of their high responsibility to Thee and to Thy people; anxious and determined to find prudent, practical answers to the problems of our society.

Give them vision and understanding to see the issues and conflicts, not in terms of selfish individual interests, but wisely and generously in terms of the common good for the entire citizenry of this great city. Mindful of their difficulties, ever ready to hear the views of their fellow councillors with respect and courtesy, may they yet never fail to recognize the need for common devotion and zealous service for the good of the whole community.

While these members of the Boston City Council vie with each other to express the truth as they see it, and the prudent solution they feel necessary, may all the proceedings of this meeting end with the singleness of purpose of furthering the common weal.

May the blessings of Almighty God, Father, Son, and Holy Ghost, descend upon each and every one of you gathered in His Name, and the name of His people, remain forever.

The meeting was opened with the salute to the Flag.

WELCOME TO MR. YEHUDAH NEDIVI.

Mr. Yehudah Nedivi, Town Clerk of Tel Aviv, Israel, was escorted to the rostrum and was introduced to the members of the Council by Chairman WHITE. Mr. Nedivi made a brief address and expressed the greetings of his Council and thanked the members for their kindness in permitting him to witness the proceedings of the local government.

On motion of Councillor Ahearn the rules were suspended on the order of business to allow the introduction of the following resolution and three orders.

CONGRATULATIONS TO "THE PILOT."

Coun. HURLEY, WHITE, AHEARN, FOLEY, HAILER, KERRIGAN, McCORMACK, McLAUGHLIN, and PIEMONTE offered the following:

Whereas, The "Pilot," official newspaper of the Catholic Archdiocese of Boston, and America's oldest Catholic news weekly, has been published continuously for 126 years since its establishment by Bishop Benedict J. Fenwick, S.J., the second Bishop of Boston, in 1829; and

Whereas, The "Pilot" since its inception, under the guidance of the distinguished Boston prelates, Bishop Fenwick, Bishop John Bernard Fitzpatrick, Archbishop John J. Williams, William Cardinal O'Connell, and our present beloved Archbishop Richard J. Cushing, has been encouraged, enlarged, strengthened, and steadily and constantly improved and made an ever-increasing force and voice for good in this great Archdiocese; and

Whereas, The "Pilot" was greatly honored at the recent annual Catholic Press Convention by being named "Catholic Newspaper of Distinction," and cited for its "general excellence"; and

Whereas, The "Pilot" was further cited by receiving the highest award for the best feature article of the year, "The Boston Eye Bank Offers Hope to Sightless," by Joseph A. Ryan; and

Whereas, The "Pilot" was further cited for the "Best Example of Teaching Christian Doctrine" on its entry "Theology for Every Man," on the question, "Is Wire-Tapping Morally Unsound"; and

Whereas, The "Pilot" was further honored by a prize-winning photo by Philip A. Stack in the category "Best Use of a Picture" portraying Archbishop Cushing distributing Communion to the "exceptional" children at St. Coletta's School at Hanover; and

Whereas, The "Pilot" was the only Catholic paper to receive a citation in all these award divisions; and

Whereas, These awards and citations won by the "Pilot" reflect great credit and honor on the Archdiocese of Boston, its great spiritual leaders, Archbishop Richard J. Cushing, his Auxiliary Bishops Eric F. McKenzie and Jeremiah F. Minihan, the editor of the "Pilot," Very Reverend Monsignor Francis J. Lally, its associate editor, Reverend John J. Grant, its business manager, the Right Reverend Monsignor Arthur V. Lyons, and further reflects great credit on the City of Boston and its environs, and on the people of the Archdiocese who support the "Pilot"; be it therefore

Resolved, That the Boston City Council, in meeting assembled, hereby extend to Archbishop Richard J. Cushing, his Auxiliary Bishops, Most Reverend Eric F. McKenzie and Most Reverend Jeremiah F. Minihan, Very Reverend Francis J. Lally, and all of those associated with him in the publication of the "Pilot," their sincere congratulations for these honors bestowed on the "Pilot," the Archdiocese of Boston and as a result, on the City of Boston and pray that Almighty God will guide, direct, assist and aid them in the continuation of their good work; and be it further

Resolved, That copies of this resolution be prepared for presentation to Archbishop Cushing, Monsignor Lally, and the "Pilot," and that Monsignor Lally be invited to attend a future meeting of the Boston City Council to be presented them.

The resolution was adopted under suspension of the rules.

Coun. AHEARN in the chair.

INCREASE OF APPROPRIATION FOR CERTAIN NECESSARY EXPENSES OF SCHOOL COMMITTEE.

Coun. WHITE offered the following:

Ordered, That chapter 236 of the Acts of 1955 entitled "An Act Authorizing the School Committee of the City of Boston to Increase the Annual Appropriation to Defray Certain Travelling and Other Necessary Expenses" be, and hereby is, accepted.

Referred to the Executive Committee.

LEGISLATION RE TEACHERS' RETIREMENT FUND.

Coun. WHITE offered the following:

Ordered, That chapter 396 of the Acts of 1955, entitled "An Act Relative to the Effective Date for Increasing the Amounts Retained for the Teachers' Retirement Fund in the City of Boston from the Salaries of Members" be, and hereby is, accepted.

Referred to the Executive Committee.

JURY LIST.

Coun. WHITE offered the following:

Ordered, That the City Clerk be hereby directed, when the Jury List is filed with him by the Election Commissioners, to cause the names on said list to be written each on a separate ballot and said ballots to be properly folded as provided in section 7 of chapter 234 of the General Laws and placed in the box provided for the purpose.

Passed under suspension of the rules.

APPOINTMENT BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointment of Kenneth William Kempton, 27 Story street, South Boston, as constable, with authority to serve civil process upon filing of bond, for the term ending April 30, 1956.

Referred to the Committee on Confirmations.

ACCEPTANCE OF BURNHAM STREET, ROXBURY.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of May 2, 1955, concerning the accepting, laying out, and construction as a public way, of Burnham street, in the Ward 8 section of Roxbury.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
May 27, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's office.

Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of May 2.

"Ordered, That the Public Improvement Commission be requested, through his Honor the Mayor, to accept, lay out, and construct as a public way, Burnham street, in the Ward 8 section of Roxbury."

If the owners of property abutting the above-referenced street are desirous of having it laid out and constructed as a public highway, they should sign a petition to that effect, and send it to Michael Corrao, secretary of the Public Improvement Commission. If the petition is received, a public hearing will be held on the matter and appropriate action taken by the members of the commission.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

SEWERAGE FACILITIES ON HALE AND EMMET STREETS, HYDE PARK.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of May 9, 1955, concerning the installation of sewerage facilities on Hale and Emmet streets, Hyde Park.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
May 23, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of May 9:

"Ordered, That the Department of Public Works, through his Honor the Mayor, be requested to install sewerage facilities on Hale and Emmet streets, Hyde Park."

Upon investigation, I find that there are approximately ten houses in the above-referenced area without sewerage facilities. If sewers and surface drainage facilities are provided, practically all of the excavation will involve the removal of rock, at considerable expense.

We estimate that it would cost $27,000 to provide the facilities, and we feel that such an expenditure is unwarranted until the area is more fully developed than at the present time.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

ELECTRIC LIGHTS ON EAST FOURTH STREET.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of May 16, 1955, concerning the installation

of electric lights on East Fourth street, between P street and Farragut road, in South Boston.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Public Works Department,
May 27, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of May 16:

"Ordered, That the Commissioner of Public Works take whatever action is necessary to install electric lights on East Fourth street, between P street and Farragut road, in South Boston."

A survey of the above-referenced area will be made by the Street Lighting engineers of the department, and steps will be taken to improve the existing street lighting facilities.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

RECREATION AREA IN BRIGHTON.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to your order of May 16, 1955, concerning the construction of a play and recreation area on the site of the Park Department land on Chestnut Hill avenue, Brighton.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Parks and Recreation Department,
May 27, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

I have your memorandum of May 23, with enclosure, Council order of Councillor Ahearn that the Park Commissioner construct a play and recreation area on the site of the Park Department land on Chestnut Hill avenue, Brighton.

This area is one acquired by this department in recent years and it will require a large appropriation in order to develop it properly. There are no funds within our budget for doing this work. It will require a capital improvement appropriation.

Very truly yours,
FRANK R. KELLEY, Commissioner.

SUPERVISED RECREATIONAL ACTIVITIES AT HEALTH UNITS.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to your order of May 16, 1955, concerning supervised recreational activities at the Savin Street Health Unit in the Roxbury district and at such other health units where such a program would be readily adaptable.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Parks and Recreation Department,
May 27, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

I have your memorandum with enclosure, City Council order of Councillor McCormack that the Commissioner of Parks and Recreation consider the advisability of having supervised recreational activities at the Savin Street Health Unit in the Roxbury district and at such other health units where such a program would be readily adaptable.

These units are under the care and control of the Health Department. We could not assume the supervision of any of the programs at these locations unless we have sufficient personnel and the necessary funds within our budget for doing this work.

Very truly yours,
FRANK R. KELLEY, Commissioner.

LOAN TO HOUSING AUTHORITY FOR URBAN RENEWAL PROGRAM.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the chairman of the Boston Housing Authority concerning your order of April 25, 1955, relative to a loan to the Boston Housing Authority for the purpose of participation in the urban renewal program.

Respectfully,
J. B. HYNES, Mayor.

Boston Housing Authority,
May 25, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Subject: City Financial Participation in the Activities of the Urban Redevelopment Program of This Authority.
Dear Mayor Hynes:

This is in reply to the City Council order of April 25, 1955, on the above subject matter.

As you are aware, federal procedure calls for the local government to advance funds for its estimated share of the net cost of the development prior to advance of Federal on-site funds.

Accordingly, when the executed contract for development is in hand, this Authority, through its treasurer, will be obliged to request city funds.

Preliminary conversations to this effect have already taken place with you and the office of the City Treasurer.

Very truly yours,
JAMES J. MAHAR, Chairman.

SPECIAL DIVISION TO ENFORCE PARKING METER REGULATIONS.

The following was received:

City of Boston,
Office of the Mayor, May 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Director of Administrative Services relative to your order of May 23, 1955, concerning the setting up of a special division for the policing of off-street parking areas.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Administrative Services Department,
June 3, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Subject: Councillor Piemonte's Order of May 23, 1955.
Dear Sir:

Under date of April 29, 1955, chapter 318 of the acts of the current year was approved by Governor Herter. This legislation provides for the regulation of parking in off-street parking areas and facilities operated by the City of Boston. Under its provisions police officers may enter upon parking areas and facilities if any violation of motor vehicle parking rules and regulations comes to their attention. Prior to the enactment of this legislation the Police Department felt it lacked the necessary authority to enter such areas.

In view of this legislative development it would appear unnecessary to establish a separate policing agency as suggested in the attached council order.

Respectfully,
CHARLES J. FOX, Director.

RELOCATION OF M.T.A. TROLLEY AND BUS STOPS.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith further communication from the Traffic Commissioner relative to your order of April 25, 1955, concerning a survey being made in conjunction with the representatives of the Metropolitan Transit Authority to consider relocating trolley and bus stops.

Respectfully,
J. B. HYNES, Mayor.

—

Boston Traffic Commission,
May 20, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

With further reference to a Council order of April 25, 1955, requesting that a survey be made throughout the various shopping areas of the city for the purpose of relocating trolley and bus stops, I submit the following report.

With the cooperation of Mr. Dana and Mr. John Callahan of the Metropolitan Transit Authority, careful consideration was given to the subject and the best means of procedure.

In order to facilitate what is desired by the Council order, inquiries were made to determine whether or not any specific area or locations should be given priority in our study.

Councillor Hailer, the sponsor of the order, indicated that there were three stops in the Roslindale area where improvements should be made. Accordingly, Mr. Spellman of the M.T.A. and Mr. Moriarty of this department met at Roslindale square on May 16 and reviewed the bus stops in the area.

An improvement in the operation of the buses at Washington street and Basile street on the southeast side would result if the M.T.A. stop could be extended to approximately 100 feet, to include the area outside the Roslindale Municipal Building.

At Robert street and South street, southwest side, which is what is called a "layover point," an additional 50 feet would be helpful in relieving a narrow turn from South street into Robert street.

A few meters at each location would have to be removed.

At Centre street and Belgrade avenue, northwest side, outbound, angle parking is permitted just above the present stop, and frequently there is encroachment into the M.T.A. space which requires the buses to load or unload from the roadway.

In order to obtain additional space here the angle parking would have to be removed and the bus stop lengthened.

An alternate proposal in the Roslindale Square section would be the establishment of a "No Parking Anytime" regulation in the north side of South street from the railroad tracks to the moving picture theater about 250 feet away. This would eliminate the layover space now used at Robert street.

These proposals would assist the M.T.A. in its efforts to accomplish efficiency in handling passengers at the curbstones of these locations.

The present locations were established a short time ago, so that, in substance, they are in the best sites for the public and for the M.T.A., as they were established as result of a conference between M.T.A. authorities, local interests, and traffic officials.

Our years of experience with this subject have shown that the ultimate locations arrived at come from compromise made between the desires of the M.T.A. and the wishes of local merchants and residents, and the present stops which are in existence through the Roslindale Square section and throughout the city are a result of conference between all parties concerned.

It does not appear that any of the bus stops in question are improperly located, and the matter of giving increased space to the stops is one which will undoubtedly bring forth protests from merchants and residents who will be directly affected by the changes.

Accordingly, we shall await further advice in the matter from Councillor Hailer concerning the above-mentioned locations before making changes, so that we may have a feeling that the changes made will be agreeable to all parties concerned and not the subject of controversy and protests.

Respectfully yours,
WM. ARTHUR REILLY, Commissioner.

Boston Traffic Commission,
May 27, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

With reference to the order of the City Council dated May 23, 1955, requesting the installation of pedestrian traffic lights at Preble street and Old Colony avenue, I wish to report that we have had this area under consideration for some time, recognizing a growing traffic problem there.

In connection with our study and the recommendation of the Council, we have voted to install lights at the above-mentioned intersection during the current year.

Respectfully yours,
WM. ARTHUR REILLY, Commissioner.

FOOT TRAFFIC ACROSS WILLIAM T. MORRISSEY BOULEVARD.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the executive assistant of the Metropolitan District Commission relative to your order of May 23, 1955, concerning a survey being made relative to providing safe passage for "foot traffic" across the William T. Morrissey Boulevard in the Boston College High School area.

Respectfully,
J. B. HYNES, Mayor.

—

Metropolitan District Commission,
June 3, 1955.

Mr. Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

Commissioner Greenough has asked me to acknowledge receipt of your memorandum of May 26 with the accompanying copy of an order of your honorable City Council (Messrs. Foley, Kerrigan, and McCormack) asking that a survey be made relative to providing safe passage for "foot traffic" across the William T. Morrissey Boulevard in the Boston College High School area.

The Commissioner would like to assure the Councillors that, in making improvements to the Morrissey Boulevard, a primary consideration has been the construction of a pedestrian overpass in the vicinity of Boston College High School and that plans for such a structure are now well along toward completion.

It is expected that a contract for the construction of the overpass will be advertised at an early date.

Very truly yours,
EDWARD F. BARRY,
Executive Assistant.

AMENDMENT TO COUNTY COMPENSATION AND CLASSIFICATION PLAN.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

In response to the City Council order dated May 23, 1955, concerning the proposed amendment for the officers of Suffolk County Jail, I send you herewith a communication from the Supervisor of Personnel in which it is stated that no amendments to the Compensation Plan should be made until a complete survey is made of the county employees' situation.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Administrative Services Department,
June 3, 1955.

Mr. Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

Council order dated May 23, 1955, requesting the Mayor to take immediate steps to amend the Compensation Plan for officers of Suffolk County Jail by changing the grade of the officers and officers with specialties by two compensation grades, is returned herewith.

Under dates of November 2, 1954, and November 29, 1954, in response to orders passed by the City Council amending the County Compensation Plan to increase the salary grades of jail officers and correction officers, I submitted reports, in accordance with the provisions of the statutes, to the City Council stating that it was my opinion that a survey should be made of the duties and responsibilities of the officers in question before any recommendations were approved increasing the grade. The Council, nevertheless, passed these orders and submitted them to the Mayor, who vetoed them, using as his reason practically the same basis as contained in my reports to the City Council. The survey has been completed, and the results indicate that an increase of two compensation grades is not justified. The survey also disclosed other conditions which would indicate that any change in the compensation of these officers would probably disrupt the existing proportion between other positions in the County of Suffolk.

It has been decided, therefore, that a survey should be made of all other positions included in the Classification and Compensation Plans for the Officers and Employees of Suffolk County. It is intended to start this survey immediately so that it may be completed as soon as possible. In my opinion, therefore, I believe that no amendments should be made to the Compensation Plan for Suffolk County until this survey has been completed.

Very truly yours,
JOHN A. SULLIVAN,
Supervisor of Personnel.

PRINTING OF FANEUIL HALL PAMPHLET.

The following was received:

City of Boston,
Office of the Mayor, June 6, 1955.

To the City Council.
Gentlemen:

For many years it has been a custom to distribute to persons visiting Faneuil Hall a pamphlet describing the history and background of this historic structure. I am informed that the supply of these pamphlets has been exhausted, and that it is desired to have a new edition printed.

I submit herewith an order providing for such printing and respectfully recommend its adoption by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

—

Ordered, That the Purchasing Agent be authorized to have printed as a city document 5,000 copies of a descriptive pamphlet relating to Faneuil Hall, and that said copies be delivered to the Assistant Commissioner of Real Property for distribution to visitors at this historic shrine.

AMENDMENT OF COUNTY COMPENSATION AND CLASSIFICATION PLAN.

The following was received:

City of Boston,
Office of the Mayor, June 1, 1955.

To the City Council.
Gentlemen:

The attached proposal by the Supervisor of Personnel to amend the Compensation and Classification Plans for the Officers and Employees of Suffolk County, by revising the rules for administering the plan to grant credit for prior service in the other municipalities of Suffolk County, namely, Chelsea, Revere, and Winthrop, as well as the City of Boston, is hereby approved and transmitted for consideration and adoption by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Administrative Services Department,
June 1, 1955.

To the Mayor and City Council.
Gentlemen:

Under Rule 9, "Starting Salary and Increments", section (d), "Computation of Service," of the Compensation and Classification Plans for the Officers and Employees of Suffolk County, in computing length of service, credit is given on appointment to a position in the county service for prior service with the City of Boston. This limitation of prior service to the City of Boston appears to be unfair to a person who had prior service with one of the other municipalities in Suffolk County, namely, Chelsea, Revere, or Winthrop, which are also in Suffolk County as well as the City of Boston.

In order to correct this apparent injustice, I am recommending for your favorable consideration the accompanying order amending the rule so that credit will be given to persons appointed to Suffolk County positions for prior service with Chelsea, Revere, or Winthrop, as well as the City of Boston.

Respectfully yours,
JOHN A. SULLIVAN,
Supervisor of Personnel.

—

Ordered, That Schedule A of the Compensation and Classification Plans for the Officers and Employees of Suffolk County be, and hereby is, amended by striking out the last two sentences of paragraph (d), "Computation of Service", of Rule 9, "Starting Salary and Increments", and inserting in place thereof the following sentences:

"Service with the Cities of Boston, Chelsea, Revere, and the Town of Winthrop, shall be included in computing length of service with the County of Suffolk. Service with any governmental unit other than the County of Suffolk, Cities of Boston, Chelsea, Revere, and the Town of Winthrop, shall not be included in computing length of service."

Referred to the Executive Committee.

GREATER RECREATIONAL AND EDUCATIONAL USE OF COMMON AND PUBLIC GARDEN.

Coun. PIEMONTE offered the following:

Whereas, The Annual Arts Festival is now being conducted in the Boston Common; and

Whereas, The Arts Festival, which has been conducted with great success the past few years, is always such an attraction and creates good public relations and good will, as is further evidenced by the fact that Army and Navy authorities have lifted the ban on the Common and the Public Garden for the duration of the Arts Festival; and

Whereas, The annual Christmas Festival is also a great attraction and a major factor in the creation of good will; and

Whereas, Both the Common and the Public Garden are places of beauty and afford many opportunities for further recreational and educational activities, and said facilities are not now being used to their full capacity throughout the year; and

Whereas, In other cities such programs as artificial ice skating, a sport which has proved such a popular attraction, open-air theater, and musical entertainment have been provided for the public; and

Whereas, There are no such programs at present provided in the Common or the Garden, either by the City of Boston or by any other social or private agency; now therefore be it

Resolved, That his Honor the Mayor immediately request the Commissioner of Parks and Recreation, representatives of social agencies in Boston, and of other interested groups to make a study of the potentialities of recreational and educational programs that could be undertaken with a view to providing for a program of ice skating similar to that conducted in New York's Rockefeller Center, and also to providing for an open-air theater in the summertime, which might be utilized by the teenagers from various sections of Boston and which the settlement houses, which have been looking for summer programs, might utilize, without limiting it to the same; and be it further

Resolved, That the bands and other musical groups from the Boston public schools and private schools be invited to participate in planned musical programs at the Parkman bandstand in the Common; and be it further

Resolved, That every effort be made, through these and other programs, to afford to the public the full and unrestricted use of the Common and of the Public Garden for their entertainment.

The resolution was adopted under suspension of the rules.

REMOVAL OF OBSTRUCTION AT MAVERICK SQUARE.

Coun. PIEMONTE offered the following:

Ordered, That the Transit Department be, and are hereby, requested to remove the so-called "hump" over the old East Boston Tunnel entrance at Maverick square; and be it further

Ordered, That if it be found that the removal of the so-called "hump" be the responsibility of the Metropolitan Transit Authority, that his honor, the Mayor, request the said Metropolitan Transit Authority to remove said "hump."

Passed under suspension of the rules.

RECOGNITION OF BOSTON FIRE FIGHTERS LOCAL 718 AS NEGOTIATING BODY.

Coun. PIEMONTE offered the following:

Ordered, That the Boston Fire Fighters Local 718, International Association of Fire Fighters, American Federation of Labor, be the recognized negotiating body for the members of the fire fighting force and the Fire Alarm Division of the Boston Fire Department and that they will be the official spokesmen for same in all grievances concerning wages, hours of labor and conditions of employment.

Referred to the Executive Committee.

LEGISLATION RE PAYMENT OF ANNUITY TO WIDOW OF EDWARD J. RUSSELL.

Coun. AHEARN offered the following:
Resolved, That the City Council of Boston favors the consideration by the Legislature of the petition now held under Joint Rule 7B authorizing the City of Boston to pay an annuity to the widow of Edward J. Russell, former member of the Fire Department of the City of Boston, provided that any such legislation enacted includes a referendum to the Mayor and City Council.
Referred to the Committee on Claims.

TRAFFIC CONDITIONS ON WALKER STREET, CHARLESTOWN.

Coun. AHEARN, for Councillor Hurley, offered the following:
Ordered, That his Honor the Mayor is hereby requested to direct the Traffic Commissioner to make a survey of traffic conditions on Walker street, Charlestown, with a view to making one-way traffic running from Main street to Bartlett street.
Passed under suspension of the rules.

PUBLIC HEARING ON M.T.A. CONVERSION OF BUS SYSTEM.

Coun. McCORMACK offered the following:
Ordered, That the Executive Committee of the Boston City Council schedule a public hearing on the proposal of the Metropolitan Transit Authority to convert the bus transportation system in the Dorchester section and in the rest of the city, from trackless trolley to diesel vehicles; and be it further
Ordered, That the members of the Mayor's committee for the 11 cities and towns, the representatives of the M.T.A., the representatives of organized labor, and all other interested groups and individuals be invited to attend.
Passed under suspension of the rules.

"SMALL TOT" PLAY AREA IN WILLIAM G. WALSH PLAYGROUND.

Coun. McCORMACK offered the following:
Ordered, That the Commissioner of Parks and Recreation take immediate steps to install a small tots' play area in the William G. Walsh Playground, in the Dorchester section of the City of Boston.
Passed under suspension of the rules.

TRAFFIC CONDITIONS ON CLIFFORD STREET, ROXBURY.

Coun. McCORMACK offered the following:
Ordered, That through his Honor the Mayor the Traffic Commissioner be requested to make a survey of traffic conditions on Clifford street, Roxbury, with a view to having it made one way from Blue Hill avenue to Warren street.
Passed under suspension of the rules.

WELCOME TO FATHER RENATUS ZIGGIOTTI.

Coun. FOLEY and PIEMONTE offered the following:
Whereas, The City of Boston has recently been honored by the presence in it of the Very Reverend Renatus Ziggiotti, the Superior General of the Salesian order; and
Whereas, The Salesian Fathers, founded by St. Don Bosco, have served the people of the City of Boston superlatively well since their establishment here less than ten years ago; be it therefore
Resolved, That the Boston City Council expresses its welcome to Father Ziggiotti to our city; and be it further
Resolved, That the Boston City Council wishes Father Ziggiotti Godspeed on his trip to the United States.
The resolution was adopted under suspension of the rules.

INCLUSION OF PHOTOGRAPHIC ART IN 1956 ARTS FESTIVAL.

Coun. FOLEY offered the following:
Ordered, That the Trustees of the Boston Arts Festival be requested, through his Honor the Mayor, to consider the possibility of making provision for the inclusion of photographic art in the plans for the 1956 Arts Festival.
That such provision be made only for photographic works of true artistic merit and not for technical proficiency only.
That a special division be made for recognition and exhibition of photographic portraiture.
Passed under suspension of the rules.

REPORT ON PROGRESS OF URBAN RENEWAL PROGRAM.

Coun. FOLEY offered the following:
Ordered, That the official charged with responsibility for the Urban Renewal Program be requested, through his Honor the Mayor, to appear before the Executive Committee of the Boston City Council on June 27, 1955, to report such progress as has been made in developing an Urban Renewal Program for Boston.
Passed under suspension of the rules.

EXPEDITING OF REPAIR OF WASHINGTON STREET.

Coun. HAILER offered the following:
Ordered, That the Public Works Commissioner be requested, through his Honor the Mayor, to confer with the M.T.A. Trustees for the purpose of expediting the repair of Washington street, from Egleston square to Forest Hills.
Passed under suspension of the rules.

NAMING OF SQUARE IN HONOR OF LIEUT. FRANCIS A. CAHILL.

Coun. McLAUGHLIN offered the following:
Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the junction of Standard and River streets, Mattapan, in honor of the memory of Lieut. Francis A. Cahill, U.S.N.R., who lost his life in the service of our country in Southern France on August 23, 1945.
Passed under suspension of the rules.

Such Additional Locations, If Any, in Wards 21 and 22, As May Be Designated by the Commissioner of Public Works.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for bituminous concrete pavement in Chiswick terrace, etc. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Bituminous Concrete Pavement in Chiswick Terrace, etc.," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, JULY 7, 1955, with a certified check for THIRTY-SIX HUNDRED (3,600) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

DEPARTMENT OF SCHOOL BUILDINGS.

TO PAINTING CONTRACTORS.

INVITATION FOR PROPOSALS FOR INTERIOR AND EXTERIOR PAINTING, INCLUDING FIRE ESCAPE, AT CHAPMAN SCHOOL, EUTAW STREET, EAST BOSTON, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for interior and exterior painting, including fire escape, at the Chapman School, Eutaw street, East Boston, Mass.

Proposals will be received until 12 o'clock noon, Monday, June 27, 1955, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of $500, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 47 SATURDAY, JUNE 25, 1955. NO. 26

HIGHWAY CONSTRUCTION WORK INVOLVING BOWDOIN AVENUE, ST. WILLIAM STREET, AND SOUTH MUNROE TERRACE, DORCHESTER, TO BE RESUMED AND COMPLETED BY BAKER & COMPANY—ADAMS ASPHALT COMPANY, INC., MET WITH FINANCIAL DIFFICULTIES AND RETIRED FROM JOB—CITY LOSES NOTHING.

Contractors Baker & Co., Inc., have been designated by the Commissioner of Public Works, George G. Hyland, with the approval of Mayor Hynes, to complete the highway construction work involving Bowdoin avenue, Ward 14, St. William street, Ward 13, and South Munroe terrace, Ward 16. This contract was originally awarded to the Adams Asphalt Company, Inc., but was not completed because of financial difficulties. The work will now be completed as originally intended by Baker & Co. so that the city will not be placed at any disadvantage or financial loss. The letter from Commissioner Hyland with the explanation reads as follows:

(*Continued on page 779.*)

ALL IN READINESS FOR MAYOR'S FIELD DAY ON TUESDAY EVENING AT FENWAY PARK—HUGE AND VARIED ENTERTAINMENT PROGRAM BEING PROVIDED FOR GUESTS OF MAYOR HYNES AND FRIENDS.

Free parking will be available to all spectators at the 1955 Mayor's Charity Field Day, at Fenway Park, on Tuesday evening. This convenience was made possible through the generosity of the Back Bay parking lot owners, to stimulate attendance at this civic and charitable event.

Headlining an all-star entertainment cast, *al fresco,* will be Morton Downey, famed singing star of stage, screen, and television. In addition, a beautiful 1955 Cadillac convertible, and an eight-day all expenses paid air trip to Hollywood, via American Airlines, will be prizes awarded to lucky ticket holders.

On hand for the festivities for this six-hour sports and theatrical show will be Archbishop Richard J. Cushing, Mayor John B. Hynes, and many other civic and state dignitaries.

(*Continued on page 780.*)

VETERANS' BENEFITS SOARED $32,272.56 ABOVE THOSE OF THE SAME MONTH IN 1954, ACCORDING TO REPORT TO MAYOR JOHN B. HYNES BY COMMISSIONER VICTOR C. BYNOE OF VETERANS' SERVICES DEPARTMENT—1,679 CASES WERE AIDED, INVOLVING 3,258 INDIVIDUALS—267 CASES CLOSED OUT.

Expenditures for veteran' benefits for April of this year were $32,272.56 higher than for the same month in 1954, the report from Commissioner Victor C. Bynoe of the Veterans' Services Department to Mayor John B. Hynes shows.

During the month of April of this year there were 1,679 cases aided, involving 3,258 individuals. During that period 267 cases were closed. The full report to the Mayor reads as follows:

BOSTON, June 7, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

SIR:

I have the honor to submit the report of the Veterans' Services Department for the month of April, 1955.

Very truly yours,

VICTOR C. BYNOE, *Commissioner.*

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

CONSTRUCTION WORK IN DORCHESTER TO BE COMPLETED BY BAKER & CO.

(*Continued from page 777.*)

PUBLIC WORKS DEPARTMENT,
BOSTON, June 14, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Under date of September 2, 1954, a contract in the amount of $49,865.75 was awarded to Adams Asphalt Company, Inc., of 53 Blanche street, Cambridge, for highway construction work, involving Bowdoin avenue, Ward 14, St. William street, Ward 13, and South Munroe terrace, Ward 16.

The contractor started work on this contract on October 4, 1954, but his operations were restricted to the removal of trees on Bowdoin avenue up to the time that work was suspended for the winter months. Operations were resumed on May 2, and under date of May 25, I received a notification from a representative of the contractor to the effect that due to financial difficulties, said firm had ceased operations on the subject contract.

In other words, the firm went into bankruptcy. I immediately contacted the surety on the contract, the Peerless Casualty Company, and requested said company to complete the work under the terms and conditions of the surety bond. Subsequently, I was notified by a representative of the latter-referenced company that arrangements had been made with Baker & Co., Inc., 3475 Washington street, Jamaica Plain, to complete the contract in accordance with the terms and conditions of the contract document, with the understanding that the new contractor would be paid an additional fixed sum of $4,600 for completing the work. The city will not be required to pay any more than it would have paid to the Adams Asphalt if the latter contractor completed the work, as the additional sum of $4,600 will be paid at no additional cost to the city in the manner described hereinafter.

Acting on advice of the Law Department, it is my intention to recommend the award of a contract to Baker & Co., Inc., in the original amount of the contract, namely, $49,865.75, less the amount of $4,282.40, due for the work previously done by the Adams Asphalt Company, plus the fixed sum of $4,600 agreed upon between representatives of the Baker Company and the Peerless Casualty Company, less the amount of $317.60, which represents the sum that the bonding company will pay to the City of Boston at the time of the execution of the new contract to Baker & Co., Inc.

This amount of $317.60 will then be turned over to the Baker Company by the city, and arrangements will be made in the new contract to provide for the payment to Baker & Co., of $4,282.40, which represents the amount due for the work done by the Adams Asphalt Company. Under this arrangement, Baker & Co. will be paid the $4,600 fixed fee agreed upon by the bonding company. These computations and this arrangement appear rather involved, but they result in the award of a contract in the amount of the original contract, namely, $49,865.75, to the Baker Company, and they also result in the payment of the

fixed sum of $4,600 to the latter-referenced contractor without any additional cost to the City of Boston.

In a situation of this kind, the Law Department informs me that the city must take steps to award the unfinished part of the contract work to a contractor selected by the bonding company, at a price agreed upon by the selected contractor and the bonding company, with the express understanding that after the work included in the original contract has been completed and the city has paid the selected contractor the amount due, the total cost to the city will be the same as the cost would have been if the original contractor, in this instance, Adams Asphalt Company, Inc., had completed the contract work in accordance with the terms, conditions, and bid prices prevailing in the original contract.

For these reasons, therefore, I respectfully request your approval to dispense with advertising, and to award a contract in the amount of $49,865.75 to Baker & Co., Inc., of 3475 Washington street, Jamaica Plain, for constructing Bowdoin avenue, Ward 14, St. William street, Ward 13, and South Munroe terrace, Ward 16, in accordance with all pertinent terms, conditions, and unit prices that are in effect in the contract that was abandoned by the original contractor, Adams Asphalt Company, Inc., on May 25 of the current year, with the understanding that an item will be included in the contract to pay the contractor the above-referenced amount of $4,282.40.

It is understood that all pertinent provisions of the original contract will remain in full force and effect, including the provisions of Article 3, which state, in effect, that the department reserves the right to increase or diminish the quantities in any of the items, provided that the sum of all said items does not exceed 25 per cent of the total of the original proposal.

In this instance, the original proposal, in my opinion, is $45,583.35, which represents the contract sum less the $4,282.40, which is the value of the work previously done by Adams Asphalt Company, Inc. As stated hereinbefore, the work involved in the new contract, plus the work done by the Adams Company on the old contract, will not cost the city any more than if the original contractor had completed the contract in accordance with all terms, conditions, and unit prices of the original contract.

Respectfully yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

"MECHANICAL ENGINEERING WEEK" DECLARATION.

Three quarters of a century ago a few far-sighted leaders founded the American Society of Mechanical Engineers to promote "the arts and sciences connected with engineering and mechanical construction," to provide means for the mutual self-improvement of engineers, and to render greater service to mankind.

In years that have passed, the imagination, competence, and energy of the members of that society, individually and in association with others who have given freely of their time and resources, have borne fruit in the glorious record of such accomplishments as engineers are fitted by genius and experience to attain in the advancement of peace and the material welfare of the free world.

In 1955, the American Society of Mechanical Engineers is celebrating its Seventy-Fifth Anniversary by rededicating itself to the task of building our nation's engineering strength for greater service in the ever-widening fields of engineering application by truth and by service to enrich mankind; therefore,

I, JOHN B. HYNES, Mayor of the City of Boston, do hereby designate the week of June 20 as "Mechanical Engineering Week," to be appropriately recognized by the citizens of the City of Boston.

JOHN B. HYNES, *Mayor.*

GALA PROGRAM IN READINESS FOR MAYOR'S FIELD DAY.

(Continued from page 777.)

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Upon June 2 the Mayor approved a contract with lowest bidders for furnishing general clothing to the Boston City Hospital and Long Island Hospital. Awards were made to the lowest bidders meeting specifications at the prices checked on the accompanying tabulation. Only one bid was received on Item 11 but the bidder failed to enter a bid on the Auditor's copy of the proposal. Therefore, this item will be purchased in the open market at an approximate cost of $60. Approximate total amounts of awards were as follows:

Contract for: M. Hoffman & Co., Inc., $1,448.75, net.

Orders for: Barnet Zelmyer, doing business as Zelmar Mills, $703.70; Taylor, Symonds Company, $166.

Discount for these two companies is 2 per cent, time of payment.

Bids, opened May 16, were as follows:

REAL PROPERTY DEPARTMENT.

BOSTON, June 7, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

It was necessary to have specifications made for alterations in Room 43, fourth floor, City Hall, and three reputable contractors were invited to submit prices for the work entailed, which includes plastering, carpentry, painting, electrical work, etc., with the following results:

F. C. Dolan & Sons Company, $5,143; S. J. Hingston, $5,460; Paul J. Rogan Company, $5,680.

In view of the above, together with the knowledge that time is very essential, I believe that the best interests of the city is served by awarding this work to the low bidder, the F. C. Dolan & Sons Company, of 18 Aldworth street, Jamaica Plain, on a time and material basis, in a sum not to exceed $5,143, without the usual form of advertising. The Dolan Company enjoys an excellent reputation and has performed very good work for this department in the past.

Very truly yours,

GEORGE P. DONOVAN,
Assistant Commissioner.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Dooley Brothers, Inc., have been directed to perform the following extra work under the contract for bituminous concrete pavement in A street, dated October 21, 1954:

In existing backfilled trenches over lighting conduits, excavate earth to a depth of 6 inches, remove pavement for a distance of 6 inches on each side and place a 6-inch concrete mat flush with existing pavement. A 6-inch shoulder shall be provided around the perimeter of all openings to insure a bearing for the concrete mat on undisturbed soil. High early strength Portland cement shall be used in the concrete for the 6-inch mat. There is approximately 320 square yards of this work and the price is to be $5 per square yard. This work is to be done by use of a compressor and hand labor.

Estimated cost of extra work, $1,600.

—

POLICE DEPARTMENT ORDERS.

General Order No. 2,056.

The resignation of Patrolman Charles M. Parlon of the Traffic Division, having been presented, it is hereby accepted, to take effect on Monday, June 13, 1955, at 7.45 o'clock A.M., seven days' notice waived.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,057.

Patrolmen Vincent T. Clifford and Albert R. Fiore of Division 10 are commended and each is granted two days' additional vacation for meritorious police work performed on February 27, 1955.

While Patrolman Clifford was patrolling his route he observed a rear window broken in a building and upon investigation heard noises from within. At this time Patrolman Fiore was proceeding along the opposite side of the street and Patrolman Clifford signaled him for assistance, posting him at the rear while he covered the front entrance. Shortly thereafter, Patrolman Clifford captured at gun point a man leaving by the front door, while Patrolman Fiore took into custody another man attempting to make his escape through the broken window.

Investigation disclosed that these two men had forced their way into the building and broken open a safe containing several hundred dollars which they had divided between them. This money was recovered and a number of burglarious tools seized at the time.

Both of these men, one a former State Prison inmate, have received lengthy prison terms for breaking and entering and possession of burglarious tools.

The commissioner is pleased to recognize the alertness of these officers and the efficient manner in which they operated to bring about the apprehension of these criminals.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,058.

The resignation of Patrolman Frederick J. O'Brien of Division 16, having been presented, it is hereby accepted, to take effect Thursday, June 16, 1955, at 7.45 o'clock A.M., seven days' notice waived.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

MUNICIPAL BOND PROPOSALS.

State and municipal bond proposals reported during June as approved by 239 municipalities in 31 states and Alaska totaled $173,811,935, as compared with $113,704,950 for June, 1953, the Bond Buyer reports . . . Jones Beach Parkway Authority in New York has been ordered to show cause why the 10-cent toll on the portion of the Southern State Parkway now completed should not be discontinued. Basis of the suit, it is said, is a claim that all of the highway must be completed before any tolls can be collected.

RESOLUTIONS, STATION WGBH, TV CHANNEL TWO

Miss Fitzgerald offered the following preamble and resolutions:

WHEREAS, President Conant of Harvard invited Ralph Lowell to lunch in 1946 to talk about the part radio might play in education; and

WHEREAS, A great, great, great granduncle of Ralph Lowell by will left half of his fortune to found Lowell Institute to further the education of the people of Boston; and

WHEREAS, The will specified that there should always be one trustee named Lowell, descended from a common grandfather, so that the principal might grow and grow; and

WHEREAS, None of the money should be put into bricks and mortar; and

WHEREAS, This sum has grown to $3,000,000, and the presidents of Boston College, Boston University, Massachusetts Institute of Technology, Northeastern, and Harvard University help to form the Lowell Broadcasting Company; and

WHEREAS, From a modest budget this great educational institution is about to venture upon great deeds in the field of education; therefore, be it

RESOLVED, That the School Committee of the City of Boston extends to the sponsors of this television station its best wishes for a prosperous and successful venture in the field of education on Channel Two; and be it further

RESOLVED, That the Secretary be directed to send a copy of these resolutions to Station WGBH, Boston, Massachusetts.

On roll call the preamble and resolutions were adopted by the following vote:

Chairman: I think that the establishment of such a station will afford the public schools an excellent opportunity to interpret the work that they are doing day by day in a more efficient manner to the public of the City of Boston and the State of Massachusetts, and I think we do need such interpretation.

Mr. Musco: I think the job would only be half done if a station such as this is placed in operation and our Boston School System is lacking in provisions for the reception of programs. I wonder if we should not ask the Superintendent to make a study in which we might insert many pieces of equipment and have sets within our system to take advantage of these during the school day.

Chairman: I think that is a wonderful idea.

Superintendent: Do you mean for the budget of 1956?

Mr. Musco: Yes, even to start an experimental program or a pilot program in one of our schools on different levels, such as elementary, junior high, and senior high school levels, so that we can utilize these programs as they come through. Then, in the course of a year, we may be, and probably will be partial to installing TV sets in all of our schools.

Superintendent: I will be glad to.

Mr. Lee: This is simply a study?

Chairman: A study by the Superintendent of the possibility of putting television receivers in some of the classrooms.

Mr. Lee: May I ask Mr. Musco: Won't that give the kids the idea that they ought to have television at home?

Chairman: I think, Mr. Lee, they already have the idea.

Mr. Lee: I hope not.

Mr. Musco: Inasmuch as most of our schools have audio-visual aid, such as a 16 mm. sound projector or a 35 mm. slide projector, and certainly all of the classrooms have teachers, we would just like to bring the thrill and the use of television reception right into the classroom.

Chairman: Mr. Lee, I think we are continually complaining that there is not enough education in television programs, and here is a station which is going to begin its life with entire devotion to educational subjects, I think it is something we ought to encourage.

If children are going to watch television anyway, they might be encouraged to watch educational programs more frequently by being exposed to them.

Mr. Lee: I am not opposing your motion, you understand. My question was, that when you get kids used to television in classrooms, then they want to look at television at home where there are no selected programs. That is, educational programs may be available or not. I don't know the details, but a child can easily turn to a program put on by some thoroughly unedifying person which takes away from the child his normal chance to grow up in a normal way.

I think the easiest solution to television—and we read about so many controversies on the subject—is not to have children look at television at all. They stand to gain more by not looking at it than by looking at the present programs which I hear sharply criticized.

Mr. Musco: Then we become retrogressive instead of progressive, and I think Boston ought to start taking a step forward and go ahead and be the one to lead such a program and not the one to follow.

Chairman: I think that Mr. Musco is just requesting the Superintendent to make a study of this question, and the Superintendent could come to us with his suggestions.

Mr. Lee: Is the Superintendent to make the study bearing in mind my thoughts in the matter? I don't have a television set myself, but I have been told that the programs are very retrogressive and would lead people into salaciousness and depravity. I may be completely wrong, but I have seen reams and reams of discussion in magazines just to that effect.

So, just take into consideration the different views. At least I would appreciate that.

Mr. Musco: We have different points of opinion.

Madam Chairman, I can see twenty years from now that I as a great-grandfather will see every classroom with a television set.

Mr. Lee: I also add that even if a program is good, I don't believe the child's time is as well spent in front of that program at home as if he was either outdoors playing or learning a musical instrument or reading books whose worth to him has been attested by the ages. I don't see that it fills any need that cannot be much better filled by other means even if it is a good program, and I am told that many of the programs are prepared by persons of very low conceptions of what human nature and existence are.

Chairman: I think, Mr. Lee, the Superintendent will have your remarks in mind when he makes the study.

Superintendent: I will be glad to.

SEWERAGE WORKS IN WEST ROXBURY.

The Public Improvement Commission has ordered that sewerage works be constructed as follows:

A parcel of land, owners unknown, being the private way known as Hazelmere road, bounded:

Westerly by the public portion of Hazelmere road, forty feet; northerly by the northerly line of Hazelmere road, one hundred thirty feet; easterly by another portion of Hazelmere road, forty feet; southerly by the southerly line of Hazelmere road, one hundred thirty feet; containing 5,200 square feet, more or less.

The sewerage works to be constructed are as follows: 220 linear feet of 10-inch pipe sewer; 170 linear feet of 10-inch pipe surface drain; and 1 catch basin, at an estimated cost of $3,100.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of Hazelmere road, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore referred to and on file in the office of said department.

Parcel.		Amount.
1.	Walter R. and Kathryn Walsh.....	$330
2.	Owen F. Oakes.....	330
3.	Warren F. and Elizabeth K. Hall....	330
4.	Frank L. and Marjorie A. Walsh....	330
	Total	$1,320

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement, consisting of the taking of an easement for sewerage purposes and the construction of sewerage works in Hazelmere road, West Roxbury district, under the order of the commission of June 8, 1955, and awards no damages therefor.

Owners unknown (Hazelmere road), 5,200 square feet, nothing.

LAND-TAKING IN EAST BOSTON.

The Public Improvement Commission has ordered that public necessity requires the taking of a parcel of land, for school purposes, situated in East Boston and bounded as follows:

Northerly by Faywood avenue; easterly by land supposed to belong to John L. M. and Catherine Fournier and Ovide F. Cellat; southerly by Montmorenci avenue; and westerly by land supposed to belong to Michael A. Flamnia and Michael and Antoinette A. Faretra; containing 69,281 square feet, more or less; substantially as shown on a plan in the office of this commission, that it intends to pass an order for making said taking, and that it appoints 10 o'clock A.M. of March 23, 1955, and the office of this commission, 401 City Hall Annex, as the time and place for a public hearing in the matter.

A true copy of an order passed by said commission on said day.

Attest:

MICHAEL J. CORRAO,
Secretary.

IN PUBLIC IMPROVEMENT COMMISSION,
CITY OF BOSTON, JUNE 8, 1955.

Whereas, The Public Improvement Commission has passed the aforesaid order of notice and has caused a copy of said order to be published March 11, 12, 14, and 15, 1955, in the Boston *Post* and the Boston *Herald,* and March 12, 1955, in the *City Record,* and has given the public hearing, notice of which was given in said order; and

Whereas, The Department of School Buildings of the City of Boston, with the approval of the Mayor, has selected, designated, and requested the Public Improvement Commission of said city to take for said city, for Department of School Buildings purposes, the land hereinafter described, in that part of Boston formerly East Boston, it is

Voted, That the Public Improvement Commission of said City of Boston, acting under the provisions of chapter 486 of the Acts of the Legislature of 1909 and chapter 79 of the General Laws and all other authority thereto enabling, hereby takes in fee for said city, for school purposes, the following-described parcels of land, including the trees, buildings, and other structures standing upon or affixed thereto:

CITIES GENERALLY DO NOT CONTROL PRIVATE PARKING RATES.

Review of numerous ordinances and other materials by AMA for a member league shows that cities do not generally exercise any control over rates charged for parking. Supply and demand seems to furnish the regulation needed. Generally, however, applications for a parking lot or garage license require that rates charged be set forth in the application, that rates be posted conspicuously at the entrance to the lot, and that rates cannot be changed without official written notice to the municipality.

PROPOSALS FOR LAYING AND RELAYING WATER PIPES IN

Bradlee Street, Ward 18; Collins Street, Ward 18; Navaree Street, Ward 18; Stony Brook Easement, Ward 18;

—and—

Such Additional Locations, If Any, in Ward 18, As May Be Designated by the Commissioner of Public Works.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for laying and relaying water pipes in Bradlee street, etc. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Laying and Relaying Water Pipes in Bradlee Street, etc.," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, JULY 7, 1955, with a certified check for TWELVE HUNDRED (1,200) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

EMERGENCY REPAIRS TO CITY HOSPITAL HEATING AND POWER PLANTS NEEDED IMMEDIATELY TO PREVENT POSSIBLE DISASTER AFFECTING PATIENTS AND EMPLOYEE STAFF, PRESIDENT RICHARD J. CONDON, OF BOARD OF TRUSTEES, TELLS MAYOR HYNES — COSTS MAY REACH $137,000.

Following is a letter sent to his Honor the Mayor from Richard J. Condon, President of the Board of Trustees of the Boston City Hospital:

DEAR MR. MAYOR:

The power plant and steam distribution system at Boston City Hospital need immediate and extensive repairs. The nature of the situation and the character of the work involved constitute a real emergency. The necessary work must be started at the earliest possible date in order to make the hospital's plant secure before the return of eold weather.

REPORT OF DENNIS C. HALEY, SUPERINTENDENT OF SCHOOLS, ON ATTENDANCE AT MEETING OF SUPERINTENDENTS IN CITIES WITH POPULATION OVER 200,000, IN WASHINGTON, APRIL 19 TO 23, 1955, INCLUSIVE.

The following is the report of attendance of Superintendent Dennis C. Haley at convention in Washington:

Superintendent Dennis C. Haley represented the Boston public schools at the annual spring meeting of the superintendents of schools in cities with population over 200,000, held in Washington, D.C., April 19 to 23, 1955. Fifty-six cities were represented. Major topics of the conferenee were Finance and Costs; Buildings; Administration; Desegregation and Integration; Curriculum; Personnel; and Public Relations.

With constantly increasing enrollments causing critical problems in school housing throughout the nation, matters concerning new construction and modernization received careful attention. For the extensive building programs now in effect in all cities, over-all average cost of new construction was found to be approxi-

MAYOR JOHN B. HYNES SEEKS $3,500,000 IN LOAN ORDER BEFORE CITY COUNCIL FOR APPROPRIATIONS ALLOCATED FOR SCHOOL COMMITTEE AND HOSPITAL DEPARTMENT — TO BE A SELF-LIQUIDATING LOAN PLEDGED AGAINST RECEIPTS FROM SALE OF TAX TITLE PROPERTIES — ASKS QUICK ACTION TO SPEED ANNOUNCEMENT OF TAX RATE FOR THIS YEAR WITHIN NEXT TWO WEEKS.

On Monday, June 27, Mayor John B. Hynes submitted the following to the City Council:

To the City Council.

GENTLEMEN:

I submit herewith a loan order in the amount of $3,500,000, to be allocated to appropriations already made for the School Committee and the Hospital Department.

This loan order is authorized, as described in the accompanying letter of the City Auditor, by chapter 49 of the Acts of 1933, as amended by chapter 262 of the Acts of 1955. This is a self-liquidating loan pledged against the receipts from the sale of tax title properties.

In order that the tax rate for the City of Boston may be declared within the next two weeks, I most earnestly request that your Honorable Body give one reading at today's meeting to the attached order, and the second reading fourteen days hence. Passage of this order will not only hasten the declaration of the tax rate, but will also make it possible to keep any increase in the tax rate to a moderate amount.

Respectfully,
JOHN B. HYNES, *Mayor.*

—

AUDITING DEPARTMENT.
BOSTON, June 27, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

Under the provisions of chapter 49 of the Acts of 1933, as most recently amended by chapter 262 of the Acts of 1955, municipalities are authorized, with the approval of the State Emergency Finance Board, to borrow from the Commonwealth, for ordinary maintenance expenses and revenue loans, an amount not exceeding in the aggregate the total amount represented by tax titles taken or purchased by such city or town and held by it.

Since the enactment of the original legislation in 1933, the City of Boston has taken advantage of its provisions and converted a "frozen asset," represented by the amounts due on tax titles and tax possessions, into an immediately available cash resource on twenty-one occasions by negotiating loans with the Commonwealth totaling in the aggregate the sum of $29,614,500. The following table indicates the year and amount of the loans:

Year.	Amount.	Year.	Amount.
1934	$3,800,000	1939	$3,500,000
1935	3,000,000	1940	2,000,000
1936	7,000,000	1941	1,500,000
1937	3,814,500		
1938	5,000,000		$29,614,500

Information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments of streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the making of specific repairs in public streets; the naming of public streets, including the use of public ways for location of conduits, poles and posts for telephone, telegraph, street railways, coal holes, and vaults, may be secured from the Public Improvement Commission, Room 403, City Hall Annex.

TO THE BOSTON TRAFFIC COMMISSION, 112 Southampton street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads, and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting, and repairing of streets, the construction and care of sewers and catch-basins, the operation of Sumner Tunnel, the maintenance of bridges and draw-bridges, and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Haymarket Square, for information relative to the inspection of milk, vinegar, meat, fish, and vegetables, the issuance of permits for stables, slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth Avenue, Back Bay Fens, Marine Park, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mount Hope, Evergreen, Fairview, and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 28 Norman street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, ROOM 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal, or tearing down buildings.

TO THE ELECTRICAL INSPECTION DIVISION OF THE BUILDING DEPARTMENT, 1001 City Hall Annex, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division; also for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MAYOR SEEKS $3,500,000 LOAN FOR APPROPRIATIONS ALLOCATED FOR SCHOOL COMMITTEE AND HOSPITAL DEPARTMENT.

(*Continued from page 805.*)

The statute provides that the term of the loan shall be one year, with provision for renewal from time to time. The loan is liquidated by the monthly payment to the Commonwealth of tax title and tax possession receipts. The first loan negotiated was issued on November 1, 1934, in the amount of $3,800,000, bearing an interest rate of 4½ per cent, and was renewed on November 1, 1935, in the amount of $1,173,776.04, bearing an interest rate of 4½ per cent. The second loan was issued on June 18, 1935, in the amount of $2,000,000, bearing an interest rate of 4½ per cent, and was renewed in the amount of $925,083.42 on June 18, 1936, at the same interest rate of 2½ per cent.

The third loan was issued on October 1, 1935, in the amount of $1,000,000, bearing an interest rate of 2½ per cent, and was renewed on October 1, 1936, at a rate of 1 per cent. All subsequent loans and renewals had an interest rate of 1 per cent. The statute also provides that any excess of the amount of interest received by the Commonwealth over the cost to the Commonwealth for interest on money borrowed to provide the funds for the tax title loans be refunded to the city. Because of this provision the city received substantial refunds of interest paid, as the result of which the net cost to the city was at an average interest rate of less than 1 per cent.

Completely aware as we all are of the tremendous effect and influence of the tax rate on the economic and business life of the city, I submit for your consideration that the City of Boston again take advantage of this statute and negotiate with the Commonwealth for the issuance of a tax title loan in the amount of $3,500,000, to be used for ordinary maintenance expenses.

According to the records of this department, tax titles held by the City of Boston as of May 31, 1955, amounted to $3,657,953.66, and tax possessions held as of the same date amounted to $1,975,120.57. Under the provisions of the statute it is necessary for the City Treasurer to petition the Emergency Finance Board for authority to make a loan of this character.

In the event that you approve of this recommendation, I suggest that a message and order be sent immediately to the City Council for consideration. Prompt action is necessary, since the order will require two readings and votes by the Council, after which it must be referred to the Emergency Finance Board of the Commonwealth for its approval. At least three weeks will elapse before the order is fully effective, and, as this will be a factor in the determination of the tax rate, the necessity for immediate action must be evident.

Very truly yours,

JOSEPH P. LALLY, *City Auditor.*

EMERGENCY REPAIRS TO CITY HOSPITAL HEATING PLANT.

(*Continued from page 805.*)

The hospital is completely dependent upon the power plant for steam for cooking, heating, laundry and sterilization procedures, and for the production of most of the electricity required for necessary services for patients. Any prolonged shut down of the power plant would be a major catastrophe and would completely disrupt the facilities necessary for the care of the hundreds of patients within the hospital.

The six high pressure steam boilers are all more than 20 years old. Most of the valves, piping, traps, pumps, and other portions of the steam distribution system are considerably older. Repairs have been made at various times to various portions of the plant. Boilers, chimney, several condensate pumps, turbines and generators have had major repairs in recent years.

THOROUGH STUDY.

The trustees have realized the necessity for a thorough engineering study of the entire power plant and for an extensive repair and modernization program. Funds have been requested for these studies and for the work accumulated as the result of deferred maintenance over a period of many years. Funds have been requested in recent months in three categories—in the regular budget for the current year, in the extraordinary repair loan, and in the supplemental budget for the current year. These funds have now become available.

Contracts have been let for certain necessary turbine and generator repairs to be made this summer. Various valves have been replaced and a number of urgent welding and other repairs were made during the fall and winter and continued into this spring.

On March 16, 1955, a major power plant failure occurred. An extremely serious prolonged shut down of the plant was narrowly averted. An emergency contract was awarded to P. J. Riley & Co. of Boston to install an emergency water feed line to the boilers to cope with the immediate problem. An intensive and detailed study of the entire problem was immediately undertaken. With the completion of the boiler feed line an additional emergency contract was awarded to P. J. Riley & Co. to make immediate repairs to steam lines and valves connecting the boilers with the power plant. This work has recently been completed.

The trustees have personally inspected the plant and have studied the problem at length. At various times the Director of Administrative Services, the City Auditor, and representatives of the Boston Finance Commission have inspected the plant and discussed the various problems with Dr. Conlin and with the Plant Superintendent and the hospital's consulting engineer.

On May 27, 1955, the trustees voted to engage the services of Jackson and Moreland, engineers, Boston, to inspect the plant and to report and make recommendations concerning the best means of handling the problems involved.

Reports have been received from Jackson and Moreland in writing and at various conferences with the hospital's administration. Representatives of the firm met with the trustees on June 23, 1955. It is their opinion as it is unanimously of the trustees, the hospital superintendent and plant superintendent, that the extensive program involved must be started at the earliest possible date.

Jackson and Moreland have reported, in part, as follows: "A complete power plant failure of serious duration such as was narrowly averted in March of this year, would certainly cripple the hospital and might well result in a tragedy of major proportions. In our judgment the present condition of the power plant makes the possibility of such a failure very real. . . . Flow diagrams and piping drawings of the plant are not available. . . . Alternate routes by which steam may reach important equipment or users have not been provided, jeopardizing the reliability of these facilities. . . . We do not believe that the hospital can afford to gamble on a power plant failure during the four to five months additional time required for procurement of a contract by competitive bidding. We recommend, therefore, that you proceed to negotiate a cost-plus fee contract for the work, without competitive bidding. This procedure, we feel, is fully justified by both the emergency nature of the situation and the character of the work."

DELAY TO BE AVOIDED.

For most of the work definite specifications cannot be prepared until various portions of the system have been dismantled and inspected. This procedure, under proper supervision, is the most economical way of handling the problem. The trustees agree completely that the prolonged delay involved in the usual procedures for a contract by competitive bidding must be avoided in order to get the necessary work rapidly under way and completed as far as possible before the increased demands made upon the plant by the return of cold weather.

The various categories of work include repairs to and replacements of portions of the fuel system, its tanks, lines, pumps and burners, minor repairs to the boilers, the water system, the steam system, both high and low pressure, including mains, valves, separators, traps, exhausts, returns and insulation, and repairs to various pumps, pumping facilities and other elements of the distribution system.

The trustees will assign a clerk of the works to the project. Jackson and Moreland have agreed to furnish a qualified resident engineer and to furnish certain other services connected with supervision of the proposed emergency repairs and replacements if such services are requested. Jackson and Moreland were further requested to furnish the trustees with the names of Boston steamfitting contractors regarded as reliable and competent to undertake work of the type involved.

The trustees voted on June 23, 1955, to request your Honor's permission to enter upon a contract, without advertising, with Jackson and Moreland, engineers, 600 Park Square Building, Boston, to furnish a properly qualified resident engineer and to furnish certain other planning and supervisory services in connection with the emergency repairs and replacements to the power plant and steam distribution system at Boston City Hospital.

After careful consideration of all information available concerning the list of contracting firms submitted by Jackson and Moreland, the trustees voted on June 23, 1955, to request your Honor's permission to dispense with public advertising and to award a cost-plus fee contract for emergency repairs and replacements to the power plant and steam distribution system at Boston City Hospital to the firm of P. J. Riley & Co., 295 Highland street, Roxbury, in an amount not to exceed $137,000.

It is felt that these unanimously voted proposals have been exhaustively studied and that they are necessary and urgent in view of a present emergency situation directly affecting the welfare and care of patients in the hospital. Your Honor's approval of these actions of the trustees is respectfully requested, and it is asked that the various municipal agencies concerned make every effort to expedite procedures necessary to get the proposed work promptly under way.

Respectfully yours,

RICHARD J. CONDON,
President, Board of Trustees.

REPORT OF DENNIS HALEY, SUPERINTENDENT OF SCHOOLS.

(Continued from page 805.)

mately $1 per cubic foot. Various means of lowering costs and effecting greater utilization of space were recommended. Among these were the use of cinder blocks for interior walls, use of cement foundation slabs where feasible, and reduction of amount of corridor space. It was also evident that greater variety in architectural style of school buildings will result from the growing practice of adapting each building to its available site.

Plans for evacuation of pupils in event of enemy attack were found to be handled quite differently in various cities. Some cities plan to send pupils home immediately upon receiving the alert; others are ready to move pupils to prearranged locations in order that parents may know exactly where their children are and call for them as soon as conditions permit. In one city Parent-Teacher Association groups have formed car pools to move children from schools to designated safety areas. It was agreed, however, that all plans must be flexible, and "fall-out" must be considered. The issuance of identification tags to pupils of three cities has proved to be impractical because of losses and exchanges.

The enrichment and the adaptation of maintenance of educational TV stations was considered with particular reference to costs and programming. Five cities now operate such stations at initial cost of about $500,000 per station and an annual operating budget of nearly $200,000. One city buys service at $130 per hour, and operates five hours per week. Other stations are on the air up to six hours daily.

The majority of cities reported a decline in vandalism and juvenile delinquency. Some reasons attributed were less publicity on juvenile misdeeds, a change in public attitude, and greater firmness by the courts. Superintendents reported increased attention to the emotionally disturbed child, and several cities—notably Philadelphia—described a case method approach which has been very successful. Most cities now have at least one psychiatrist on a part-time or full-time basis.

The enrichment and the adaptation of the curriculum to meet most effectively the changing needs of pupils was stressed. Twenty-three cities now release teachers from regular class assignments during part of the school year or employ them at extra salary during summer months to work on curriculum revision. Reading clinics are now being conducted in 14 cities, as a result of the growing conviction among educators that reading should be emphasized throughout the entire school course. Because of the great shortage of science students in colleges, several cities are expanding science courses and activities in high schools. Foreign languages are now being taught in eleven cities, beginning at the fifth grade level. An increasing number of cities have introduced effective and acceptable courses about religion.

In addition to these high lights, the conference agenda offered opportunity for rewarding discussions concerning such subjects as the Salk Polio Vaccine Inoculation Program; recruitment of teachers; salaries, pensions, sick leaves, and superannuation; and matters of supervision.

At this conference school superintendents from our major cities again revealed great skill and efficiency in meeting the many pressing problems and demands which face all public school administrators today. They also demonstrated to our people that our public schools continue to provide vital and dynamic leadership in preparing our youth for satisfying and productive lives in accord with the highest traditions of our democratic society.

Respectfully submitted,

DENNIS C. HALEY,
Superintendent of Public Schools.

PUBLIC ALLEY DISCONTINUED.

The Public Improvement Commission has ordered that a public improvement be made consisting of the discontinuance of Public Alley No. 104, Boston Proper, as a public highway, from Commercial street to North street, bounded and described as follows:

The highway named Public Alley No. 104 is hereby discontinued as a public highway, from Commercial street to North street.

Said Public Alley No. 104 as hereby discontinued is bounded:

Easterly by Commercial street, ten and 70-100 feet; northerly by the northerly line of Public Alley No. 104, by two measurements, fifty-four and 35-100 feet and sixty-three and 70-100 feet; westerly by North street, twelve and 67-100 feet, and southerly by the southerly line of Public Alley No. 104, sixty-three and 68-100 feet; easterly by the easterly line of said Public Alley No. 104, two and 67-100 feet; southerly by the southerly line of said Public Alley No. 104, fifty-eight and 19-100 feet.

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement consisting of the discontinuance of Public Alley No. 104, Boston Proper, from Commercial street to North street, under the order of the commission of June 22, 1955, and awards no damages therefor.

REPAIRS ON BEACON STREET, BRIGHTON.

The Public Improvement Commission has approved the following:

Voted, That this commission, having passed the order of notice, relating to the public improvement, hereinafter described, and having caused a copy of said order to be published March 11, 12, 14, 15, 1955, in the Boston *Post* and Boston *Herald*, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public necessity and convenience require, does hereby order that specific repairs be made in Beacon street, Brighton district, consisting of the reduction in width of the northwesterly sidewalk from Ayr road approximately 300 feet southwesterly, as shown on a plan marked "City of Boston, Beacon Street, Brighton, June 8, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of the Survey Division of the Public Works Department.

CHELSEA STREET BRIDGE CLOSED.

Public Works Commissioner George G. Hyland has announced that vessels will not be permitted to pass through the Chelsea Street Bridge, over Chelsea River, between East Boston and Chelsea, from 8 o'clock Thursday morning, June 30, until 4 o'clock on Friday afternoon, July 1. Some very necessary repairs and adjustments, now in progress, require this action to be taken, but during these hours vehicles and pedestrians may cross the bridge without interference.

A second phase of the work will require the diversion of vehicles and pedestrians on Sunday, July 3, from 5 o'clock in the morning until 1 o'clock in the afternoon, for which appropriate detour signs will be placed, the commissioner stated.

CLAIM ALLOWED.

Upon recommendation of the Corporation Counsel, the Mayor has approved the following claim:

David J. Driscoll, 99 Francis street, Roxbury, to be reimbursed in the sum of $95.75, as a result of an accident which occurred on December 27, 1954, when a motor vehicle belonging to the Police Department, which he was operating, collided with an automobile owned by John G. Dorels.

DEPARTMENT CHANGES.

The Director of Administrative Services has approved the following personnel changes:

BOSTON, June 15, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Attached is tabulation of bids received on proposals for furnishing soap to the various city departments, from July 1, 1955, to September 30, 1955, inclusive. These bids were publicly opened and read in this office on June 8, 1955.

Authority is requested to award Items 1 and 3 to the lowest bidders at the prices as indicated on the accompanying tabulation. Swift & Co. submitted the lowest bid on Items 2, 4, 5, and 6. Their bid was for acceptance within 10 days and therefore did not fully conform with the proposal which allows the city 30 days to accept a bid.

It is therefore requested that authority be granted me to reject all bids received on Items 2, 4, 5, and 6 and award a contract, without public advertisement, to Swift & Co. for these items at the prices as indicated on the accompanying tabulation.

Approximate total amounts of all awards will be as follows:

Contracts for: Swift & Co., $1,750.11, net; Beach Soap Company, $1,353, less 1 per cent, 10 days, net, 30 days.

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, June 8, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Boston City Hospital has conducted limited tests on Instant Maxwell House Coffee. These tests have indicated that the use of this coffee would be more economical than the regular coffee.

In order to determine this fact more definitely, the City Hospital is desirous of conducting more extensive tests. Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to General Foods Corporation for furnishing 3,900 packages (4½-ounce packages) at 78.85 cents a package, Instant Maxwell House Coffee to the Boston City Hospital, from July 1, to July 31, 1955.

Approximate total amount of contract will be $3,075.15, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

ELECTION DEPARTMENT.

BOSTON, June 15, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

The Board of Election Commissioners respectfully requests permission to award the contract for the transportation of voting machines within the City of Boston to P. A. Milan, Inc., 202 State street, Boston, the only bidder. The proposed contract sum is $17.85 for each voting machine transported.

May we point out P. A. Milan, Inc., has performed this work for the past five years. We respectfully request permission to award the contract to them for the year 1955.

Respectfully yours,

DAVID LASKER,
Chairman.

HOSPITAL DEPARTMENT.

BOSTON, June 8, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

We respectfully request your permission to dispense with publicly advertising for bids, and to award a contract to Westinghouse Electric Corporation, 10 High street, Boston, Mass., for furnishing all the labor and materials necessary for the complete repair and replacements to the 400-kilowatt engine-driven D.C. generator, power plant, Boston City Hospital, at a cost not to exceed the sum of $9,145.

There is a distinct advantage in having the Westinghouse Electric Corporation perform this work as they are the manufacturers of the generator, are thoroughly familiar with it, and have the necessary parts and labor available to complete the work in the least possible time.

The trustees are of the opinion, therefore, that nothing could be gained by publicly advertising for bids.

Respectfully yours,

BOARD OF TRUSTEES, HOSPITAL DEPARTMENT, AND BOSTON CITY HOSPITAL,
by RICHARD J. CONDON,
President.

BOSTON, June 8, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

We respectfully request your permission to dispense with publicly advertising for bids, and to award a contract to Westinghouse Electric Corporation, 10 High street, Boston, Mass., for the services of a service engineer and blader to supervise repairs on 600-kilowatt Turbogenerator, power plant, Boston City Hospital, at a cost not to exceed the sum of $2,500.

Because of the technical nature of the services required, and because of the fact that the rates for this type of work are standardized, the trustees are of the opinion that nothing could be gained by publicly advertising for bids.

Respectfully yours,

BOARD OF TRUSTEES, HOSPITAL DEPARTMENT, AND BOSTON CITY HOSPITAL,
by RICHARD J. CONDON,
President.

—

BOSTON, June 15, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

I respectfully request your permission to award a contract to James M. McCusker Company, 17 Chestnut avenue, Jamaica Plain, Mass., without publicly advertising for bids, for full architectural engineering services in connection with the completion of the out-patient laboratory.

The estimated cost of the proposed work is $6,000, and the engineer will be paid a fee which will be 10 per cent of the actual cost of this work.

In view of the professional nature of the services involved, it is felt that nothing would be gained by publicly advertising for bids.

Respectfully yours,

BOARD OF TRUSTEES, HOSPITAL DEPARTMENT, AND BOSTON CITY HOSPITAL,
by RICHARD J. CONDON,
President.

MAYOR'S OFFICE.

BOSTON, June 14, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

Authority is hereby requested to award contracts, without public advertisement in the *City Record*, for fireworks displays on July 4, 1955, to the following companies:

Providence Fireworks Company, Pearl Fireworks Company, Rockland Fireworks Company, Inc.

These displays will be given at the following locations and at the following contract sums:

Columbus Park, South Boston, and Smith Field, Brighton, at a total cost of $2,500, to the Providence Fireworks Company.

Boston Common, at a total cost of $2,500, to the Pearl Fireworks Company.

Jamaica Pond and Franklin Field, Dorchester, at a total cost of $2,500, to the Rockland Fireworks Company, Inc.

These companies have proved by their performances in the past years that they are able to execute these fireworks displays in a safe manner. They employ trained pyrotechnicians who are under the direct supervision of the managers of these three companies. These companies are covered by insurance for personal and public liability.

Inasmuch as the nature of the skilled service involved and the quality of goods necessary for proper and safe fireworks displays are such as would be extremely difficult, if not impossible to obtain through public bidding, it is felt that no advantage will be gained by publicly advertising for proposals.

Very truly yours,

JOHN D. BROWN,
Director of Public Celebrations.

—

BOSTON, June 14, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Your approval is respectfully requested to dispense with advertising and to award a contract to the J. L. Sullivan Company, of 1987 Dorchester avenue, Dorchester, Mass., for furnishing candy, viz., 109,000 cellophane-wrapped lollypops, of assorted flavors, for the children in the various sections of the city, in connection with the public celebration of Independence Day, in the total amount of $1,635.

This firm has satisfactorily performed this service for a number of years and inasmuch as the price of this commodity is relatively uniform, it is considered that no advantage would accrue to the city by publicly advertising for proposals for the same.

Respectfully yours,

JOHN D. BROWN,
Director of Public Celebrations.

—

BOSTON, June 14, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Your approval is respectfully requested for the award of a contract in the sum of $4,995.83, and without advertising, to H. P. Hood & Sons, 500 Rutherford avenue, Charlestown, Mass., for the furnishing of the following for the children in the various sections of the city, in connection with the public celebration of Independence Day:

9,083½ dozen Hoodsies at 55 cents per dozen, $4,995.83.

This firm has satisfactorily carried out similar commitments for this city for a considerable number of years and since the price for this commodity is uniform, it is felt that nothing would be gained by publicly inviting bids.

Respectfully yours,

JOHN D. BROWN,
Director of Public Celebrations.

—

BOSTON, June 20, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

It is the intention of the office of Public Celebrations to arrange by contract for the furnishing of music for public enjoyment on Boston Common during the month of July. After due deliberation, it has been decided, subject to your prior approval, to award contracts to the following band leaders for the dates specified below:

Alfred Bandera, July 11, 12, 13, 14, 15, 16.

Samuel Seiniger, July 18, 19, 20, 21, 22, 23.

Robert Hardy, July 25, 26, 27, 28, 29, 30.

Each of the above leaders will conduct an orchestra of twenty-five (25) men. The amount to be expended under each of the proposed contracts is one thousand three hundred seventy-five (1,375) dollars.

In view of the fact that securing the particular type and quality of service involved in performing the proposed contracts is not such as would necessarily be assured through the customary procedure of publicly advertising for proposals, your authorization is, therefore, requested to dispense with advertising in the awards of the subject contracts.

Respectfully yours,

JOHN D. BROWN,
Director of Public Celebrations.

REAL PROPERTY DEPARTMENT.

BOSTON, June 22, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Real Property Board proposes to engage the services of William Nelson Jacobs Associates, 438 Park Square Building, Boston, Mass., as architects-engineers, in connection with the proposed construction of an off-street parking facility at Hayward place, Harrison Avenue Extension, and Norfolk place, Boston.

The estimated cost of the proposed facility is approximately $1,250,000, and the architects-engineers shall be paid a standard fee equal to the sum of 5.83 per cent of the full amount of the cost of said construction, which fee would include supervision.

In view of the nature of the professional services involved, no benefit would be gained by advertising for bids, and it is respectfully requested that permission be given to award the contract to William Nelson Jacobs Associates without public advertising.

Respectfully submitted,

HERMAN CARP,
Commissioner.

WELFARE DEPARTMENT.

BOSTON, June 22, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

YOUR HONOR:

The Board of Overseers of the Public Welfare respectfully requests your permission to award a contract for a period of twelve months, from July 15, 1955, to Miss Katharine D. Hardwick for expert services as consultant to the board.

For the past year Miss Hardwick has served as consultant to the board and her services have been of inestimable value. Miss Hardwick has been actively engaged in social work for many years and her ability and reputation in the social work field is widely recognized.

The amount of the contract will not exceed five thousand forty (5,040) dollars for the twelve-month period. Due to the nature of the services to be performed, public advertising would not be advisable.

Sincerely yours,

JOSEPH K. COLLINS,
Chairman.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for an extension of time for the completion of the contract with Warner W. Walsh for interior and exterior painting at the Alexander Hamilton School, from June 30, 1955, to August 31, 1955. This extension was requested because of difficulty in securing suitable help and delay in obtaining materials due to trucking strike.

FIRE DEPARTMENT.

Quincy Shipbuilding and Repair Corporation has been granted an extension of time for repair to two fireboats, from July 1 to July 8, 1955.

PARKS AND RECREATION DEPARTMENT.

R and F Painting Company have been granted an extension of time until June 10, 1955, for the completion of the contract for painting concrete swimming pools at North End Park, Boston.

—

R and F Painting Company have been granted an extension of time until June 10, 1955, for the completion of the contract for painting concrete swimming pools at Ensign John J. Doherty Playground, Charlestown.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with John J. Botti, 1050 Adams street, Dorchester, for bituminous concrete sidewalks in Bellevue street and Neponset avenue, from July 1, 1955, to August 15, 1955. This extension was requested because the contractor was delayed by inclement weather in the early spring months.

ADDITIONS TO CONTRACT.

DEPARTMENT OF SCHOOL BUILDINGS.

R. Tweed & Son have been ordered to make the following addition to the contract for the Edward Everett School:

Paint, in accordance with the department specifications for interior painting, walls of the assembly hall, including all previously painted, varnished or stained surfaces of wood, metal or plaster (the stage is considered a part of the assembly hall) for the sum of $373, and the amount of $373 will be added therefor, making the account as follows: contract price, $1,493; total additions, $373; amount of contract, $1,866.

—

M. Solimando has been ordered to make the following addition to the contract for the Chapman School:

Point all joints on the two vent stacks above roof line, in accordance with the Department of School Buildings specifications. For this additional work, not called for in specifications, because work could not be ascertained until scaffolding was erected, the sum of $950 will be added, making the account as follows: contract price, $3,444; total additions, $950; amount of contract, $4,394.

OMIT AND SUBSTITUTE WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

John J. Botti has been directed to omit and substitute the following work under the contract for bituminous concrete sidewalks in Bellevue street and Neponset avenue, dated December 31, 1954:

Omit: Remove two trees, 12 inches to 24 inches in diameter, including stumps, etc., at $75 each, and remove five trees, diameter over 24 inches, including stumps, etc., at $150 each.

Substitute: Remove two trees, 12 inches to 24 inches in diameter, and cut stumps of same down to 4 inches below sidewalk grade, at $75 each. Also remove five trees, diameter over 24 inches, and cut stumps of same down to 4 inches below sidewalk grade, at $150 each.

Estimated cost of substituted work, $900.

Estimated cost of omitted work, $900.

—

J. A. Singarella Company has been directed to make the following omission and substitution under the contract for redecking and repairing the Summer Street Bridge, over A street, B street, and C street, dated April 27, 1955:

Omit: On the Summer Street Brdige, over C street, omit the work of removing the granite block roadway pavement, placing wire mesh reinforcement and new concrete under Items 1, 17, and 19, respectively, at an estimated decrease in cost to the city of $5,500.

Substitute: On the Summer Street Bridge, over the New York, New Haven & Hartford Railroad tracks, remove the existing bituminous concrete roadway surface on both roadways, approximately 5,500 square yards, at an agreed price of $1 per square yard, and place a new bituminous concrete roadway surface, approximately 610 tons, at the contract price of $10 per ton, under Item 22. Total estimated cost to the city of substituted work, $11,600.

Estimated increase in cost to city, $6,100.

TRANSFERS OF APPROPRIATIONS.

The Mayor has approved the following requests for transfers of appropriations:

—

That the amount of $75 be, and the same hereby is, awarded to Louise M. F. Nielsen for all damages sustained under the order of the Board of Street Commissioners and Mayor of June 4, 1953, for the laying out and construction of Crestway road, East Boston.

EXTENSION OF LAMARTINE STREET.

The Public Improvement Commission has ordered that a public improvement be made consisting of the laying out (without construction) of an extension of Lamartine street, Roxbury district, from Centre street to Heath street, over the way now known as Albert street, bounded and described as follows:

An extension of the highway named Lamartine street is hereby laid out as a public highway, from Centre street to Heath street (without construction).

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southwesterly by Centre street, one hundred fourteen and 93-100 feet; northwesterly by the northwesterly line of Lamartine street as hereby laid out, by seven measurements, thirty-three and 51-100 feet on a curve of thirty-eight and 99-100 feet radius, fifty-six and 27-100 feet, two hundred five and 25-100 feet on a curve of one thousand three hundred sixty and 18-100 feet radius, one hundred eleven and 12-100 feet, two hundred forty-six and 4-100 feet on a curve of one thousand six hundred thirty-three and 12-100 feet radius, one hundred twelve and 53-100 feet on a curve of three thousand two hundred thirty-three and 66-100 feet radius, and eight and 58-100 feet on a curve of ten feet radius; northeasterly by Heath street, sixty-five and 45-100 feet; southeasterly by the southeasterly line of Lamartine street as hereby laid out, two hundred fifty-seven and 27-100 feet on a curve of three thousand two hundred eighty and 36-100 feet radius; northeasterly by the northeasterly line of Lamartine street as hereby laid out, three and 30-100 feet; and southeasterly by the southeasterly line of Lamartine street as hereby laid out, by four measurements, twenty-eight and 61-100 feet on a curve of three thousand two hundred eighty-three and 66-100 feet radius, seventy-one and 7-100 feet, one hundred thirty-two and 29-100 feet on a curve of three thousand two hundred seventy-two and 66-100 feet radius, and one hundred eighty and 93-100 feet on a curve of three thousand two hundred twenty-five and 84-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out (without construction) of an extension of Lamartine street, Roxbury district, from Centre street to Heath street, under the order of the commission of June 15, 1955, and awards no damages therefor.

TUNNEL TRAFFIC IN MAY.

In the month of May, 1954, 1,031,226 vehicles used the Sumner Tunnel. This is the first time in the history of the tunnel that in excess of 1,000,000 vehicles used the facility in any one month.

In May of 1953, 979,920 vehicles went through the tunnel, or 51,306 less than May of this year.

PROCEEDINGS OF CITY COUNCIL.

Monday, June 13, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., Senior Member White in the chair. Absent, Councillor Hurley.

The Reverend William B. O'Connor, St. James Roman Catholic Church, Boston, was escorted to the rostrum.

INVOCATION BY REV. WILLIAM B. O'CONNOR.

We pray Thee, O God of might, wisdom, and justice, through Whom authority is rightfully administered, laws are enacted, and judgments decreed, assist with Thy holy spirit of counsel and fortitude the members of this Boston City Council, that their administration may be conducted with righteousness and be eminently useful to Thy people whom they represent.

Direct, O Lord, our actions by Thy holy inspiration be carried on by Thy gracious assistance that every deed and work of ours may begin always from Thee and by Thee be happily ended. Amen.

The meeting was opened with the salute to the Flag.

APPOINTMENT BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the appointment of Francis J. VonEuw, 33 Peak Hill road, West Roxbury, as weigher of goods, for the term ending April 30, 1956.

Referred to the Committee on Confirmations.

APPOINTMENT OF A CITIZENS' FISCAL SURVEY COMMITTEE.

The following was received:

City of Boston,
Office of the Mayor, June 13, 1955.

To the City Council.
Gentlemen:

With respect to the order adopted by your Honorable Body on May 9, 1955, recommending the appointment of a Citizens' Fiscal Survey Committee to make various studies relative to the City of Boston, may I make the following observations:

1. The Boston Citizens' Council, at the present time, has under consideration a number of proposals relating to the well-being of the community. This Council, as you perhaps know, has been most active in promoting and assisting in the seminars held at the Boston College School of Business Administration, and has been active in the furtherance of urban redevelopment and urban renewal in our city.

2. The Administrative Services Board, as required by ordinance, is making studies and recommendations with respect to the organization, activities, policies, and procedures of all city departments. This is a continuing study on matters pertinent to the administration of the city government.

3. The Mayor's Committee on Municipal Finance, in addition to the conduct of surveys of departmental operations, has under consideration the general subject of broadening the city's tax base and thus afford tax relief to the owners of real property.

It would appear, therefore, that the committee suggested in the order of your Honorable Body would be another committee superimposed upon the committees and agencies already at work. I do not believe it advisable, because of this situation to recommend the appropriation of funds for services which would, to some extent at least, overlap and duplicate efforts now being made in the same direction.

Respectfully,
J. B. HYNES, Mayor.

On motion of Councillor Piemonte, the foregoing message was referred to the Executive Committee.

OLD COLONY HOUSING DEVELOPMENT RENTALS.

The following was received:

City of Boston,
Office of the Mayor, June 13, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Chairman of the Boston Housing Authority relative to your order of May 23, 1955, concerning proposed rentals in the Old Colony Housing Development if this development is purchased.

Respectfully,
J. B. HYNES, Mayor.

Boston Housing Authority,
June 7, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Subject: City Council Order Dated May 23, 1955, on Proposed Rentals in Relocation Housing.

Dear Mayor Hynes:

This is in reply to the above-referenced City Council order.

The Authority cannot at this time make any definite statement as to rents in a relocation development such as that at Old Colony if the Authority is successful in obtaining it.

The chief factors in fixing rents are the purchase price, the rate of interest on borrowed money, the term of amortization, and the amount of the payment to the City of Boston in place of taxes. Since all of these factors are indeterminate now it is deemed best not to make any estimates until better information is available.

It is certain, however, that the average rent will be greater than that in low-rent developments since no subsidy is available on such housing, and therefore the rentals must cover all costs.

Very truly yours,
JAMES J. MAHAR, Chairman.

Coun. PIEMONTE moved that the message and communication be referred to the Executive Committee, and that the members of the Boston Housing Authority be requested to appear before the Executive Committee at 3 P.M. on Monday, June 27, 1955, and have available statistics showing occupancy of each housing unit and financial statistics concerning occupancy for past five years.

The motion was carried.

The message and communication were referred to the Executive Committee.

PUBLIC RELATIONS PROGRAM FOR BOSTON.

The following was received:

City of Boston,
Office of the Mayor, June 13, 1955.

To the City Council.
Gentlemen:

With respect to the several orders adopted by your Honorable Body calling for a public relations program for the City of Boston, let me first state that before the city might appropriate public funds for the purpose of advertising its resources, advantages, and attractions it must, under existing law, have in actual possession matching funds contributed by public subscription. In addition, the amount which may be appropriated in any one year is limited to $50,000.

In view of these statutory requirements, it is highly questionable whether a publicity campaign of this type suggested in the attached orders could be conducted with satisfactory results. Advertising confined to this area would accomplish little. To cover a large section of the country through newspapers, radio, and television would involve the expenditure far in excess of the amount at present authorized.

At the present time, the State Department of Commerce is engaged in a campaign to publicize on a country-wide basis the advantages of this area. While the emphasis is on the attractions of the state as a whole, nevertheless, Boston is a beneficiary of the campaign. In view of this fact, I question the wisdom of embarking on an overlapping effort.

Under my administration, the Mayor's office has always cooperated and worked with the agencies interested in advertising Boston and its advantages; and the programs initiated by these agencies have received and will receive the full cooperation and assistance which they deserve in furthering Boston's interests.

I am not out of sympathy with the desires of the City Council to publicize the advantages of the City of Boston. In every way possible, we are attempting to meet the spirit of the orders as adopted by your Honorable Body. I shall appreciate, from time to time, any further suggestions which may be made by your Body.

Respectfully,
J. B. HYNES, Mayor.

Placed on file.

Coun. PIEMONTE moved that the message be remanded to the Mayor with the request that Mr. Paul Hines confer with representatives of Boston Chamber of Commerce, the Boston Real Estate Board, and the Retail Trade Board with the view of getting firsthand from them whether they are willing to match by public subscription any amount the city might appropriate.

The motion was carried.

Proposals for Moving Wooden Building from 388 Albany Street to 624 Albany Street and Dismantling and Disposing of a Derrick and Derrick Machinery at 624 Albany Street.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for moving wooden building from 388 Albany street, etc. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Moving Wooden Building from 388 Albany Street, etc.," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, JULY 21, 1955, with a certified check for ONE HUNDRED (100) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 47 SATURDAY, JULY 9, 1955. NO. 28

"THE PERMANENT REVOLUTION"—ADDRESS DELIVERED BY HON. CLARE BOOTH LUCE, UNITED STATES AMBASSADOR TO THE REPUBLIC OF ITALY, AT THE INDEPENDENCE DAY EXERCISES IN FANEUIL HALL, JULY 4, 1955.

In her address Ambassador Luce spoke as follows:

Ladies and Gentlemen.

Today, in this historic Faneuil Hall, revered by all American patriots but especially beloved by Bostonians, we come together to commemorate the one hundred seventy-ninth anniversary of the signing of the Declaration of Independence.

You may guess with what emotion, with what a mingled sense of pride and humbleness, I speak to you today, in this place known throughout America as "The Cradle of Liberty."

I remember that, well over two centuries ago, Peter Faneuil, a Huguenot refugee from the political and religious intolerance of an old-world king, fled to Boston, that he prospered and was happy here, and that in gratitude he gave this hall to his townsfolk for a market place. Before the last brick had been laid, Peter Faneuil died. His eulogy was delivered at the first annual town meeting by the Master of the Boston Latin School, John Lovell. In concluding Lovell said, "What now remains, but my ardent wishes . . . that this Hall may be ever sacred to the interests of Truth, of Justice, of Loyalty, of Honor, of Liberty. . . . May Liberty always spread its joyful wings over this place! Liberty that opens men's hearts to beneficence and gives the relish to those who enjoy the effects of it."

Prime Duty Reaffirmation of Dedication.

And so it has been. Since that far-off day the walls of Faneuil Hall have echoed to the eloquent voices and the heroic footsteps of the greatest patriots in our history. Washington and Lafayette, Daniel Webster, Charles Sumner, Wendell Phillips — who made his greatest antislavery speech here — are but a few.

I, a daughter of New England and a child of Connecticut, presume to share this hour here with you only because I know that it behooves your speaker to say nothing original, nothing startling, nothing new. Yet I feel that a moment of beauty, ever old and ever new, is achieved whenever we make reaffirmation of our dedication to John Lovell's ideals — Truth, Justice, Loyalty, Honor, Liberty. Indeed, this reaffirmation is the prime duty of the glorious Fourth.

Rebellion—Not Revolution.

Today historians are accustomed to say that what began in 1776 was not properly a "revolution," but rather a colonial rebellion. The word "revolution" (they say) connotes the idea of destroying an old order and establishing a new order, after the fashion of what happened in the France of 1789 and in the Russia of 1917.

Certainly, this is not what happened in the America of 1776. The proof of this assertion lies in the latter section of the Declaration of Independence. Few people listen carefully to the reading of this section—a lengthy legal indictment of George III as a "tyrant." But this indictment makes it quite clear that the American colonial rebellion was staged in the name

CENTRAL MAILING UNITS TO BE LOCATED IN CITY HALL AND ANNEX TO CUT POSTAGE COSTS—SAVINGS OF $15,000 ANNUALLY ANTICIPATED.

Central mailing units are soon to be installed in City Hall and the Annex, aimed at saving a minimum of $15,000 annually, according to announcement of the Administrative Services Department, 50 City Hall. The announcement was made public in a communication sent to heads of all departments, which reads as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
BOSTON, June 27, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

With a view to controlling and reducing postage costs, which have been rising steadily during the past decade, considerable thought and study have been devoted by the Administrative Services Board to the advantages of installing central mailing units to handle the outgoing mail requirements of the City Hospital as well as all departments located in City Hall and the Annex.

It was found that the only efficient method to accomplish the control desired was to establish centralized operations in the matter of mailing. It is estimated that by so doing we can realize a savings in postage costs alone of from 10 to 15 per cent annually. Since departmental postage expenditures total annually in excess of $125,000, a minimum saving of $15,000 is antici-

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

HON. CLARE BOOTH LUCE DELIVERS FOURTH OF JULY ORATION AT FANEUIL HALL.

(Continued from page 829.)

not of a new order—but of an old order. It was staged in the name of that tradition of freedom and order whose repository was the British Constitution. It was the intention of the rebelling colonists to re-establish this old order and this venerable tradition by giving to their sustaining inner principles —which our Founding Fathers passionately believed to be *eternal* principles of justice under law and God—a newly vital political expression. Renovation, not innovation, was their purpose. To preserve and extend the political values of the past and the spiritual truths of Christianity, not to create new political values or new spiritual truths, was their clearly seen and clearly stated objective.

Arms for Vindication.

Our Founding Fathers took up arms to vindicate for themselves the traditional rights of Englishmen, guaranteed by long-standing laws.

These rights were in substance the rights of the Christian citizen who, because he is a Christian, knows his own personal dignity, and also knows the duty of society to a higher law — a law not made by earthly powers, but written by the Creator in the very nature of man.

The essential appeal made by the spokesmen of the American Revolution—most of them men trained in the common law of England — was to this tradition of a higher law, the law that they called "natural."

In this inviolable law they found the strong roots of all the personal freedoms that they cherished and claimed. In this natural law they also found the sanction for the order of social life that they sought to establish on the American continent. They fought for liberty indeed—for liberation from the yoke of a rule grown harsh and tyrannical, and therefore ungodly. The Declaration of Independence makes this clear. But this historic document makes it equally clear that the freedom for which our forebears fought was not the illusory autonomy of the eighteenth century continental rationalist who fancied himself to be free from all law because he had begun to fancy that man—every individual man—was a law unto himself.

The freedom of American society—so our Founding Fathers thought—was to be an ordered freedom, a freedom under God and under the law. The rights of the American citizen—so they likewise thought—were those rights which we call unalienable precisely because man is not endowed with them by other men, but by Him who is the author both of the individual man and of human society.

Conservative Doctrine.

This was the doctrine of the American Revolution. It was a conservative doctrine. But what it sought to conserve was an idea that is forever revolutionary: the idea that man can govern himself, under law.

The Founding Fathers themselves were quite aware of the revolutionary character of this idea. Liberty and self-government, George Washington said, are "*finally* staked on the experiment entrusted to the American people." That "grand scheme and design in Providence," John Adams called it. Lincoln, who in his own day called our form of government "the last best hope" of mankind, called the Revolution "the germ which has vegetated and still is to grow and expand into the universal liberty of mankind." Said Ralph Waldo Emerson, "The office of America is to liberate." Of the startling and beneficent results in human affairs that the doctrine of the Revolution could effect, every American President has been convinced. Every year of our history has committed us to the office, as Emerson called it, of liberation achieved by the spreading of our Revolutionary doctrine.

If this be true, then we must not shrink when we are told that our future task, our great historic task, is to continue the American Revolution, both by perfecting it here in America and also by helping other peoples to establish the universal principles of liberty in their own homelands. For our concept is universal—and applies to all mankind.

In this task all mankind is our potential ally. The desire for liberty is the eternal ferment in the affairs of men. The need for order is the eternal inner form that keeps this ferment from wasting itself in political turbulences that lead to bloody civil and international strife.

Desire for Freedom.

Throughout the world today the human desire for freedom from ancient tyrannies, exploitations, injustices, and inequalities is agitating peoples everywhere—especially colonial peoples. To help lead these peoples into the path toward true freedom, wherever our leadership can be made effective by example, by aid, by wise diplomacy, is today the supreme challenge to our statecraft.

The new colonialism that follows in the wake of tyrannical Soviet imperialism now threatens to engulf all of Asia as it has already engulfed great portions of Europe. It threatens to imprison behind the Iron Curtain more millions of people whose first hopes of liberty were stirred long ago by the world-encircling echoes of the voices that once reverberated in the rafters of Faneuil Hall. For they have seen, over the decades, these principles attract here men from many lands in search of freedom. They have seen these principles create here the happiest, strongest, richest, most productive nation that civilization has ever known.

Today, however, the principles have grown blurred in the minds of many—even unhappily of many Americans. The beneficent effects, the material effects, prosperity, productivity, economic progress, are now passionately coveted by those who have too long been denied them by old tyrannies. Communism has falsely promised the world's malcontents and dispossessed to achieve the new effects rapidly, without the old principles. The falseness of the Communist promise is now widely evident, but the power which Communism has gained by false promises is still a brutal fact in our world.

So today, in 1955, with the United States at the very apex of its power, the great drama of the American Revolution versus the Russian Revolution, the drama of freedom and order under God versus slavery and final chaos under the Kremlin, is inexorably moving to a climax.

Rich Prosperous Land.

Yes, ours is a rich and prosperous and happy land. Nevertheless, one dark and terrible thought tortures every mind and constricts every heart. Can the United States continue the revolution it began? Can we strongly and respectfully press our universal concept of liberty under law upon the world? Can we even safeguard our Revolutionary heritage within our own boundaries? *Can we do all this—short of war?*

We know what that war would be like. Atomic weapons would make vast cities, such as this fair city of Boston, "radioactive cemeteries." If, for want of vigilance, preparedness, or adequate military intelligence reports, we failed to apprise ourselves in advance of attack, an atomic Pearl Harbor launched by Russia could in a few short hours disrupt our organized national life. Twenty minutes after such an attack, America would never again in our lifetime be as strong as it had been twenty minutes before. Unbearable and unbelievable though the very thought may be, we must face the possibility that such an onslaught might bring to an end our privileged prosperity, and leave us living, or at best surviving, amidst the ruins—the ruins not only of our cities, but of the dreams for a free world that we have cherished for two centuries.

Still more unbearable for the Christian conscience to contemplate is the idea that we ourselves should ever launch such a war. No, we will not, must not, accept the idea that war is inevitable, or that only war can resolve this gigantic struggle between the freedom of men living under God in faith and the order of men existing under tyrants in fear.

What then? The temptation is great to avoid war by withdrawal from the struggle, by retirement into isolation, by appeasing. But we have resisted, and will resist, that temptation. We know that America was not made by cowards. We know that freedom is more precious than security. We know we will cease to be Americans if we cease trying to fulfill our historic destiny, which is to lead the world towards those ideals of Liberty so often propounded here in Faneuil Hall. And, this being so, we know we have no choice but to make those efforts—with all their consequent sacrifices—which alone have a chance to win victory with peace.

Our first duty is the duty imposed on us by George Washington—eternal vigilance in the conduct of our military affairs. This means the willingness of every able-bodied man to serve his country when called, and of every citizen to pay for what is needed to keep us strong on land, on water, and in the skies. Our second duty is to support, in unity, a bold and yet cautious foreign policy, activated by a generous and yet prudent diplomacy. And this means our willingness to be helpful and patient with our allies. Looking back, as we are today, for guidance from the great figures of our past, we can get it from Samuel Adams, whose statue stands in the square before this hall. Said Samuel Adams, when the question of the conquest of little nations by great ones was raised in his day: "Let Congress study what measures may be taken in common with the European nations, that national differences may be settled and determined without the necessity of war, in which the world has too long been deluged to the disgrace of human reason and government."

PEACE DIPLOMACY.

If our peace diplomacy is to succeed, such measures—cold war measures, as we have come to call them—of mutual aid and assistance to our allies and to those seeking to maintain their independence from Russia must be vigorously and generously pursued.

Here, speaking as a diplomat—a member of America's Foreign Service—I shall permit myself two reflections.

First, I believe that no foreign policy can ever be stronger than the Foreign Service charged with putting it into effect. If the American people want a good Foreign Service, made up of the highest type of dedicated men and women, they must cease being ungenerous and unduly critical toward their Foreign Service. They must begin to treat us with at least the affection and respect and generosity they show to other branches of their government.

Second, speaking specifically as your Ambassador to Italy, in asking for patience and generosity with our allies, I make a special plea for the young Italian Republic. Born only a decade ago, today it is still meeting enormous difficulties. There are the problems created by its own lack of natural resources; by its understandable want of experience with parliamentary democracy and a consequent factionalism; above all, by the existence of millions of Italians who vote for the Communists. We must remember that these misguided millions are the very examples of those whose right desires for a better and fuller life have been wrongly channeled by the false prophets of the new Soviet order. These Italians want the wrong thing—for their own worldly as well as spiritual salvation—when they want Communism. But, may God bless them and help to guide them still, they want it for the right reason—they want to be free of the old economic tyrannies that denied them equality of opportunity with others in their society.

America, which has been built and strengthened by immigrants from many lands, knows what fine citizens most Italians make when they come to our land, and to our free cities like Boston. Many more will be coming to our shores in the next year. Let me say in passing that, all news stories to the contrary, I think I can assure you that, as regards Italy at least, the President's Refugee Relief Act will fulfill its provisions. By December, 1956, we shall have issued to Italians every one of the visas permitted to us under the law.

ITALY EMERGING.

The shining fact is that postwar Italy is emerging as a vibrant and dynamic nation. In spite of all its internal difficulties it moves steadily forward to a sound recovery. And it continues firm in the framework of the great Western Alliance. Above all, it has stayed true to its Christian heritage. If we ourselves do not fail Italy, Italy will not fail us, or the West.

I shall conclude with one inspiriting thought. This time of supreme strain is an opportunity for new greatness. We have a rare heritage. We have unlimited spiritual resources on which to draw. Today, on our national birthday, we make newly vital contact with the treasures in our American tradition. Strengthened by a fresh sense of the inner meaning of our Revolutionary past, we face the future with confidence. Our spirit and our resolution today are not other than those expressed by George Washington and Abraham Lincoln, and echoed anew by President Eisenhower when he said at Evanston: "Now is a time when great things must again be dared in Faith. Let us dare again to dedicate our generation to the fairest dream mankind has ever known—the dream that moved us to found a nation under God in freedom."

This dream is still fair. But today it is broader. We do not cherish it for ourselves alone. We wish it realized in the wider world of a just and peaceful international community. Unto the task of this new realization let us pledge, as did our forbears, "our lives, our fortunes, and our sacred honor."

PLANS BEING FORMULATED TO CUT COSTS OF CITY MAILING.

(*Continued from page 829.*)

pated. The Post Office Department has found that approximately 4 per cent of the adhesive postage stamps sold are never used. The discontinuance of the use of government-stamped envelopes and the substitution therefor of commercially purchased envelopes will also effect savings. At the State House centralized mailing has been in operation for thirty-two years with a large degree of success, and it is believed that a similar procedure at the City Hospital and in the Hall and Annex would produce beneficial results.

The results of the Board's studies may be summarized by listing some of the advantages of a centralized mailing room:

a. Systematizes operations and avoids duplications and errors by combining into one unit scattered operations pertaining to one of the most important details of municipal management.

b. Centralizes this unit and brings it under the direction of individuals trained in up-to-date mailing procedures, so that all correspondence in both the Hall and Annex will receive the attention its importance demands.

c. Puts important details of mailing in charge of one person who is familiar with the rules and regulations of the Postal Service and equips himself to properly conduct this important unit.

d. Saves postage by placing the supply of postage in control of one responsible individual, making it possible to keep a proper accounting of all postage purchased.

e. Saves clerical work, as stenographers can devote their full time to correspondence if they are alleviated of the detail of despatching it.

f. Avoids congestion by eliminating rush work in various departments at the close of business hours and staggers the mailings so that the day's correspondence is not received at the post office in one bulk mailing during the peak hours when congestion also prevails there.

g. Permits the economical use of modern labor-saving devices which each department concerned would not be justified in buying for their mail requirements alone.

The Administrative Services Board proposes, with your approval, to establish central mailing units at the City Hospital and in City Hall Annex in the Collecting Division of the Treasury Department. The Director of Hospitals is in favor of this action and already has plans for making space available for such a unit. With slight structural changes, space can be provided in the Collecting Division for the installation of modern mailing equipment, funds for the purchase of which are available in the Equipment Loan.

Respectfully submitted.

SUMMER ORGAN RECITALS AT FANEUIL HALL.

Mayor John B. Hynes has announced that daily, except Saturdays and Sundays, until Labor Day there will be a series of noonday organ recitals at Faneuil Hall, the city's most famous historic building, known throughout America as the "Cradle of Liberty." John C. Kiley, well-known concert artist, will be in charge of the program.

While the concerts are being planned primarily for the entertainment of the thousands of tourists from all sections of America who visit the Hall, the public is invited to attend. Mr. Kiley, who is a musician of note, is expected to present music of the "pops" and patriotic variety.

All of the concerts will be played on the electrical organ presented to the city two years ago by the Christmas Festival Committee and the Boston public school children.

Brought into play also during some of the concerts will be the rare spinet piano presented to the city recently by the Ancient and Honorable Artillery Company and the costly wall chimes presented by Chairman Harry J. Blake of the Christmas Festival Committee.

PUBLIC WORKS DEPARTMENT.

Upon June 28 the Mayor approved a contract with J. A. Susi & Sons, Inc., for bituminous concrete pavement in Pond street, Ward 19, for the estimated amount of $23,448.50. The work to be done under this contract is to be completed December 31, 1955. The following bids were received June 23:

J. A. Susi & Sons, Inc., $23,448.50; S. J. Tomasello Corporation, $23,713; Faletra Brothers, Inc., $25,969.50.

WELFARE DEPARTMENT.

Upon June 28 the Mayor approved the following correction of contract:

HON. JOHN B. HYNES,
Mayor of Boston.

SUBJECT: International Business Machines Corporation Contract.

DEAR SIR:

On March 29, 1955, your approval was received for this department to execute a contract with the International Business Machines Corporation for the lease of certain International Business Machines Corporation equipment.

In error, the "not to exceed" total cost of the contract for the year was quoted as "thirty-two thousand five hundred and five (32,505) dollars." The gross amount of the contract should have read "thirty-three thousand one hundred and five (33,105) dollars."

Permission is now requested to amend the original contract to reflect the proper figure.

Very truly yours,

WILLIAM F. LALLY,
Deputy Welfare Agent.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts for furnishing supplies, labor, etc. Communications from heads of the departments interested were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, June 23, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Sanatorium Division has submitted a requisition to this office for one (1) new 1955 Dodge station wagon to be delivered immediately.

Inasmuch as time is of the essence, informal requests for prices were solicited from several dealers. Three bids were received. Authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Westminster Motors, Inc., who was the lowest bidder on the informal written quotations. It is my opinion that by awarding the contract to this company the best interests of the city will be served.

Approximate total amount of contract will be as follows:

1955 Dodge, V8, four-door, three-seat, Sierra, with equipment as specified, $3,405.60, less allowance on 1949 station wagon, $1,206.20—$2,199, less recoverable tax on Sierra suburban, $185.75, net total, $2,013.25.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, June 27, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Fire Department has submitted a requisition for rope fenders for the fireboats, Engines 31 and 47.

Inasmuch as time is of the essence, informal written quotations were solicited from several companies. The following bids were received:

John F. Conroy, doing business as Atlantic Rope Company, $6,156.88, less one half of 1 per cent for payment in 10 days; Newton Awning Company, Inc., $6,460, net; R. C. Allen Company, $6,600, net.

Inasmuch as these fenders are needed immediately and since prices have been received from suppliers of this type of merchandise, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to John F. Conroy, doing business as Atlantic Rope Company, the lowest bidder on the informal requests for prices. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $6,156.88, less one half of 1 per cent for payment in 10 days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BOSTON, June 27, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Auditing Department for three Burroughs sensimatic accounting machines, Style F303, specials with control panel, set of journal bands and rear form chute assembly. This equipment can be purchased direct from the manufacturer, Burroughs Corporation. The following prices have been submitted by this company:

Three Burroughs sensimatic accounting machines, Style F303, specials, at $3,946 each, $11,838; one control panel, $150; one set journal bands, $12; one rear form chute assembly, $21—$12,021; less 10 per cent government discount, $1,202.10—$10,818.90; less credit on trade-in of three Burroughs accounting machines, Class 301700, No. 777570, No. 777571, No. 777572, $300—$10,518.90.

Inasmuch as this equipment will be purchased direct from the manufacturer, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Burroughs Corporation.

Approximate total amount of contract will be $10,518.90, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, June 27, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Public Works Department has submitted requisitions to this office for the immediate delivery of Worthington Gamon meter parts to the Water Division. These parts are manufactured only by Worthington-Gamon Meter Division, Worthington Corporation. Prices have been received from this company.

Inasmuch as the above company is the only manufacturer for the meter parts requested, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Worthington-Gamon Meter Division, Worthington Corporation, at the prices submitted on quotations numbered 9-460, 9-461, 9-462, 9-463, 9-464, and 9-465, which are on file in this office.

Approximate total amount of contract will be $5,551.80, net, f.o.b. Newark, New Jersey.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, June 28, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Auditing Department for payroll forms. These forms are patented and obtainable only from Moore Business Forms, Inc., 285 Columbus avenue, Boston.

The following price has been submitted by this company:

75,000 3-part Final and 10,000 3-part Preliminary at $42.28 per M.

Inasmuch as Moore Business Forms, Inc., is the only source of supply, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company for the forms requested at the above price. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $3,593.80, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, June 28, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On June 13, 1955, bids on proposals for furnishing one (1) South Bend lathe to Long Island Hospital were to be publicly opened and read in this office. However, no bids were received.

Packard Machinery Company, the only local distributor for South Bend lathes, has since submitted an informal written quotation. Inasmuch as Packard Machinery Company is the only local distributor for this type of equipment and since no bids were received in this office on the public advertisement, it is my opinion that readvertising for public bids would serve no purpose.

It is therefore requested that authority be granted me to dispense with publicly advertising for bids and award a contract, without public advertisement, to Packard Machinery Company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $1,916.40, less 2 per cent discount for payment within 10 days, net, 30 days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

Two Underwood Sundstrand Multiple Adding Machines, Model 10140P.

Two Underwood Sundstrand Printing Calculators, Model 10140PC.

These machines can be purchased direct from the manufacturer, Underwood Corporation, which has submitted the following prices:

Two adding machines at $375 each, $750; two printing calculators at $495 each, $990—$1,740—less 20 per cent discount, $348—$1,392; less trade-in on Sundstrand, 359937, $90—$1,302.

Inasmuch as these machines will be purchased direct from the manufacturer, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Underwood Corporation.

Approximate total amount of contract will be $1,302, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEPARTMENT OF SCHOOL BUILDINGS.

BOSTON, June 24, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

SUBJECT: Jamaica Plain High School.

DEAR MR. MAYOR:

An emergency requiring immediate action was discovered during examination of roof of Jamaica Plain High School to determine the necessity for extensive roof repairs. It was found that a large dormer located in the front tower of the building was in danger of falling. Its location, directly over an entrance to the building, was such that John J. Hourihan of 27 Dixwell street, Jamaica Plain, was assigned to remove the dormer in its entirety and reframe and reslate the opening.

To accomplish this work it was necessary to erect two scaffolds, one inside and one outside the building, and the entire work, still in progress, will cause an expenditure not to exceed $1,400.

The nature of the work was such, and the condition discovered so dangerous, that I could not permit a delay and the work was authorized. Consequently, I ask that you approve such procedure with the understanding that public advertising be dispensed with and a contract negotiated with John J. Hourihan, 27 Dixwell street, Jamaica Plain, in an amount not to exceed $1,400.

Respectfully yours,

JAMES H. MOONEY,
Superintendent of Construction.

PARKS AND RECREATION DEPARTMENT.

BOSTON, June 23, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

We are now making our annual arrangements for the floodlighting of certain of our night baseball and football games. The present plans call for at least one floodlighted game in each section of the city during the baseball and football seasons. It is not possible to floodlight all the areas for which we receive requests, but by scheduling at least one night game in each section, we feel we are making a fair distribution of this recreation feature.

During all the years that we have been floodlighting games, the lighting service has been furnished by the Lashua Portable Lighting, Inc., 594 Washington street, Stoughton, Mass. This company floodlights practically all the night athletic events held in the eastern part of the country where there are no permanent installations for floodlights. It is the only concern in this area with the equipment and men needed for furnishing this service.

We will floodlight approximately 10 baseball games and 21 football games during the 1955 season. In recent years we have been paying the Lashua Company for this service at the rate of $150 for floodlighting of baseball games and $200 for football games. The company has agreed to furnish the service this year at the same rate as in previous years, which includes the furnishing and setting up of equipment, floodlighting the entire field, furnishing all necessary labor, insurance, etc.

I am of the opinion that nothing would be gained by advertising for bids and, accordingly, I request that we be allowed to award a contract, without public advertising for bids, to the Lashua Portable Lighting, Inc., 594 Washington street, Stoughton, Mass., for floodlighting 10 baseball games at a price of $150 per game and 21 football games at a price of $200 per game, the total contract price not to exceed $5,700, to be charged to Budget Item 299 in the Parks and Recreation Department budget.

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

BOSTON, June 29, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

The refreshment and boat privilege at the Boat Landing at Jamaica Pond expires on June 30, 1955.

This privilege has been held for more than thirty-five years by Mrs. Elizabeth Curtis of 477 Talbot avenue, Dorchester. She has paid an annual rental fee of $600 to the city for this privilege. Mrs. Curtis is a widow. She has conducted this concession in a manner satisfactory to the Parks and Recreation Commission and has discharged her financial obligations to the city when due.

Therefore, I respectfully request your approval for the award of another license for a period of five years beginning July 1, 1955, to Mrs. Elizabeth Curtis, at the same rate she is now paying, namely, $600 per year.

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

PUBLIC WORKS DEPARTMENT.

BOSTON, June 16, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The department operates 30 heavy-duty Walter snow fighter trucks during the winter months on snow plowing, sanding, and salting work. It is most essential to have these units in good operating condition at all times, due to the emergency nature of the work on which they are engaged. It is difficult for the department mechanics to keep these units in good repair because of the many other vehicles that the mechanics are required to repair.

Recently, a survey of the above-referenced heavy-duty equipment was made by representatives of the Automotive Division of this department, and it was determined that major repairs should be made during the summer months to eight units. It was further estimated that the cost of effecting the repairs and installing heaters and defroster on six of the units would approximate $7,300. I feel that it is more

economical and more satisfactory, from every point of view, to have this repair work—which is of a very specialized nature—done by the local distributor for Walter trucks in this area.

For the past three years, repairs to these units have been made by the Charles N. Wood Company, the authorized dealer of Walter trucks in this area. The work of the latter-referenced has been most satisfactory, and I feel that it would be advantageous to the city at this time to award a contract to the Wood Company which would provide for the effecting of repairs to the units selected by Acting Division Engineer Stewart of the Automotive Division.

I respectfully request, therefore, your authorization to dispense with advertising, and to award a contract to the Charles N. Wood Company, in an amount not to exceed $7,300, for effecting whatever repairs are necessary to the Walter snow fighter trucks during the current year, with the understanding that the work will be authorized and assigned by Acting Division Engineer James H. Stewart of the Automotive Division, and with the further understanding that the city makes no commitment as to the volume of work to be sent to the Wood Company. All repair work will be done in the presence of an inspector from the Automotive Division, and at agreed rates for labor and parts used on the work.

Respectfully yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

REAL PROPERTY DEPARTMENT.

BOSTON, June 16, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

This department has a contract with John R. Lentine of 50 South street, Jamaica Plain, the low bidder, for changing over elevator at City Hall from D.C. to A.C. current, with necessary electrical work in the amount of $1,500.

When contract was nearing completion, the City of Boston Wire Division ordered us to install a 400-ampere switch and also new outlet, switch and receptacle in the elevator penthouse. These were not included in the original contract, and this extra work amounts to $402.40.

As we had no way of anticipating this added electrical work and it is in the interests of public safety, I respectfully ask permission to amend this contract with John R. Lentine to read $1,902.40, an addition of $402.40, without the usual public advertisement.

Very truly yours,

GEORGE P. DONOVAN,
Assistant Commissioner.

SUFFOLK COUNTY.

SHERIFF'S OFFICE.

BOSTON, June 23, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Funds were allowed in the 1955 supplementary Jail budget for the erection of a chain link fence to enclose the inmates' exercise area in the jail yard. Approximately 365 feet of chain link fencing with 31 feet of gates will be required to complete this work.

This enclosure will provide a greater measure of security during exercise periods and because the outdoor exercise is allowed during the summer I should like to have this fencing installed as soon as possible.

Proposals were invited from three reputable local firms and the amounts submitted for this project are as follows:

P. J. Dinn & Co., $2,160; Yeoman's O'Connell Company, $2,087; Boston Chain Link Fence Company, $1,978.

I feel that there would be no further benefit for the City of Boston to publicly advertise for this type of work and with the time element in mind, I respectfully request your permission to award a contract to the lowest bidder, Boston Chain Link Fence Company, of Boston, for the immediate construction of this enclosure.

Respectfully yours,

FREDERICK R. SULLIVAN,
Sheriff.

AMENDMENTS TO ORIGINAL AWARDS OF DAMAGES.

The Public Improvement Commission has voted as follows:

That the amount of $150 be, and the same hereby is, awarded to Henry N. and Anna T. Nelson for all damages sustained under the order of the Board of Street Commissioners and Mayor of June 26, 1953, for the laying out and construction of Chestnut square, West Roxbury.

—

That the amount of $700 be, and the same hereby is, awarded to Nicholas G. Beram, Veterans' Association, Inc., for all damages sustained under the order of the Board of Street Commissioners and Mayor of April 30, 1953, for the laying out and construction of Beram avenue, West Roxbury.

OMIT AND SUBSTITUTE WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

J. A. Susi & Sons, Inc., have been directed to omit and substitute the following work under the contract for bituminous concrete pavement in Alvarado avenue, Chesterfield street, Danny road, Manila avenue, Reynold road, and Vallaro road, dated April 28, 1955:

In Danny road omit approximately 25 tons of stone dust sidewalks at $3 per ton.

In Danny road furnish and lay bituminous concrete sidewalks on northerly side instead of stone dust sidewalks. These sidewalks will require approximately 70 tons of bituminous concrete base at $11 per ton and approximately 70 tons of bituminous concrete wearing surface at $11 per ton.

Estimated cost of substituted work, $1,540.

Estimated cost of omitted work, $75.

Estimated increase in cost, $1,465.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with Faletra Brothers, Inc., 115 Providence street, Hyde Park, for construction of underpass, walks, stairs, etc., in Brookway Footpath, Bradeen Street Footway, and Brookway terrace, from June 15, 1955, to August 1, 1955. This extension was requested because the contractor was ordered to do additional fence work under this contract.

—

Approval has been given for an extension of time for the completion of the contract with Park Construction Company, Inc., 40 Court street, Boston, for construction of office building and garage, Arborway and Forest Hills street, Ward 11, from June 30, 1955, to July 29, 1955. This extension was requested because the contractor was authorized to do additional painting.

—

Approval has been given for an extension of time for the completion of the contract with McKie Lighter Company, 51 Sleeper street, Boston, for repairing fender piers, Warren Bridge, from May 26, 1955, to June 15, 1955. This extension was requested because the contractor was delayed on account of not being able to obtain early delivery of piles necessary for this work.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

Five drop inlets and five existing catch basins be converted to manholes in Cemetery road, between Forest Hills street and Morton street, in the West Roxbury district, at an estimated cost of $1,000.

A 10-inch pipe surface drain, 10-inch pipe sanitary sewer, and eight catch basins and one drop inlet in Brook Farm road, between La Grange street and Lyall street, in the West Roxbury district, at an estimated cost of $9,000.

A 24-inch pipe surface drain and 10-inch pipe sanitary sewer in Crossman street and private land, between Faunce road and 145 feet northerly and easterly (to existing surface drain), in the Dorchester district, at an estimated cost of $2,000.

A 24-inch and 12-inch pipe surface drain and 10-inch pipe sanitary sewer and two catch basins in Constitution road, between Crossman street and end, in the Dorchester district, at an estimated cost of $5,800.

A 10-inch pipe sanitary sewer and 10-inch pipe surface drain in Viking terrace, between Dania street and end, in the Dorchester district, at an estimated cost of $2,300.

A 24-inch pipe surface drain in Cookson terrace, between Mamelon Circle and Dania street, in the Dorchester district, at an estimated cost of $3,700.

A 10-inch pipe sanitary sewer and 10-inch pipe surface drain in Jamestown terrace, between Dania street and end, in the Dorchester district, at an estimated cost of $2,300.

A 72-inch, 48-inch, 36-inch, 24-inch and 18-inch pipe conduit in Stony Brook, Section 18, between Grew Avenue Extension (opposite Willow street), Sec-

tion 17, and Bald Knob road (near Gordon avenue), in the Hyde Park district, at an estimated cost of $500,000.

Tributary branches in Providence street, Child street, Austin street, Marston street, and private land.

SEWERAGE WORKS IN PROVIDENCE STREET, HYDE PARK.

The Public Improvement Commission has ordered that the right and easement be taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings, or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands, not authorized in writing by the Mayor of said city; trees, buildings, or other structures standing upon the land in which an easement is hereby taken are to be removed therefrom within thirty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are shown on a plan marked "City of Boston, Plan No. 1458, Sewerage Works, Providence Street, Hyde Park, May 19, 1955, George G. Hyland, Commissioner of Public Works," deposited in this office and said lands are in that part of Boston called Hyde Park, and are bounded as follows:

SEWERAGE WORKS IN STONY BROOK, HYDE PARK.

The Public Improvement Commission has ordered that the right and easement be taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands, not authorized in writing by the Mayor of said city; trees, buildings, or other structures standing upon the land in which an easement is hereby taken are to be removed therefrom within thirty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are shown on a plan marked "City of Boston, Plan No. 1459, Sewerage Works, Stony Brook, Hyde Park, May 19, 1955, George G. Hyland, Commissioner of Public Works," deposited in this office, and said lands are in that part of Boston called Hyde Park, and are bounded as follows:

A parcel of land supposed to belong to owners unknown, being part of the private way known as Beaver street, bounded:

Easterly by the northerly line of Austin street, forty feet; southerly by the southerly line of said Beaver street, two hundred thirty-one and 18/100 feet; westerly by another portion of said Beaver street, forty feet; northerly by the northerly line of said Beaver street, two hundred thirty-one and 18/100 feet; containing 9,247 square feet, more or less.

A parcel of land, supposed to belong to Albert P. Russo, bounded:

Northerly by land hereinbefore described as taken from owners unknown, being a portion of the private way known as Beaver street, twelve and 16/100 feet; easterly by other land of said Albert P. Russo, one hundred fifty-five and 17/100 feet; southerly by land hereinafter described as taken from John W. and Bonnie E. Burke, twelve and 16/100 feet; westerly by other land of Albert P. Russo, one hundred fifty-five feet; containing 1,886 square feet, more or less.

A parcel of land supposed to belong to John W. and Bonnie E. Burke, bounded:

Northerly by land hereinbefore described as taken from Albert P. Russo, twelve and 16/100 feet; easterly by other land of said John W. Burke *et al.*, one hundred fifty feet; southerly by land hereinafter described as taken from owners unknown, being a portion of the private way known as Chestnut street, twelve and 16/100 feet; westerly by other land of John W. Burke *et al.*, one hundred fifty feet; containing 1,824 square feet, more or less.

A parcel of land, supposed to belong to owners unknown, being a portion of the private way known as Chestnut street, bounded:

Northerly by land hereinbefore described as taken from John W. Burke *et al.*, twelve and 16/100 feet; southeasterly by another portion of said Chestnut street, thirty and 41/100 feet; southerly by the southerly line of said Chestnut street, twelve and 16/100 feet; northwesterly by another portion of said Chestnut street, thirty and 41/100 feet; containing 365 square feet, more or less.

There is to be built in the above-described easements 560 linear feet of 72-inch pipe surface drain.

It is further ordered that:

(*a*) 3,289 linear feet of 72-inch pipe surface drain be constructed in an existing easement taken April 30, 1954, for sewerage purposes in Hyde Park in private land adjacent to the westerly side of the Boston & Providence Railroad location from a point opposite Willow avenue to Austin street at a point near Beaver street;

(*b*) 204 linear feet of 72-inch pipe surface drain be constructed in Austin street, the public way, from Beaver street northerly;

(*c*) 607 linear feet of 72-inch pipe surface drain be constructed in an existing easement taken for sewerage purposes on October 19, 1928, in private land between Chestnut street and Gordon avenue;

(*d*) 291 linear feet of 72-inch pipe surface drain be constructed in Gordon avenue, the public way from a point 80 feet east of Child street to Bald Knob road;

(*e*) 165 linear feet of 72-inch pipe surface drain in Bald Knob road (an M.D.C. park road), from Gordon avenue southerly.

The total estimated cost is $346,000.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that the undermentioned persons sustain no damages in their estates by the taking of an easement for sewerage purposes and the construction of sewerage works in Stony Brook, Beaver street and in private land between Beaver street and Chestnut street, Hyde Park district, under the order of the commission of June 22, 1955, and awards no damages therefor.

Owners unknown (Beaver street), 9,247 square feet, nothing.

Albert P. Russo, 1,886 square feet, nothing.

John W. and Bonnie E. Burke, 1,824 square feet, nothing.

Owners unknown (Chestnut street), 365 square feet, nothing.

Proposals for Sewerage Works in Canterbury Street and Rocky Nook Terrace, West Roxbury.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for sewerage works in Canterbury street and Rocky Nook terrace, West Roxbury. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Sewerage Works in Canterbury Street and Rocky Nook Terrace, West Roxbury," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of WEDNESDAY, JULY 20, 1955, with a certified check for THREE HUNDRED (300) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. REPORT OF MARY K. FITZGERALD, CHAIRMAN, SCHOOL COMMITTEE, ON ATTENDANCE AT CONVENTION OF THE MASSACHUSETTS ASSOCIATION OF SCHOOL COMMITTEES, IN SWAMPSCOTT, MAY 12, 13, 14.

The following is the report on attendance of School Committee Chairman Mary K. Fitzgerald, at Massachusetts Association of School Committees, Swampscott, Mass., May 12, 13, 14:

Working sessions of School Committee members at New Ocean House, Swampscott, began on Thursday, May 12, 1955.

Especially beneficial were the discussions of school construction costs and of Federal and State Aid to Education. State and Federal Aid to School bills were objectively analyzed for the benefit of School Committee members, with everyone in agreement that Massachusetts does not give enough financial assistance to schools, but with feeling on the part of some that Federal Aid is a more controversial issue, though such aid is desirable. An up-to-the-minute report

3,684,447 PAROCHIAL SCHOOL PUPILS, TAUGHT BY 123,386 TEACHERS IN 11,590 SCHOOLS, REPRESENTED AT 52ND ANNUAL CONVENTION OF NATIONAL CATHOLIC EDUCATIONAL ASSOCIATION AT ATLANTIC CITY—ASSISTANT SUPERINTENDENT FREDERICK J. GILLIS MAKES REPORT TO SCHOOL COMMITTEE—SHOWS BOSTON TAKING SPECIAL CARE OF THOSE IN ANY WAY HANDICAPPED—OTHER PROBLEMS ALSO REPORTED ON.

The following is the report of Dr. Frederick J. Gillis, assistant superintendent, on attendance at the fifty-second annual convention of the National Catholic Educational Association, held in Atlantic City, New Jersey, April 11–15:

The National Catholic Educational Association held its fifty-second annual convention in Atlantic City, New Jersey, April 11–15, 1955.

The number of parochial school pupils represented by the delegates to the convention, according to figures prepared recently by the National Catholic Welfare Conference, was 3,684,447, taught by 123,386 teachers in 11,590 schools.

Topics discussed at the general, committee, and special meetings included subjects such as White House Conference on Education; audio-visual education; kindergarten; teacher accreditation; religious and vocational guidance program on the high school level; inter-American affairs; study habits; teacher training, mental health; problems regarding recreation; library practice; nursing education; financial aid to higher education by business and industry; manpower and personnel in the National Reserve plan, the child-centered school; expansion of physical facilities in colleges and universities; architecture and school planning; adult education; secondary education; the classroom teacher; the conquest of polio; elementary school problems; character formation; and the problems met in special education.

Special Education.

My assignment at the convention was to present the administrative problems of special education, because many of the Catholic diocesan superintendents of schools are now confronted with the problems of caring for the exceptional. I cited:

1. The number of these children, according to Samuel M. Brownell, Commissioner of Education for the United States, who has said that 4,800,000, or approximately one eighth of the entire school-age population, may be classed as exceptional.
2. The lack of trained teachers. America at this moment needs 100,000 trained teachers for these children.
3. Recommended two pamphlets, the product of a national committee of which I was a member.*
4. Referred the group to the "Creed for Exceptional Children."
5. Explained how the Boston public schools, believing that education is for all of the children of all of the people, have provided education for:

* "College and University Programs for the Preparation of Teachers of Exceptional Children."
"State Certification Requirements for Teachers of Exceptional Children."

REPORT OF FREDERICK J. GILLIS ON ATTENDANCE AT CONVENTION.

(Continued from page 849.)

The blind — unable to read or to learn of their environment through the sense of sight.

The partially seeing — with severe vision impairment.

The deaf — with such a severe hearing loss that they cannot distinguish speech sounds even when using the best hearing aids.

The hard of hearing — who cannot understand speech sounds without amplification.

The speech handicapped—stutterers, cleft palates, cerebral palsied, articulatory defects, voice problems.

The crippled — victims of polio, tuberculosis of bone or joint, osteomyelitis, injuries, burns, fractures, amputations, accidents.

Special health problems — tuberculosis, epilepsy, rheumatic fever, malnutrition, cardiac, and others.

The mentally retarded — with a mental age between one half and three fourths of their chronological ages, generally grouped as educable, trainable, and institutional.

The socially or emotionally maladjusted.

6. Pointed out the cost of education as compared with the cost of crime, gambling, etc. According to estimates of the National Education Association, in 1953 there was an annual appropriation of approximately six billion dollars for education in the entire United States. But during the same year, we expended:

Crime	28 billions
Gambling	20 billions
Liquor	9 billions
Bookies	8 billions
Tobacco products and smoking supplies	5.2 billions
Cigarettes	4 billions
Numbers game	2 billions
Movies	1.6 billions
Slot machines	1 billion

7. Stated reasons for the increase each year in the number of exceptional children who need training:

a. The advance of medical science enables many more children with handicaps, mental and physical, to grow up.

b. More and more parents demand that the school administrators make provision to educate these handicapped children when they reach school age, with school facilities equal to those of so-called normal children.

c. Overcrowded schools and large classes make it impossible for teachers to give special or individual attention to the needs of exceptional pupils. So, even the teachers have requested that special classes be established for children unable to make reasonable progress in a normal class.

Salient Qualities.

8. Listed seven salient qualities for educational administrators:

"A profound knowledge of the end and of the human processes of education as well as of the academic organization, program, and procedures to achieve the goal; scholarly attainments and taste; a thorough grasp of the history, tradition, and distinctive spirit of the institution; the ability to inspire teamwork in the faculty and staff; ease and facility in public relations inside and outside the institution; recognizing and facing up to the problems that come across the administrator's desk and establishing regular procedures for grappling with them; and making clear-cut decisions after due study and evaluation of the issues."

9. Reported the advance made in Massachusetts in caring for the exceptional, as a result of the work of a special commission which reported in 1954. The report of this commission became the basis for Massachusetts legislation which provides:

1. Establishment of a Division of Special Education, with adequate personnel, within the Department of Education, Commonwealth of Massachusetts.
2. Reimbursement to cities and towns maintaining special classes for mentally retarded children.
3. Classification of mentally retarded children into the educable, trainable, and custodial groups.

In the special education meetings, discussions took place re administrative problems, remedial reading on the elementary and secondary level, philosophy of special education, effect of entertainment on youth, re-education of the delinquent, good reading habits, home visits, training the multiple and severely handicapped non-educable child of nursery and kindergarten school age, vocational guidance of the handicapped, educational problems of the cerebral palsied child, testing program and grading procedures, personality needs of the mentally retarded, the deaf child, the gifted child, the speech clinic, and current trends in the treatment of emotionally disturbed children.

In a panel on the re-education of delinquent girls, Miss Alice L. Jenks of our Division of Juvenile Adjustment presented an excellent paper on "Community Resources in the Re-education of the Socially Maladjusted Girl." In her paper, and in answer to questions from the floor, Miss Jenks explained the work of the division in employing all resources of the schools, community, and clinics (educational and psychiatric), as well as the value of visits to the homes. The questions asked by delegates to the convention revealed that the operation of the Division of Juvenile Adjustment, Boston public schools, is known nationally.

Causes of Delinquency.

Mother Mary St. Urban, House of the Good Shepherd, Boston, presented a paper on the causes behind today's widespread delinquency: broken homes; lack of academic success; absence of religious background; misdirected energy of adolescent youth; unusual freedom of youth; unwise entertainment; violence in picture, print, and TV presentation; and the changing world in which we live. This speaker told the audience of the unfailing cooperation of the Boston public schools, as did Monsignor Thomas McNamara, Director of the Catholic Boys Guidance Center, Boston, who spoke from the floor.

Sister M. Nila, O.S.F., of the Archbishop Cushing Educational Clinic, Boston, in her paper on "Remedial Reading: An Elementary and Secondary Problem," stated that ten million adults in the United States are illiterates; lack of reading ability is a prominent cause for leaving school before completion of course; ages of those in need of remedial reading may be from seven to seventy; many high school and college pupils are nonreaders; diagnosis is essential in auditory discernment as well as visual discernment; verbalizers should be recognized as early as possible; and much bitterness is found in illiterates.

Administrative problems in the field of special education seem to be common to all school systems: lack of trained teachers; lack of courses of study; and the expense of proper equipment, diagnostic clinics, physical examination, small classes, lighting, and housing.

The underlying philosophy of Boston's education of the exceptional child is that education is for all of the children of all of the people; that certain basic principles regarding education of the exceptional are recognized by all, for those children have the same fundamental physical and psychological needs as any other children; the general development pattern is common to all children; all have similar feelings and desires.

Recreational Program.

The recreational program conducted in Boston for the exceptional was also cited: Castle Island during the summer and Curtis Hall on Saturdays during the school term for the mentally retarded and the Tileston Playground during the summer for crippled children; recreation for the cerebral palsied; and other recreational opportunities for the exceptional child.

Sister Mary George, O.S.F., Principal, St. Coletta School, Hanover, Mass., gave a practical yet inspirational talk, "Ever Onward and Upward," regarding the care and education of the exceptional child in a boarding school.

Many discussions with personnel in the field of the exceptional, between formal sessions, elicited various regional practices.

Mrs. Marie Killilea of New York, author of *Karen and Wren*, spoke at a meeting on the motor handicapped and mentally retarded. She is the mother of Karen, a handicapped child, who has walked the path to personal sanctification through loving care and training of her child. Besides therapy, training, and care by parents, doctors, and others for the exceptional child, Karen's mother stressed the necessity of developing in the handicapped, as in any other child, his individual personality and the sense of owing the family a return.

The convention, with its multiple educational facets, demonstrated that the problems faced by all systems of education are similar. Co-operation of all agencies for the good of the child is essential for the survival of American democracy.

NEW SIDEWALKS FOR BEACON STREET.

(Continued from page 849.)

been completed, and the improvement has been a most desirable one from every point of view, as the old sidewalks consisted of red brick, and were in a deplorable condition.

While the work provided in the current contract has been completed, there is a balance of approximately $6,500 remaining in the encumbrance set up for the contract, and I feel this amount would be spent to good advantage by extending the limits of the sidewalk work to Berkeley street. The item price quoted by the contractor for installing the new cement concrete sidewalks is very low, and I feel, therefore, that we should take advantage of it, particularly when said contractor is agreeable to extending the limits of the contract for the

reason that he does not have sufficient work at the present time to keep his organization efficiently employed.

I respectfully request your authority, therefore, to dispense with advertising and to amend the above-referenced contract to include the construction of artificial stone sidewalks in the southerly side of Beacon street, from Berkeley street to Exeter street, in accordance with the terms, conditions, and unit prices that are included in the present contract, which, as stated, was awarded under date of December 5 of last year as the result of publicly advertising for proposals.

I also respectfully request your authorization to expend under the terms of the original contract and this amendment, the original contract sum of $13,449, plus the 25 per cent authorized under the provisions of Article 3 of the contract document.

Respectfully yours,

GEORGE G. HYLAND,
Commissioner of Public Works.

MARY K. FITZGERALD REPORTS ON ATTENDANCE AT CONVENTION OF SCHOOL COMMITTEES.

(Continued from page 849.)

on the status of the Massachusetts bills for State Aid to schools was given.

The Chairman of the Boston School Committee headed a discussion group Friday, May 13, on "Orientation of New Members." This session dealt with a very real problem of giving new members of School Committees an understanding of the more complex issues before them for consideration.

Victor McDonald of the National Association of School Boards gave a talk on his experience of nineteen years as a school board member in Connecticut. Mr. McDonald's major points were:

1. Acquaint new members with schools' physical plants.
2. When a new issue comes up on the agenda which has a previous history, the chairman should stop discussion to acquaint new members with all the facts in the situation.

A business session at which new officers were elected and reports were made, was held on the afternoon of Friday, May 13.

On Saturday, at the closing luncheon, the most outstanding School Committee member of the year was cited by the association, and a luncheon talk on "The Schools and Civil Defense" was heard.

Respectfully submitted,

MARY K. FITZGERALD,
Chairman, Boston School Committee.

POLICE DEPARTMENT ORDERS.

General Order No. 2,067.

The Boston Police Department Revolver Team competed over the weekend in the Northeastern Regional Pistol and Revolver Matches at Poughkeepsie, New York.

The men all shot extremely well with Patrolman Raymond H. Berlo of Division 16 winning the championship and Patrolman Henry P. Domohowski of Division 9 placing second. In winning the championship, Patrolman Berlo compiled a score of 2,601 out of a possible 2,700. This is the first time a New England shooter has accomplished this feat and in order to comprehend such shooting, it must be borne in mind that only twenty-four men have attained such a score throughout the country during the past ten years.

There were 225 shooters registered for the matches and many were the very best in this region. Our men succeeded in winning three team matches in addition to the superlative performances of Patrolmen Berlo and Domohowski. Our success at these matches will enhance our reputation throughout the country and can only reflect credit on our whole department.

The team was under the charge of Capt. Andrew Markhard and comprised the following officers:

Lieut. John Stevens, Crime Prevention Bureau.

Sergt. John J. Jackmauh, Division 7, detailed to Crime Prevention Bureau.

Detective John E. Gibbons, Bureau of Criminal Investigation.

Detective James W. Chisholm, Bureau of Criminal Investigation.

Patrolman Lawrence T. Walsh, Division 3.

Patrolman Henry P. Domohowski, Division 9, detailed to Crime Prevention Bureau.

Patrolman Raymond H. Berlo, Division 16.

I know I speak for the members of the entire department when I say we are pleased with this accomplishment and extend our congratulations to these officers.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,068.

Patrolman Patrick J. Hernon of Division 19 and Patrolman Henry J. Dackiewicz of Division 10 are commended and each is granted one week's additional vacation for meritorious police work performed on June 30, 1955.

While on his way home after a police detail, Patrolman Hernon was informed of a holdup in a nearby savings bank. He ran toward the scene and observed a man running from the premises and entering a car. Commandeering a passing auto, Patrolman Hernon gave chase to a point where the bandit's car was blocked by other vehicles and he had to flee on foot, running through an alley where he was pursued by the officer.

At this point, Patrolman Dackiewicz, also off duty, who was passing in his own car, immediately grasped the situation and ran in a direction to cut off the avenue of escape.

Upon reaching a fence, the bandit turned on Patrolman Hernon and threatened him with a loaded revolver, whereupon the officer fired one shot striking him in the forehead. The bandit then jumped over the fence into the next yard where Patrolman Dackiewicz, who was waiting, kicked the gun from his hand and both officers took him into custody. Approximately $5,000, being the total taken from the bank, was recovered.

The commissioner is pleased to recognize the outstanding police work performed by these officers, both of whom showed great courage and devotion to duty in effecting the arrest of this criminal.

Patrolman Donald P. McGowan and Joseph E. Walsh of Division 13, having received from the dispatcher in their prowl car notice of the above holdup, proceeded to a point where they might intercept the getaway car, and succeeded in arresting the other bandit who was also armed.

The commissioner is pleased to recognize the alertness and prompt action taken by these officers which aided in clearing up this serious crime.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,069.

I am in receipt of the following letter from Commissioner of Public Safety Otis M. Whitney which I am pleased to announce to the members of the department:

"THE COMMONWEALTH OF MASSACHUSETTS, DEPARTMENT OF PUBLIC SAFETY,
1010 COMMONWEALTH AVENUE, BOSTON,
July 1, 1955.

COMMISSIONER THOMAS F. SULLIVAN,
154 Berkeley Street, Boston.

DEAR COMMISSIONER:

On behalf of the Massachusetts State Police, please allow me to congratulate the Boston Police Department upon the splendid performance of duty of Patrolman Henry Dackiewicz and Patrolman Patrick J. Hernon in the attempted holdup of the Grove Hall Savings Bank branch office on Thursday, June 30.

Apprehension of the criminals involved is an excellent example of outstanding police work. The officers concerned acted in accordance with the best traditions of your department, and reflect great credit on the largest law enforcement agency in Massachusetts.

Very truly yours,

OTIS M. WHITNEY,
Commissioner of Public Safety."

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,070.

The following-named officers having requested retirement under the provisions of the Statutes of 1892, chapter 353, as amended, for the reason they are incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that they be retired from active service in the Police Department, effective Wednesday, July 13, 1955, at 7.45 o'clock A.M.:

Sergt. John B. Glawson, Jr., Division 11, 32 years of service.

Detective James A. Michaels, Detective Bureau (detailed to Division 9), 35 years of service.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,071.

The resignation of Patrolman Patrick F. McDonough of Division 16 having been presented, it is hereby accepted, to take effect Tuesday, July 19, 1955, at 7.45 o'clock A.M.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with business firms, contractors, and commercial houses for furnishing labor, materials, etc. Communications from heads of the departments interested were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, June 20, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

In view of the fact that replacement equipment is being purchased under the Equipment Loan for the Printing Section, it has become necessary to rewire the Printing Plant changing it from direct current to alternating current.

Stanton Electrical Company, Inc., made a survey of the plant and have submitted a proposal and specifications to furnish all labor and install all materials and new fixtures for the alterations of the present direct current lighting system at the Printing Plant for the sum of $14,975. This company has advised that they can start the work immediately upon the award of a contract.

Inasmuch as time is of the essence and in view of the fact that the transfer of the printing functions of the Boston Public Library will not be made until this work is completed, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Stanton Electrical Company, Inc. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $14,975, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, July 7, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of requisitions from the Public Works Department for one (1) Elgin, new 1955 model, "Street King" dual control street sweeper, and one (1) Wayne, new 1955 Model 2-450, dual control street sweeper, both as per specifications.

Prices have been submitted by the sole local factory representatives in this area for these particular sweepers. Inasmuch as these sweepers will be purchased direct from the factory representatives, it is my opinion that no advantage would be gained by publicly advertising for prices.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to E. J. Bleiler Equipment Company, Inc., for the Elgin "Street King" dual control street sweeper, as per specifications, and a contract to Harold Alexander, doing business as Louis A. Alexander Company, for the Wayne dual control street sweeper, as per specifications.

Approximate total amounts of contracts will be: E. J. Bleiler Equipment Company, Inc., $11,950, less 1 per cent discount, nearest city pay day, net 30 days; Harold Alexander, doing business as Louis A. Alexander Company, $11,650, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEPARTMENT OF SCHOOL BUILDINGS.

BOSTON, June 30, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

I respectfully request your Honor's approval of my selection of Desmond & Lord, 6 Beacon street, Boston, Mass., as architect for the construction of an elementary school in the Blackinton-Joyce Cheverus District, East Boston, at an estimated cost of construction of four hundred twenty-five thousand (425,000) dollars.

As there is a universally accepted standard rate for professional architectural services established by the American Institute of Architects I ask your approval of my procedure of dispensing with public advertising in the *City Record* as it is considered that nothing would be gained by public advertising.

All details of architectural fees, payments, etc., will be included in the formal contract.

There is an appropriation available for this work authorized by the School Committee on January 15, 1954.

Respectfully yours,

JAMES H. MOONEY,
Superintendent of Construction.

FIRE DEPARTMENT.

BOSTON, July 6, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

I respectfully request your Honor's permission to dispense with publicly advertising for bids and to award a contract to the Roxbury Mattress Corporation, 121 Lamartine street, Jamaica Plain, Mass., in a sum not to exceed $2,507.50, for remaking 295 mattresses of the Fire Department.

This firm has performed the same type of service for the Boston City Hospital for the past three years, and the price of $8.50 for remaking each mattress is the same price paid by the hospital. It is my understanding that the Roxbury Mattress Corporation has remade mattresses for the Hospital Department in a very satisfactory and efficient manner.

I am of the opinion that nothing would be gained by publicly advertising for bids to do this work, and, futhermore, it is my opinion that the interests of the city would be best served by awarding the contract, without advertising, to the Roxbury Mattress Corporation for a sum not to exceed $2,507.50.

Respectfully yours,

FRANCIS X. COTTER,
Fire Commissioner.

HOSPITAL DEPARTMENT.

BOSTON, July 8, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Paco developing machine in the Main X-Ray Department of the Boston City Hospital is in need of immediate and extensive emergency repairs.

This machine, valued at $25,000, is in constant use and is essential for proper and continuing patient care and welfare.

The General Electric X-Ray Corporation is the sole representative for this machine in this area. Their representatives have inspected the machine. It is not possible to give an exact figure for the necessary work until the equipment is dismantled.

An estimated figure of $1,400 has been submitted to cover the cost of labor and material.

Your Honor's permission is requested to dispense with public advertising in the *City Record* and to award a contract to the General Electric X-Ray Corporation, 1256 Soldiers Field road, Brighton, for the emergency repairs to this machine in an amount not to exceed $1,400.

Very truly yours,

RICHARD J. CONDON, *President,*
Board of Trustees, Boston City Hospital.

—

BOSTON, July 8, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

An extensive series of leaks in waste pipes between the second and third floors of the Thorndike Building at Boston City Hospital has produced a situation which requires immediate attention. There has been extensive flooding. One ward has had to be vacated and it has been necessary to discontinue use of one half of the X-ray facilities of the Urological Service because of water leakage on the equipment.

It is felt that this situation constitutes an emergency due to serious interference with patient care, the necessary activities of the X-Ray Department and to certain necessary laboratory procedures.

Your Honor's permission is therefore requested to permit the award of a contract, without public advertising, in the *City Record*, to J. P. O'Hearn & Co., plumbing contractors, 9 Columbia place, Dorchester, in an amount not to exceed $1,650. This work is extensive and involves areas extending from the third floor to the basement of the Thorndike Building. The necessary repairs should be undertaken immediately.

Very truly yours,

RICHARD J. CONDON, *President,*
Board of Trustees, Boston City Hospital.

PARKS AND RECREATION DEPARTMENT.

BOSTON, July 5, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

This year we again expect exceptionally large crowds to attend our night and

Sunday football games. It therefore becomes a necessity that some of these fields be roped, particularly those fields where games in our top league are to be played.

From our experience we find that it is more satisfactory and economical to employ a contractor to rope off the playground for these games. If the Parks and Recreation Department purchased all the ropes and stakes that are required, it would be quite expensive. In addition to the costs of the ropes and stakes, we would be required to operate at least six department trucks on each Sunday with a crew of three men to a truck, all of whom would have to be paid overtime. Also we would probably suffer the loss of ropes and stakes.

F. C. Dolan & Sons who have performed this work in recent years have offered to do the work this year at the same unit prices bid on last year's contract.

As they did an excellent job on this type of work last year and have the necessary experience and equipment to do the work, we feel that it would be in the best interest of the city to accept their offer.

Therefore, it is respectfully requested that I be allowed to award a contract, without advertising publicly, for roping and staking playgrounds, as explained above, to F. C. Dolan & Sons, 18 Aldworth street, Jamaica Plain, Mass., for a sum not to exceed $4,970, same to be charged to the regular budget, Item 299, Park Department.

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

WELFARE DEPARTMENT.

BOSTON, June 27, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

YOUR HONOR:

The Board of Overseers of the Public Welfare respectfully requests your permission to award a contract for a period of eight and one half months from July 15, 1955, through March 31, 1956, to Miss Katharine D. Hardwick for expert services as Consultant to the Board.

For the past year Miss Hardwick has served as Consultant to the Board and her services have been of inestimable value. Miss Hardwick has been actively engaged in social work for many years and her ability and reputation in the social work field is widely recognized.

The amount of the contract will not exceed three thousand five hundred and seventy (3,570) dollars for the eight and one half-month period. Due to the nature of the services to be performed public advertising would not be advisable.

Sincerely yours,

JOSEPH K. COLLINS,
Chairman.

OMIT AND SUBSTITUTE WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Charles Todesca has been directed to omit and substitute the following work under the contract for sheet asphalt pavement in Summer street and Washington street and artificial stone sidewalks in Washington street, dated October 21, 1954:

In Summer street, omit the furnishing and laying of approximately 330 tons of sheet asphalt wearing surface at $13.50 per ton and substitute the seeding of existing car rails and cover entire roadway with bituminous concrete binder. This work, including seeding of car rails, is to be paid for under Item 10 of the contract and will require approximately 500 tons of bituminous concrete binder at $11 per ton.

Estimated cost of substituted work, $5,500.

Estimated cost of omitted work, $1,455.

Estimated increase in cost, $1,045.

—

Rufo Construction Company, Inc., has been directed to omit and substitute the following work under the contract for bituminous concrete pavement in Guest street and Hemman street, dated November 12, 1954:

In Hemman street, omit the furnishing and laying of approximately 40 linear feet of 10-inch minor drain at $4 per linear foot and substitute the furnishing and laying of approximately 40 linear feet of 6-inch drain to replace house connections above grade at $3.44 per linear foot.

Estimated cost of omitted work, $160.

Estimated cost of substituted work, $137.60.

Estimated decrease in cost, $22.40.

—

J. A. Susi & Sons, Inc., have been directed to omit and substitute the following work under the contract for bituminous concrete pavement in Alvarado avenue, Chesterfield street, Danny road, Manila avenue, Reynold road, and Vallaro road, dated April 28, 1955:

In Manila avenue, north side, omit approximately 20 tons of stone dust sidewalks at $3 per ton and substitute the furnishing and laying of approximately 30 tons of bituminous concrete base for sidewalks at $11 per ton and approximately 30 tons of bituminous concrete wearing surface for sidewalks at $11 per ton.

Estimated cost of substituted work, $660.

Estimated cost of omitted work, $60.

Estimated increase in cost, $600.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for an extension of time for the completion of the contract with L. J. Banda for modernization of toilet facilities at the Boston Public Latin School, from June 30, 1955, to July 30, 1955. This extension was requested because additional work was not called for in contract.

—

Approval has been given for an extension of time for the completion of the contract with H. Piken & Co. for interior and exterior painting, including fire escapes, at the David A. Ellis School, from June 30, 1955, to August 1, 1955. This extension was requested on account of school being in session and work was delayed.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with C. Russo, Inc., for sewerage works in Fairview avenue, Alvarado avenue, Alwin street, Stonehill road, and Cheryl Lane, Hyde Park, from June 28, 1955, to July 28, 1955. This extension was requested because the contractor had to do extra work.

Approval has been given for an extension of time for the completion of the contract with Charles Todesca, 100 Roslindale avenue, Roslindale, for artificial stone sidewalks in Beacon street, from Exeter street to Massachusetts avenue, from June 30, 1955, to September 15, 1955. This extension was requested because the contractor was ordered to do additional work.

—

Approval has been given for an extension of time for the completion of the contract with Defina & Sons, 14 Liberty street, Waltham, for reinforced concrete retaining wall and chain link fence in Westglow street, from June 1, 1955, to August 1, 1955. This extension was requested because the contractor encountered unusually large footings and the concrete had to be removed by hand, thereby delaying the progress of the work.

—

Approval has been given for an extension of time for the completion of the contract with C. Russo, Inc., 499 Beech street, Roslindale, for laying water pipes in Dietz road, Ward 18; Dodge road, Ward 18; Eastmont road, Ward 18; Kristin court, Ward 18; Leighton road, Ward 18; and such additional locations, if any, in Ward 18, as may be designated by the Commissioner of Public Works, to August 1, 1955. This extension was requested because two additional streets were added to the contract (Emmet street, Ward 18, and Dana street, Ward 18).

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Charles Todesca has been directed to perform the following extra work under the contract for sheet asphalt pavement in Summer street and Washington street and artificial stone sidewalks in Washington street, dated October 21, 1954:

In Summer street, at the corner of Melcher street, construct one drop inlet, including 10-inch pipe connections to existing catch basin, for the sum of $100.

In Summer street, excavate by hand 12 cubic yards of material which is necessary due to widening at corner of Melcher street. Price to be paid, the sum of $3.50 per cubic yard.

Estimated cost of extra work, $142.

—

Park Construction Company has been directed to perform the following extra work under the contract for construction of office building and garage at Arborway and Forest Hills street, Ward 11, dated January 5, 1955:

305.3 cubic yards of rock excavation (Item 1 of Additions) at $17 per cubic yard, $5,190.10; 24.9 cubic yards of rock excavation (Item 8 of Additions) at $12 per cubic yard, $298.80—$5,488.90; less credit for omitted general excavation (Item 1 of Additions) of 330.2 cubic yards at 75 cents per cubic yard, $247.65; estimated cost of extra work, $5,241.25.

TUNNEL TRAFFIC IN MAY.

In the month of May, 1954, 1,031,226 vehicles used the Sumner Tunnel. This is the first time in the history of the tunnel that in excess of 1,000,000 vehicles used the facility in any one month.

In May of 1953, 979,920 vehicles went through the tunnel, or 51,306 less than May of this year.

PROCEEDINGS OF CITY COUNCIL.

Monday, June 27, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend Russell R. Novello, of St. Mary's Roman Catholic Church, Charlestown, was escorted to the rostrum.

INVOCATION BY REV. RUSSELL R. NOVELLO.

In the Name of the Father, and of the Son, and of the Holy Ghost, Amen.

We beseech Thee, God, Thou great governor of the world, Who by Thy supreme and universal providence, dost guide the course of nature with unerring wisdom and rectitude, influence the minds and hearts of these, the members of the City Council, so that they may rightly serve Thee and the people they represent.

Grant that they may, under the influence of Thy grace, prepare effective measures to secure and protect the just rights and privileges of the people of Boston that Thy people may serve Thee in peace, love, and prosperity.

In the Name of the Father, and of the Son, and of the Holy Ghost, Amen.

The meeting was opened with the salute to the Flag.

RESIGNATION OF MORRIS YOUMAN.

The following was received:

City of Boston,
Office of the Mayor, June 21, 1955.

To the City Council.
Gentlemen:

You are hereby notified that I have accepted the resignation, effective June 21, 1955, of Morris Youman, 31 Wellington Hill street, Mattapan, as a constable authorized to serve civil process.

Respectfully,
J. B. HYNES, Mayor.

VETO OF ORDINANCE CREATING OFFICE OF RECEPTIONIST-CLERK IN CITY MESSENGER DEPARTMENT.

The following was received:

City of Boston,
Office of the Mayor, June 16, 1955.

To the City Council.
Gentlemen:

I return herewith disapproved, and without my signature, an ordinance creating the new position of receptionist-clerk in the City Messenger Department. It is not clear to me that the creation of an additional position is warranted at this time.

Respectfully,
J. B. HYNES, Mayor.

The message and ordinance were referred to the Executive Committee.

CONVEYANCE OF LAND ON VICTORY ROAD, DORCHESTER, TO COMMONWEALTH OF MASSACHUSETTS.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the Honorable City Council.
Gentlemen:

I transmit herewith communication received from Frank R. Kelley, Commissioner of Parks and Recreation, pursuant to a vote of the Parks and Recreation Commission passed June 16, 1955.

Under the provisions of chapter 441 of the Acts of 1955, the City of Boston, acting by its Mayor, is authorized to convey without consideration to the Commonwealth of Massachusetts for armory purposes the land on the northerly side of Victory road in the Dorchester district now under the charge of the Parks and Recreation Commission. This land until recently has been under the control of the Boston Housing Authority and was used as a temporary housing project known as Alsen Village. The land has recently been turned back by the Authority to the Parks and Recreation Commission. It is the intention of the Commonwealth to erect on the land a building to be used for armory purposes for the Dorchester district. The building will also be available for recreational facilities by the youth of the district.

Pursuant to the provisions of the 1955 Act, the Parks and Recreation Commission at its meeting on June 16, 1955, has recommended the conveyance to the Commonwealth.

I transmit herewith an order which would authorize the conveyance of the land and recommend its adoption by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Parks and Recreation Department,
June 16, 1955.

To the Honorable the Mayor and City Council.
Gentlemen:

The Parks and Recreation Commission hereby recommends to you that the whole of the land on the northerly side of Victory road in the Dorchester district of Boston belonging to the City of Boston and now under the care and custody of this commission be conveyed without consideration to the Commonwealth of Massachusetts for armory purposes under chapter 441 of the Acts of 1955.

This recommendation is sent to you pursuant to and by direction of vote adopted at a meeting of the Parks and Recreation Commission held on June 16, 1955.

It is the understanding of this commission, based on information received from National Guard officials, that if and when this armory is constructed the halls and other sections of the building will be open to the community for recreation purposes as well as for meetings, reunions, and community functions of larger social and civic groups.

Respectfully,
FRANK R. KELLEY, Commissioner.

—

Whereas, The City of Boston is the owner in fee of a certain parcel of land situated on the northerly side of Victory road, Dorchester district, of the City of Boston, presently in the charge and control of its Parks and Recreation Commission; and

Whereas, The Parks and Recreation Commission of the City of Boston has recommended that said land be conveyed without consideration to the Commonwealth of Massachusetts for armory purposes: now, therefore, it is hereby

Ordered, That pursuant to the provisions of chapter 441 of the Acts of 1955, the Mayor of the City of Boston be, and he hereby is, authorized in the name and behalf of the City of Boston to execute and deliver an instrument satisfactory in form to the Corporation Counsel conveying without consideration all of the City of Boston's right, title and interest in and to a certain parcel of land situated on the northerly side of Victory road in the Dorchester district of the City of Boston presently in the charge and control of its Parks and Recreation Commission to the Commonwealth of Massachusetts for armory purposes.

Referred to Committee on Public Lands.

PROPOSED EXTENSION OF PARK DEPARTMENT SAILING PROGRAM.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to your order of June 13, 1955, concerning the contacting of the commodores of all yacht clubs in Boston Harbor to determine whether they would cooperate in a joint endeavor with the Parks and Recreation Department to extend the Parks and Recreation Department sailing program to East Boston, South Boston, and Dorchester.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Parks and Recreation Department,
June 23, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

I have your memorandum of June 16, with enclosure, Councillor Foley's order that the Commissioner of Parks and Recreation be requested, through his Honor the Mayor, to contact the commodores of all yacht clubs in Boston Harbor to determine whether they would cooperate in a joint endeavor with the Parks and Recreation Department to extend the Parks and Recreation Department sailing program to East Boston, South Boston, and Dorchester.

At the present time we have not sufficient funds or personnel to start such an ambitious program but it is one that is certainly worthy of consideration.

If and when we have sufficient appropriations we can give consideration to this project.

Very truly yours,
FRANK R. KELLEY, Commissioner.

WALKER STREET, CHARLESTOWN, ONE WAY, FROM MAIN STREET TO BARTLETT STREET.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Traffic Commissioner concerning your order, of June 6, 1955, relative to traffic conditions on Walker street, Charlestown, with a view to making one-way traffic running from Main street to Bartlett street.

Respectfully,
J. B. HYNES, Mayor.

—

Boston Traffic Commission,
June 16, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

With reference to Council order of June 6, 1955, ordering the Traffic Commissioner to make a survey of traffic conditions in Walker street, Charlestown, with a view to making one-way traffic running from Main street to Bartlett street, I wish to report that Walker street at present fits into the normal pattern of one-way streets.

Franklin street is on one side and is one way from Main street to Eden street, so that to reverse Walker street would result in three parallel streets being one way in the same direction. We try to avoid this whenever possible although there are many instances in the city where we do have several parallel streets in the same direction.

However, in the case in question, a study of the traffic flows indicates that this would be undesirable, as the dislocated traffic would only cause trouble elsewhere in the neighborhood.

By having every other street one way each gets its share of the traffic volume without favoritism to any particular roadway.

Respectfully yours,
Wm. Arthur Reilly, Commissioner.

EXPEDITING OF REPAIR OF WASHINGTON STREET.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the General Manager of the Metropolitan Transit Authority concerning your order of June 6, 1955, relative to expediting the repair of Washington street, from Egleston square to Forest Hills.

URBAN REDEVELOPMENT PROGRAM FOR WEST END AREA.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Chairman of the Boston Housing Authority relative to your order of May 16, 1955, concerning the speeding up of the plans in connection with the urban redevelopment for the West End area.

Respectfully,
J. B. HYNES, Mayor.

—

Boston Housing Authority,
June 20, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Subject: City Council Order of May 16, 1955, on Urban Redevelopment in the West End Area.
Dear Mayor Hynes:

You have advised this Authority many times of your interest in accelerating the completion of plans and other procedural requirements for the redevelopment in the West End.

The Authority has instructed the Urban Redevelopment Division to expedite the completion of plans for the project.

The Urban Redevelopment Division has completed the final plans and supporting documentation for the West End Project as of May 31, 1955. The current activities of the Urban Redevelopment Division in connection with this project consist of the preparation and assembling of the application, legal and financial forms to accompany the submittal of the plans to the Housing and Home Finance Agency.

The official submittal of the project plans and other required documentation have been submitted to the Housing and Home Finance Agency on June 13, 1955. Official review of the project plans by the Housing and Home Finance Agency will require some additional material or planning changes as recommended by that agency. The present staff of the Urban Redevelopment Division

is adequate to take care of whatever may be required in this connection. The assignment of additional personnel would not be of any value during this stage.

Very truly yours,
JAMES J. MAHER, Chairman.

GREATER RECREATIONAL AND EDUCATIONAL USE OF COMMON AND PUBLIC GARDEN.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to your order of June 6, 1955, concerning the unrestricted use of the Boston Common and the Public Garden for entertainment purposes.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Parks and Recreation Department,
June 15, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

This will acknowledge receipt of memo from your office dated June 10, with attached order of Councillor Piemonte, relative to converting the Public Garden Pond to an ice-skating center and further the consideration of erecting an open-air theater.

These matters have received our consideration in the past and all I can report is that when sufficient appropriations are provided we would only be too pleased to proceed with these improvements.

The public and private schools have closed for the year but we would be pleased to have any of these groups use the Parkman bandstand for concerts.

Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of May 23, 1955, concerning the acceptance of Kardon street, Hyde Park.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
June 14, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of May 23:

"Ordered, That his Honor the Mayor request the Public Improvement Commission to arrange an early hearing date for the acceptance of Kardon street, Hyde Park, with a view to its early construction."

Every reasonable effort will be made to have the above-referenced street constructed as soon as possible, taking into consideration the appropriation available for street construction work, and also the large backlog of streets already included in the current year's program for highway construction and reconstruction.

TRANSFER OF APPROPRIATION TO BUILDING DEPARTMENT.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I am advised by the Chairman of the Board of Appeal that additional clerical assistance is required in order to keep abreast with the volume of business now being handled by the Board.

Legislation enacted in recent years has imposed additional requirements on the office and, at the present time, considerable overtime work is the only way open for the prompt dispatch of business. I feel that the request is justifiable and, accordingly, submit herewith an order providing for the transfer from the Reserve Funds of sufficient funds to permit the employment of an additional employee in the office.

I respectfully recommend the adoption of the accompanying order by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

Ordered, That in accordance with the provisions of section 3B of chapter 486 of the Acts of 1909, as amended by chapter 604 of the Acts of 1941, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Reserve Fund, $1,709.58, to the appropriation for Building Department, Board of Appeal, 1, Personal Services, $1,709.58.

Referred to the Executive Committee.

APPROPRIATION OF $100,000 FOR PARKS AND RECREATION DEPARTMENT.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I am advised by the Commissioner of Parks and Recreation that extensive renovations and reconstruction of roads throughout the entire park system is necessary. The more important areas on which immediate work of this character should be performed are indicated in the accompanying communication.

Since our park system is one of the most valuable assets of the city, I feel that the projects contemplated should be carried out without delay. I accordingly submit herewith an order appropriating from the Sales of City Property one hundred thousand dollars ($100,000) for the road work in question.

I respectfully recommend the adoption of the accompanying order by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Parks and Recreation Department,
June 22, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Sir:

It is respectfully requested that you arrange for the transfer of $100,000 from the appropriation, "Sales of City Property," to the appropriation, "Reconstruction and Repair of Parkways and Roadways, 1-11-41-711."

This appropriation is required so that we might proceed with the reconstruction and repair of parkways and roadways throughout the city. In our 1955 budget we requested an appropriation of $150,000 for roadway work, but the money was not appropriated. There is considerable road repair work to be done over the entire park system, but the more important areas upon which work should be started are as follows:

Park Drive, from Brookline avenue northerly to Beacon street. Reconstruct and widen.

Louis Pasteur avenue, from Fenway to Longwood avenue. Reconstruct.

Park Drive and Boylston street, the double road from Fens Bridge to Gaston Circle. Resurface.

Fenway, from Boylston Street Entrance at O'Reilly triangle to Westland Avenue Rotary, and from the rotary to Museum road at the side road to the museum. Resurface.

The total estimated expense for doing the above work is approximately $130,000. It will be necessary for us to ascertain just how much of the work will be done from the $100,000 for which transfer is requested.

An early consideration of our request will be appreciated.

Respectfully yours,
FRANK R. KELLEY, Commissioner.

Ordered, That under the provisions of section 63 of chapter 44 of the General Laws, the sum of one hundred thousand dollars ($100,000) be, and the same hereby is, appropriated from the special account, "Sales of City Property," to be expended under the direction of the Parks and Recreation Department, for "Reconstruction and Repair of Parkways and Roadways."

Referred to the Executive Committee.

LOAN ORDER OF $3,500,000 FOR SCHOOL COMMITTEE AND HOSPITAL DEPARTMENT.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I submit herewith a loan order in the amount of $3,500,000, to be allocated to appropriations already made for the School Committee and the Hospital Department.

This loan order is authorized, as described in the accompanying letter of the City Auditor, by chapter 49 of the Acts of 1933 as amended by chapter 262 of the Acts of 1955. This is a self-liquidating loan pledged against the receipts from the sale of tax title properties.

In order that the tax rate for the City of Boston may be declared within the next two weeks, I most earnestly request that your Honorable Body give one reading at today's meeting to the attached order, and the second reading 14 days hence. Passage of this order will not only hasten the declaration of the tax rate, but will also make it possible to keep any increase in the tax rate to a moderate amount.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Office of the City Auditor, June 24, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Sir:

Under the provisions of chapter 49 of the Acts of 1933, as most recently amended by chapter 262 of the Acts of 1955, municipalities are authorized, with the approval of the State Emergency Finance Board, to borrow from the Commonwealth for ordinary maintenance expenses and revenue loans, an amount not exceeding in the aggregate the total amount represented by tax titles taken or purchased by such city or town and held by it.

Since the enactment of the original legislation in 1933, the City of Boston has taken advantage of its provisions and converted a "frozen asset," represented by the amounts due on tax titles and tax possessions, into an immediately available cash resource on twenty-one occasions by negotiating loans with the Commonwealth totaling in the aggregate the sum of $29,614,500. The following table indicates the year and amount of the loans:

YEAR.	Amount.
1934	$3,800,000
1935	3,000,000
1936	7,000,000
1937	3,814,500
1938	5,000,000
1939	3,500,000
1940	2,000,000
1941	1,500,000
	$29,614,500

The statute provides that the term of the loan shall be one year with provision for renewal from time to time. The loan is liquidated by the monthly payment to the Commonwealth of tax title and tax possession receipts. The first loan negotiated was issued on November 1, 1934, in the amount of $3,800,000, bearing an interest rate of 4½ per cent, and was renewed on November 1, 1935, in the amount of $1,173,776.04, bearing an interest rate of 2½ per cent. The second loan was issued on June 18, 1935, in the amount of $2,000,000, bearing an interest rate of 2½ per cent, and was renewed in the amount of $925,083.42 on June 18, 1936, at the same interest rate of 2½ per cent. The third loan was issued on October 1, 1935, in the amount of $1,000,000, bearing an interest rate of 2½ per cent, and was renewed on October 1, 1936, at a rate of 1 per cent. All subsequent loans and renewals had an interest rate of 1 per cent. The statute also provides that any excess of the amount of interest received by the Commonwealth over the cost to the Commonwealth for interest on money borrowed to provide the funds for the tax title loans be refunded to the city. Because of this provision, the city received substantial refunds of interest paid, as the result of which the net cost to the city was at an average interest rate of less than one per cent.

Completely aware as we all are of the tremendous effect and influence of the tax rate on the economic and business life of the city, I submit for your consideration that the City of Boston again take advantage of this statute and negotiate with the Commonwealth for the issuance of a tax title loan in the amount of $3,500,000, to be used for ordinary maintenance expenses.

According to the records of this department, tax titles held by the City of Boston as of May 31, 1955, amounted to $3,657,953.66, and tax

possessions held as of the same date amounted to $1,975,120.57. Under the provisions of the statute it is necessary for the City Treasurer to petition the Emergency Finance Board for authority to make a loan of this character.

In the event that you approve of this recommendation, I suggest that a message and order be sent immediately to the City Council for consideration. Prompt action is necessary since the order will require two readings and votes by the Council, after which it must be referred to the Emergency Finance Board of the Commonwealth for its approval. At least three weeks will elapse before the order is fully effective and as this will be a factor in the determination of the tax rate, the necessity for immediate action must be evident.

Very truly yours,
JOSEPH P. LALLY,
City Auditor.

Ordered, That under the provisions of section 2, chapter 49, of the Acts of 1933, as most recently amended by chapter 262, of the Acts of 1955, the Collector-Treasurer be authorized to secure the approval of the Emergency Finance Board to an issuance of $3,500,000 in bonds or certificates of indebtedness of the city, said bonds or certificates of indebtedness to be sold at their face value to the Commonwealth of Massachusetts and the proceeds to be used for ordinary maintenance expenses as set forth in the following table:

On motion of Councillor Foley the order was referred to the Executive Committee.

REMOVAL OF ILLEGALLY PARKED VEHICLES.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

This communication is prompted by chapter 315 of the Acts of 1955 entitled "An Act Relative to the Removal of Vehicles Parked or Standing in Violation of Law on Public Ways in the Downtown Area of the City of Boston." It will be recalled that when chapter 369 of the Acts of 1954 empowering the Boston Traffic Commission to provide by rule or regulation for the removal of vehicles parked or standing in violation of law on public ways in the downtown area was accepted by your Honorable Body on October 25, 1954, the Police Commissioner voiced objection to the provision preventing the use of independent contractors to tow away the offending vehicles and also to the provision limiting the towing charge to $5 and the storage charges to 6½ cents an hour. Chapter 315 of the Acts of 1955 has been enacted to permit the use of an independent contractor selected on the basis of competitive bids invited by advertisement in the "City Record," to change the maximum towing charge to $8 and to limit the storage charges to the schedule of maximum rates contained in the then latest lease of a city-owned off-street parking facility. Chapter 315 of the Acts of 1955 will not take effect, however, until accepted by your Honorable Body subject to the provisions of the City Charter. Accordingly, I transmit herewith, and recommend the adoption of, an order accepting said chapter 315 of the Acts of 1955.

Respectfully,
J. B. HYNES, Mayor.

Ordered, That Chapter 315 of the Acts of 1955 entitled "An Act Relative to the Removal of Vehicles Parked or Standing in Violation of Law on Public Ways in the Downtown Area of the City of Boston" be, and the same hereby is, accepted.

Referred to the Executive Committee.

TRANSFER OF LAND ON NEPTUNE ROAD TO COMMONWEALTH.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

Chapter 438 of the Acts of 1955 provides for the acquisition by the Commonwealth of Massachusetts of the bridge carrying Neptune road, East Boston, over the former Boston, Revere Beach & Lynn Railroad tracks to World War Memorial Park on Wood Island. That park now belongs to the Commonwealth. Since the bridge cannot fairly be said to service any area other than the park, the Commonwealth should take over the bridge as an incident of the park. The bridge is a liability to the city rather than an asset because it requires repairs but produces no revenue. In view of this, the above-cited act provides that no damages shall be paid the city upon the Commonwealth's taking of the bridge. To guard against the city's being deprived of property without its consent, however, the act will not take effect until its acceptance by your Honorable Body subject to the provisions of the City Charter. As the bridge is presently in need of substantial repairs, immediate acceptance of the act would appear to be very much in the city's interest. Accordingly, I recommend early adoption of the order transmitted herewith.

Respectfully,
J. B. HYNES, Mayor.

Ordered, That chapter 438 of the Acts of 1955 entitled "An Act Providing for the Acquisition by the Commonwealth of a Certain Parcel of Land on Neptune road in the East Boston district of the City of Boston" be, and the same hereby is, accepted.

Referred to the Executive Committee.

CONTRIBUTION TO ART FESTIVAL BY METROPOLITAN DISTRICT COMMISSION.

The following was received:

City of Boston,
Office of the Mayor, June 27, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Executive Assistant to the Metropolitan District Commission relative to your order of June 13, 1955, concerning a contribution towards defraying the annual expenses of the Boston Art Festival.

Respectfully,
J. B. HYNES, Mayor.

—

Metropolitan District Commission,
June 23, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Sir:

Commissioner Greenough has asked me to acknowledge receipt of your memorandum of June 16 with the accompanying copy of an order of your Honorable City Council requesting the commission to consider the possibility of making a contribution towards defraying of the annual expenses of the Boston Art Festival.

The commissioner is, of course, in entire accord with the purposes served by the Art Festival and has loaned equipment to the Festival Committee to the extent possible, but he regrets that he must advise that no funds are available in the commission's accounts from which such a contribution could be made.

Very truly yours,
EDWARD F. BARRY,
Executive Assistant.

Placed on file.

LOAN ORDER OF $3,000,000 FOR REMODELING AND RECONSTRUCTING HOSPITAL AND LIBRARY BUILDINGS.

Coun. McLAUGHLIN called up, under unfinished business, No. 1 on the calendar, viz.:

I. Order for loan of $3,000,000 for remodeling and reconstructing hospital and library buildings.

On June 13, 1955, the foregoing order was read once and passed, yeas 8, nays 0.

The order was given its second reading and passage, yeas 9.

TRANSFER OF APPROPRIATION TO BUILDING DEPARTMENT.

Coun. WHITE moved the rules be suspended, and that the Council recall from the Executive Committee the order referred today for transfer of appropriation of $1,709.58 from the Reserve Fund to the Building Department, Board of Appeal, Personal Services.

The rules were suspended and the order was recalled from the Executive Committee.

The order was passed, yeas 9.

REPORT OF COMMITTEE ON LICENSES.

Coun. HAILER, for the Committee on Licenses, submitted the following:

Report on petition of Rapid Transit, Inc. (referred today), for license to operate motor vehicles on Bennington street, East Boston—recommending passage of the accompanying order:

Ordered, That a notice be given of a public hearing in accordance with chapter 9 of the Ordinances of 1953, to be held in the City Council Chamber, City Hall, on Thursday, July 14, 1955, at 11 A.M., by the Committee on Licenses of the Boston City Council to consider a petition of Rapid Transit, Inc., for an additional license for the operation of motor vehicles for the carriage of passengers for hire on Bennington street, between Saratoga street and Ashley street, and return over the same route in the East Boston district of Boston.

The report was accepted, and the order was passed.

REIMBURSEMENT BY COMMONWEALTH OF BALANCE OF SUMNER TUNNEL DEBT.

Coun. PIEMONTE offered the following:

Whereas, The Revenue Authority Advisory Committee of the Governor discloses that during the years 1934 to 1944 the City of Boston paid from its tax revenue the sum of $3,219,308.80 to meet the Sumner Tunnel debt for the years 1934 to 1944; and

Whereas, The state reimbursed the City of Boston the sum of $600,000 from the State Highway Fund in the years 1939 to 1946 leaving a balance of $20,619,308.80; be it

Resolved, That the Corporation Counsel study the legislation governing the Sumner Tunnel financing with a view to determining the possibility of obtaining for the city the sum of $2,619,308.80 not yet reimbursed by the state.

The resolution was adopted under suspension of the rules.

NAMING OF INTERSECTION IN HONOR OF ENRICO BAGA.

Coun. McLAUGHLIN offered the following:

Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the junction of Como road and Valaro road, Ward 18, in honor of the memory of Private Enrico Baga, an outstanding athlete while attending Hyde Park High School, who lost his life in the service of our country in Germany on March 16, 1945.

Passed under suspension of the rules.

COMMENDATIONS TO CERTAIN POLICE OFFICERS.

Coun. McLAUGHLIN offered the following:

Whereas, The services rendered the public by various employees of the city service are so frequently taken for granted; and

Whereas, Criticism, often unfair, is regularly directed towards the services of our city; and

Whereas, When employees of the City of Boston render outstanding services in the course of their employment, it should be the subject of commendation; therefore, be it

Resolved, That the police officers of Police Division 7, East Boston, be commended and rewarded for the valiant service and heroism displayed during a gun battle with robbers on June 18, when two members of the department were badly wounded; and, be it further

Resolved, That a copy of this resolution be forwarded to each member of the Boston Police Department who took part in this action.

The resolution was adopted under suspension of the rules.

TWO-WAY COMMUNICATIONS ON PUBLIC CARRIERS.

Coun. McLAUGHLIN offered the following:

Whereas, On June 22, 1955, the motor vessel "Pilgrim Belle" was seriously damaged while proceeding from Boston to Nantasket; and

Whereas, There were on board at that time approximately 300 passengers, most of them of school age; and

Whereas, It has now been determined that this motor vessel was without any modern means of communication; and

Whereas There might have been an appalling loss of life but for the quick thinking of the ship's captain and the proximity of Spectacle Island upon which the captain beached the ship; and

Whereas, There does not appear to be any sensible reason in these times for public carriers of any kind to be without modern means of communication; therefore be it,

Resolved, That the members of the Boston City Council, in meeting assembled, urgently request the officials of the Federal Government, the United States Coast Guard, and the Director of the Division of Public Safety in the Commonwealth of Massachusetts, to promptly initiate rules and regulations which would compel all public carriers to be suitably equipped to provide two-way communications and thus preclude a situation such as that of the plight of the passengers of the "Pilgrim Belle" on June 22; and be it further

Resolved, That a copy of this resolution be forwarded forthwith to each of the aforementioned agencies.

The resolution was adopted under suspension of the rules.

PROTECTION OF SCHOOL PROPERTY.

Coun. McLAUGHLIN offered the following:

Ordered, That the members of the Boston School Committee be requested, through his Honor the Mayor, to consider the advisability of arranging the summer schedule of schoolhouse employees so that school buildings will be properly protected from vandalism during the summer months when these buildings are unoccupied; and be it further

Ordered, That the School Committee be requested to investigate the possibility of the assignment of police officers during the nighttime hours to guard schoolhouse property.

Passed under suspension of the rules.

APPROVAL OF NEW MANAGEMENT OF BOSTON & MAINE RAILROAD.

Coun. HAILER offered the following:

Whereas, The economic welfare of the Port of Boston is of continuing concern to the Boston City Council; and

Whereas, The vitality of the City of Boston's industrial and commercial life is dependent in great measure on adequate transportation facilities; and

Whereas, The Boston & Maine Railroad is a vital component of the transportation complex which serves the Port of Boston and other areas and agencies of our city's industrial and commercial life; and

Whereas, The Boston & Maine Railroad has suffered serious attrition of its services and numbers of personnel; therefore be it

Resolved, That the Boston City Council approves of measures by which the new controlling ownership of the Boston & Maine Railroad may effect common management with the prospering New Haven Railroad; and be it further

Resolved, That a copy of this resolution be sent to Richard F. Mitchell, Chairman of the Interstate Commerce Commission.

Referred to the Executive Committee.

FIRE DEPARTMENT ORDERS.

General Order No. 40.

GASOLINE IN DWELLINGS.

Due to the increased use of power lawn mowers, outboard motors, and appliances which depend upon gasoline for motive power and when not in use are usually kept or stored in or on the premises of a dwelling, members of the department engaged in "In-service Inspections" shall be on the alert for their presence.

In any instance where such devices are found, occupants shall be warned of the inherent dangers of gasoline even though the quantity be small, informed as to the amount permitted by law and cautioned against filling appliance tank indoors. The inspectors shall stress that tank be drained before taking appliance indoors, and drained gasoline safely disposed of. NOTE:—Gasoline should never be left around in open containers, disposed of in toilets, washbasins, sinks, plumbing fixtures or drains, or permitted to get into the hands of children.

For the information and guidance of personnel on "In-service Inspections," section 23 of chapter 148 limits the amount of volatile inflammable fluid which may be kept, used or stored in any part of any building used for habitation without a permit to one quart contained in an approved safety can. This applies to a garage which is an integral part of a dwelling. Section 23 also limits the amount of gasoline which may be kept, used or stored without a permit to one gallon contained in an approved safety can within 50 feet of any building used for habitation—this would include a detached garage used in connection with a dwelling.

Upon discovery of any violation of section 23, whether in connection with these appliances or not, such volatile flammable fluid shall be immediately ordered removed from the premises.

By order of Fire Commissioner FRANCIS X. COTTER.

Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Sewerage Works in Joan Road, etc.," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, JULY 28, 1955, with a certified check for TWENTY-FIVE HUNDRED (2,500) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

BOWDITCH ROAD EXTENSION IN WARD 19 TO BE COMPLETED UNDER ORIGINAL D'AMICO CONTRACT FOR SIX STREETS IN SAME DISTRICT — ADDITIONAL COST TO BE $6,500.

J. D'Amico, Inc., has been authorized by Public Works Commissioner George G. Hyland, with the approval of the Mayor, to complete the Bowditch Road extension in Ward 19 as a part of his original contract for six streets in that vicinity. The original contract was for $69,734.10 to which the sum of $6,500 has been added for the work. The letter of approval reads as follows:

PUBLIC WORKS DEPARTMENT.
June 29, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Under date of October 5, 1954, a contract in the amount of $69,734.10 was awarded to J. D'Amico, Inc., of 49 Ellison avenue, Dorchester, for constructing six streets, including an extension to Bowditch road which is located in Ward 19. Subsequent to the award of the contract and acting under the provisions of

LICENSE OF STATES MARINE CORPORATION TO STORE, KEEP, AND SELL OIL AND GASOLINE IN EAST BOSTON REVOKED — COMMITTEE ON LICENSES, CONSISTING OF FIRE, BUILDING, AND TRAFFIC COMMISSIONERS, VOTED FOR REVOCATION — STATES MARINE CORPORATION LACKED POWER TO MAKE APPLICATION BY FAILURE TO COMPLY WITH GENERAL LAWS AS SPECIFIED.

On July 18 the following statement was issued from the office of the Mayor:

On June 21, 1949, the Board of Street Commissioners, now extinct, granted a license to States Marine Corporation for the keeping, storage, and sale of 100,000 barrels of range oil and fuel oil and 100,000 barrels of gasoline at the premises, 120–172 Border street, East Boston.

On July 15, 1955, the Committee on Licenses, which has succeeded to the powers of the Board of Street Commissioners, and which is composed of the Building Commissioner, the Fire Commissioner, and the Chairman of the Traffic Commission, voted to revoke the license granted to States Marine Corporation for the following reasons:

1. The application for said license was filed by the applicant, namely, States Marine Corporation, at a time when, due to its failure to comply with General Laws (Ter. Ed.) c. 181, ss. 3 and 5, it lacked power to make said application.

2. In the application for said license States Marine Corporation as applicant misrepresented itself as owner of said land when, due to its failure to comply with General Laws (Ter. Ed.) c. 181, ss. 3 and 5, its title thereto was, by virtue of General Laws (Ter. Ed.) c. 181, s. 9, invalid as against the Commonwealth and the local licensing authority as the representative of the Commonwealth.

3. States Marine Corporation, due to its failure to comply with General Laws (Ter. Ed.) c. 181, ss. 3 and 5, was, at the time of the granting of said license, without power to accept such grant.

4. Neither the owner nor the occupant of said land did in the year 1955, on or before April 30, file with the Fire Commissioner of Boston a certificate of registration setting forth the name and address of the holder of said license.

5. Said land has not been used for the purpose for which it was licensed within a reasonable time after the granting of said license.

Further ordered, That the secretary of this committee be, and he hereby is, authorized and directed to give notice of the foregoing order by sending an attested copy thereof forthwith by certified mail, return receipt requested, to William J. Fitzsimons, Esquire, attorney for States Marine Corporation, 40 Court street, Boston, Mass., and also to States Marine Corporation, 90 Broad street, New York City, New York.

Vote taken in Committee on Licenses, July 15, 1955.

BOWDITCH ROAD EXTENSION TO BE COMPLETED.

(*Continued from page 873.*)

Article 4A of the contract document, the resurfacing of Moss Hill road and the construction of Cricket Lane extension, West Roxbury, were added to the original contract. The work required on these two streets and the work on all streets in the original contract has been completed, with the exception of Bowditch road.

At the present time, we do not have sufficient money provided under the terms of the original contract to provide for the construction of the latter street, as the amount authorized has been used to complete the other five streets included in the original contract, plus the two streets that were added, namely, Moss Hill road and Cricket Lane extension. It is most important, however, to provide for the completion of the construction of Bowditch Road extension as soon as possible as it is a dirt street in deplorable condition and the work involved would have been done under the terms of the original contract except, as stated, that there are insufficient funds remaining at the present time.

In view of the circumstances, I feel that the only practical thing to do is to award a contract to the above-referenced contractor, without publicly advertising for proposals, for the construction of Bowditch Road extension, under the terms and conditions of the publicly-advertised contract that was awarded on October 5 of last year. The extension of Bowditch road consists of a short piece of a dead-end street and, therefore, normally involves costly highway work.

It is my opinion that if we advertised for bids for this work at the present time, we would receive unit prices higher than those in the current D'Amico contract. In addition, the proposed new contract may be considered as being awarded as the result of publicly advertising for bids, in that all terms, conditions and unit prices are to be based on the publicly-advertised contract that was awarded to the D'Amico Company on October 5 of last year.

I respectfully request, therefore, your authorization to dispense with advertising and award a contract in the amount of $6,500 to James D'Amico, Inc., of 49 Ellison avenue, Dorchester, for constructing Bowditch road, Ward 19, for a distance of approximately 250 feet westerly of the end of the present paved surface with the understanding that the work will be done in accordance with the terms, conditions and unit prices that appear in the contract that was awarded to said contractor on October 5, 1954, as the result of publicly advertising for proposals.

Respectfully submitted,

GEORGE G. HYLAND,
Commissioner of Public Works.

TRANSFERS OF APPROPRIATIONS.

The Mayor has approved the following request for transfer of appropriations:

PARKS AND RECREATION DEPARTMENT.
Cemetery Division.

From 599, Miscellaneous Equipment (Not Otherwise Classified), $4,000, to 120, Overtime, $4,000.

NEW MAIL SYSTEM TO START AUGUST 1.

(*Continued from page 873.*)

2. To handle all requisitions for postage requirements of departments located outside the Hall and Annex. (At the present time, this particular phase is being handled by the Auditing Department, Room 47, City Hall.)

3. To handle all interdepartmental mail arising within the Hall and Annex. (This will mean the discontinuance of all interdepartmental mail distribution now handled in the Mayor's Office and the Auditing Department.)

The Central Mailing Unit will be open from 9.30 A.M. to 4.30 P.M. each working day. Departments in the Hall and Annex will deposit mail matter at this unit twice a day—on or about eleven in the morning and not later than four in the afternoon. All mail deposited in this fashion will go out the same day. Mail left after 4 P.M. will be dispatched the following morning. Mail received after 4 P.M. on Friday or the last working day of each week will be held until Monday morning.

All mail deposited with the unit must be accompanied by a postage voucher prepared in duplicate, a copy of which is enclosed herewith. Departments depositing mail will fill out the area on the voucher above the double line. When the mail accompanying each voucher has been processed for mailing, the unit will complete the remaining detail on the voucher and return the original copy to the department involved. The returned vouchers will be utilized by the offices involved in the preparation of Standard Invoice forms. In submitting Standard Invoice forms the words "Postage Account" should be inserted in the place provided for the name of the vendor. Under the heading, "Description," should be listed the voucher numbers involved in the payment covered by the Standard Invoice form and in the "Amount" column the amounts of the respective vouchers. The department copy of this Standard Invoice form will be subsequently returned to your office.

In the case of offices with small mailing requirements, vouchers may be accumulated and Standard Invoice forms prepared at least once a month. In the case of offices using a substantial amount of postage, the Standard Invoice forms should be prepared once a week.

The following instructions are submitted for the information of departmental clerks and officials:

(*a*) All departmental postage now on hand will be used before utilizing the facilities of the Central Mailing Unit; in other words, until such time as your present postage supply is exhausted, you will continue handling your postage mail in the same manner as now obtains.

(*b*) Interdepartmental mail should be segregated from the mail requiring postage and so identified either by a rubber stamp or notation to the effect that it is "interdepartmental." Deliveries of this type should be made at the unit at the same periods as specified for the delivery of postage mail; clerks or messengers making such deliveries should also request one of the clerks on duty in the unit to deliver to him such interdepartmental mail as might be on hand for his particular department.

(*c*) Except in rare cases, all envelopes requiring postage should be submitted unsealed, *with the envelope flaps placed over one another.* In the event it is deemed desirable to seal a limited number of envelopes, they should be kept separate from the unsealed mail and properly faced. Departments using different sizes of envelopes should keep each size in a separate bundle; all insertions should be made before delivery to the unit.

(*d*) Mail in the following categories should be kept separate, as in the case of interdepartmental mail, and not mixed in with regular first-class mail:

Special Delivery	Foreign Mail
Registered	Second-class
Certified	Third-class
Air Mail	Fourth-class or Parcel Post.

Mail of this special character should also be stamped or properly identified before delivery to the unit in order that it will not be processed as regular first-class mail.

(*e*) Employees taking mail to the unit should not leave their mail on top of other mail on the counter during rush periods but should wait until the counter clerk is available to receive it.

(*f*) Enclosed herewith are three circulars issued by the Post Office Department covering rules and regulations governing all types of mail and, more especially, certified mail.

It will be noted that substantial savings can be realized through the utilization of certified mail in lieu of registered mail, wherever possible or permissible. In all cases where items of value are not involved, certified mail should be utilized rather than registered mail, provided the statutes or ordinances under which your department functions will permit of the same. In many cases where registered mail is utilized, there are no statutory requirements for the same and departments just go ahead and use this method as a matter of course where a receipt of notice is desired from an addressee. In all such cases in the future, such mail should be posted by certified mail rather than registered mail, thereby realizing a saving of 25 cents on each such parcel.

In order to expedite deliveries of mail within the Boston Postal District, the Post Office Department is insisting that we include zone numbers when addressing envelopes and one of the circulars enclosed sets forth the information required.

(*g*) Departments within the Hall and Annex requiring postage on or before August 1 should limit their requests to an amount sufficient to cover their needs through July 29.

Very truly yours,

CHARLES J. FOX, *Director.*

OIL LICENSE REVOKED IN EAST BOSTON.

(*Continued from page 873.*)

Commissioners of the City of Boston, with the approval of the Mayor of said city, to use the land at 120-172 Border street in the East Boston district of said city for the keeping, storage, and sale of 100,000 barrels of range oil and fuel oil and 100,000 barrels of gasoline, it be, and hereby is, decided as follows:

I. At the aforesaid hearing competent evidence was introduced warranting a finding, and it is found that:

a. States Marine Corporation is a corporation established, organized, or chartered under the laws of the State of New York.

b. States Marine Corporation has never in writing appointed the Commissioner of Corporations and Taxation of

the Commonwealth of Massachusetts and his successor in office to be its true and lawful attorney upon whom all lawful processes in any action or proceeding against it may be served.

c. States Marine Corporation has never filed with said Commissioner of Corporations and Taxation a duly certified copy of its charter, articles, or certificate of incorporation, or a true copy of its bylaws, or a certificate setting forth the data mentioned in clauses (*a*), (*b*), (*c*), (*d*), and (*e*) of General Laws (Ter. Ed.) c. 181, s. 5.

d. Neither the owner nor the occupant of the aforesaid land did in the year 1955, on or before April 30, file with the Fire Commissioner of Boston a certificate of registration setting forth the name and address of the holder of the aforesaid license.

e. The aforesaid land has not been used for the purpose for which it was licensed within a reasonable time after the granting of the aforesaid license.

II. The presumption of regularity attaching to official acts is such that the license registration certificates for the years 1950, 1951, 1952, 1953, and 1954, although seemingly improvidently executed, ought not on the evidence in this case to be controverted; and so charges numbered (4), (5), (6), (7), (8), (9), and (10) are waived, and rulings No. 11, No. 12, No. 13, No. 14, and No. 15 requested by the attorney for States Marine Corporation are denied as immaterial. The other rulings so requested are disposed of as follows:

No. 1 — denied
No. 2 — granted; but the committee does not so find.
No. 3 — denied.
No. 4 — granted; but the committee does not so find.
No. 5 — granted; but the committee does not so find.
No. 6 — denied.
No. 7 — denied.
No. 8 — denied.
No. 9 — denied.
No. 10 — denied.
No. 16 — granted.
No. 17 — denied.

III. The aforesaid license is hereby revoked on each of the following grounds:

1. The application for said license was filed by the applicant, namely, States Marine Corporation, at a time when, due to its failure to comply with General Laws (Ter. Ed.) c. 181, ss. 3 and 5, it lacked power to make said application.

2. In the application for said license States Marine Corporation as applicant misrepresented itself as owner of said land when, due to its failure to comply with General Laws (Ter. Ed.) c. 181, ss. 3 and 5, its title thereto was, by virtue of General Laws (Ter. Ed.) c. 181, s. 9, invalid as against the Commonwealth and the local licensing authority as the representative of the Commonwealth.

3. States Marine Corporation, due to its failure to comply with General Laws (Ter. Ed.) c. 181, ss. 3 and 5, was, at the time of the granting of said license, without power to accept such grant.

4. Neither the owner nor the occupant of said land did in the year 1955, on or before April 30, file with the Fire Commissioner of Boston a certificate of registration setting forth the name and address of the holder of said license.

5. Said land has not been used for the purpose for which it was licensed within a reasonable time after the granting of said license.

Further ordered, That the secretary of this committee be, and he hereby is, authorized and directed to give notice of the foregoing order by sending an attested copy thereof forthwith by certified mail, return receipt requested, to William J. Fitzsimons, Esquire, attorney for States Marine Corporation, 40 Court street, Boston, Mass., and also to States Marine Corporation, 90 Broad street, New York City, New York.

A true copy.

FRANK J. COUGHLIN,
Secretary.

SEWERAGE WORKS IN DORCHESTER.

The Public Improvement Commission has ordered that sewerage works be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within thirty (30) days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly Dorchester and are bounded as follows:

A parcel of land, owners unknown, being part of the private way known as Corman road, bounded:

Southwesterly by Cummins Highway, seventy feet; northwesterly by the northwesterly line of Corman road, by four measurements, twenty-three and 56-100 feet on a curve of fifteen feet radius, seventy-four and 18-100 feet, sixty-five and 73-100 feet on a curve of one hundred seventy feet radius, and four hundred forty-four and 33-100 feet; northeasterly by the northeasterly line of Corman road, one hundred twenty-nine and 87-100 feet; southeasterly by another portion of the private way known as Corman road, forty and 10-100 feet; southwesterly by the southwesterly line of Corman road, seventy-seven and 67-100 feet; and southeasterly by the southeasterly line of Corman road, by five measurements, nineteen and 48-100 feet on a curve of thirteen feet radius, three hundred ninety-five and 4-100 feet, fifty and 27-100 feet on a curve of one hundred thirty feet radius, seventy-four and 18-100 feet, and twenty-three and 56-100 feet on a curve of fifteen feet radius, containing twenty-seven thousand four hundred thirty-six square feet, more or less.

Voted, That this commission determines that no person sustains damages in his estate by the taking of an easement for sewerage purposes in Corman road, Dorchester district, between Cummins Highway and Hallowell street, under the order of the commission of July 6, 1955, and awards no damages therefor.

Owners unknown (Corman road), 27,436 square feet, nothing.

CONGRESS STREET WIDENING.

The Public Improvement Commission has ordered that a public improvement be made consisting of the widening and construction of Congress street, Boston Proper district, at the southwesterly corner of Dock square, bounded and described as follows:

The highway named Congress street is hereby widened and relocated at the southwesterly corner of Dock square, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto.

A parcel of land, supposed to belong to Merchants National Bank of Boston, bounded:

Easterly by the westerly line of Congress street as it existed prior to this order, eight feet; northerly by the southerly line of Dock square as it existed prior to this order, three feet; and southwesterly by other land of said Merchants National Bank of Boston, eight and 29-100 feet, containing twelve square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land, shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Congress street as hereby widened and relocated, is bounded:

Easterly by the westerly line of Congress street, eight feet; northerly by the southerly line of Dock square, three feet; and southwesterly by other land supposed to belong to Merchants National Bank of Boston, eight and 29-100 feet, containing twelve square feet, more or less.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and relocation of Congress street, Boston Proper district, at the southwesterly corner of Dock square, under the order of this commission of July 13, 1955, in the amount hereinafter set against it, and awards said amount therefor.

Merchants National Bank of Boston, 12 square feet, $1.

CHANGES IN SOCIAL SECURITY LAW.

Changes in the Social Security Act now make Old Age and Survivors Insurance benefits available to all municipal employees, except firemen and policemen. The procedure varies, however, for those who are eligible for membership in existing retirement systems and those who are not.

The most important point to remember is that the municipality must take the initiative to secure OASI coverage for its employees and must act through the state government. Proper enabling legislation and contractual clauses in state documents are "musts." They secure coverage as part of the state's contract with the Bureau of Old Age and Survivors Insurance, U. S. Department of Health, Education and Welfare.

VII. LETTER OF APPRECIATION.

The following letter from his Honor, Mayor John B. Hynes, is hereby published for the information of the department:

July 6, 1955.

MR. FRANCIS X. COTTER,
Fire Commissioner.
DEAR MR. COTTER:

Thank you for the part you and your department played in making our 1955 Charity Field Day so big a success.

As you know, the money from the Field Day Fund is used to assist needy and underprivileged people and deserving charities.

It appears that our fund this year will be the biggest ever. I am sure you will get great satisfaction from the knowledge that you helped to make that possible.

Would you please post this letter so that your entire department will know of my deep gratitude.

Sincerely yours,

J. B. HYNES, *Mayor.*

By order of Fire Commissioner FRANCIS X. COTTER.

JOHN V. STAPLETON,
Chief of Department.

PROCEEDINGS OF CITY COUNCIL.

Monday, July 11, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend Anthony Cioe, O.F.M., of St. Leonard of Port Maurice Church, Boston, was escorted to the rostrum.

INVOCATION BY REV. ANTHONY CIOE.

O Omnipotent and Eternal God, we beseech Thy help in the work that lies before us. The people have selected us as their representatives. They expect what is best from us. Only with Your grace and Your assistance can their expectations be realized.

O understanding and always helpful God, You who make such splendid allowances for human frailty, assist us so that we may never be motivated by monetary or selfish aims. Make us mentally strong to consider what is right. Make us physically strong to carry out what is best for the people who have put their trust in us.

Dear God, this is our humble prayer. Hear and answer it. Amen.

A prayer was offered for the repose of the soul of John Malloy, the father of Walter J. Malloy, City Clerk.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

CREATION OF METROPOLITAN PLANNING BOARD.

The following was received:

City of Boston,
Office of the Mayor, July 11, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Corporation Counsel relative to your resolution of March 14, 1955, concerning the creation of a Metropolitan Planning Board.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Law Department, July 5, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

The resolution adopted by the City Council on March 14, 1955, favoring the enactment of legislation to encourage the creation of a Metropolitan Planning Board prompts me to call to the attention of the City Council through you chapter 374 of the Acts of 1955 entitled "An Act to Permit the Establishment of Metropolitan or Regional Planning Districts Within the Commonwealth."

Respectfully,
WILLIAM L. BAXTER,
Corporation Counsel.

Placed on file.

PURCHASE OF PAINTING, "WASHINGTON AT DORCHESTER HEIGHTS."

The following was received:

City of Boston,
Office of the Mayor, July 11, 1955.

To the City Council.

Gentlemen:

A short while ago, I was privileged to see a very fine oil painting of "Washington at Dorchester Heights," done by the late Emanuel Leutze, which was offered for sale by the Vose Galleries of Boston, Inc., for $7,500.

It was my opinion that such a fine painting which commemorated an important historical event in Boston should remain in this city and become the property of the City of Boston. Accordingly, I took an option for the purchase of the painting and appointed a committee to make an appeal to the general public for donations to enable the City of Boston to become the owner of this painting.

I am very happy to announce that the donations from the general public have now reached the goal of $7,500 and that Mr. J. Reed Morss, President of the Boston Five Cents Savings Bank, who kindly consented to be custodian of this fund while the public donations were being made, is ready to present to me the proceeds of this fund.

Therefore, I submit herewith to your Honorable Body an order enabling the acceptance of the donations, the purchase of the painting and the funding of any balance for the care and preservation of the painting, and respectfully request approval of the accompanying order. I also submit a communication from the Chairman of the Art Commission approving the purchase of the painting. This is a necessary requirement under the ordinances of the city.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Art Commission, Faneuil Hall,
July 6, 1955.

Hon. John B. Hynes,
City Hall, Boston, Mass.

My dear Mr. Mayor:

The Art Commission approves the purchase of the painting "Washington at Dorchester Heights," by Emanuel Leutze, for which $7,500 has been raised by popular subscription.

Respectfully,
HOWARD T. CLINCH, Chairman.

Ordered: 1. That the Mayor be, and he hereby is, authorized and empowered to accept in the name and behalf of the City of Boston from the Washington at Dorchester Heights Committee such sums as have been or may be received by said committee through the donations of public-spirited persons for the purpose of enabling the City of Boston to acquire and preserve the oil painting by Emanuel Leutze of "George Washington at Dorchester Heights;"

2. That the Mayor be, and he hereby is, authorized and empowered to expend from the sums so accepted not exceeding seventy-five hundred dollars ($7,500), for the purpose of purchasing for the City of Boston the aforesaid oil painting; and

3. That all sums accepted from the Washington at Dorchester Heights Committee in excess of the amount required to purchase for the city the oil painting by Emanuel Leutze of "George Washington at Dorchester Heights" be funded as the Washington at Dorchester Heights Fund—with all income therefrom to be added to the principal and with so much of the principal as may from time to time be necessary to be used for the care and preservation of said oil painting.

On motion of Councillor Picmonte the rules were suspended and the order was passed.

CENTRAL MAILING UNITS.

The following was received:

City of Boston,
Administrative Services Department,
July 5, 1955.

Walter J. Malloy,
City Clerk.

Dear Sir:

In accordance with the provisions of section 2 of chapter 3A of the Revised City Ordinances, I submit herewith a copy of a report sent to the Mayor on the subject of the installation of Central Mailing Units to handle the out-going mail requirements of the City Hospital as well as all departments located in City Hall and the Annex.

Very truly yours,
CHARLES J. FOX, Director.

Administrative Services Department,
June 27, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:

With a view to controlling and reducing postage costs which have been rising steadily during the past decade, considerable thought and study have been devoted by the Administrative Services Board to the advantages of installing Central Mailing Units to handle the out-going mail requirements of the City Hospital as well as all departments located in City Hall and the Annex.

It was found that the only efficient method to accomplish the control desired was to establish centralized operations in the matter of mailing. It is estimated that by so doing we can realize a savings in postage costs alone of from 10 to 15 per cent annually. Since departmental postage expenditures total annually in excess of $125,000, a minimum savings of $15,000 is anticipated. The Post Office Department has found that approximately 4 per cent of the adhesive postage stamps sold is never used. The discontinuance of the use of government stamped envelopes and the substitution therefor of commercially purchased envelopes will also effect savings. At the State House centralized mailing has been in operation for thirty-two years with a large degree of success and it is believed that a similar procedure at the City Hospital and in the Hall and Annex would produce beneficial results.

The results of the Board's studies may be summarized by listing some of the advantages of a centralized mailing room:

(a) Systematizes operations and avoids duplications and errors by combining into one unit scattered operations pertaining to one of the most important details of municipal management.

(b) Centralizes this unit and brings it under the direction of individuals trained in up-to-date mailing procedures so that all correspondence in both the Hall and Annex will receive the attention its importance demands.

(c) Puts important details of mailing in charge of one person who is familiar with the Rules and Regulations of the Postal Service and equips himself to properly conduct this important unit.

(d) Saves postage by placing the supply of postage in control of one responsible individual, making it possible to keep a proper accounting of all postage purchased.

(e) Saves clerical work as stenographers can devote their full time to correspondence if they are alleviated of the detail of despatching it.

(f) Avoids congestion by eliminating rush work in various departments at the close of business hours and staggers the mailings so that the day's correspondence is not received at the Post Office in one bulk mailing during the peak hours when congestion also prevails there.

(g) Permits the economical use of modern labor saving devices which each department concerned would not be justified in buying for their mail requirements alone.

The Administrative Services Board proposes, with your approval, to establish central mailing units at the City Hospital and in City Hall Annex in the Collecting Division of the Treasury Department. The Director of Hospitals is in favor of this action and already has plans for making space available for such a unit. With slight structural changes, space can be provided in the Collecting Division for the installation of modern mailing equipment, funds for the purchase of which are available in the Equipment Loan.

Respectfully submitted,
CHARLES J. FOX, Chairman,
JOHN A. SULLIVAN,
JOHN V. MORAN,
JAMES E. GILDEA,
JOSEPH P. LALLY.
LAWRENCE W. COSTELLO,
Administrative Secretary.

GREETINGS TO FRENCH NATION ON BASTILLE DAY.

Coun. McCORMACK offered the following:

Whereas, All men of good will are cognizant of the great contributions the French people have made to philosophy, literature, the arts, science and the cause of liberty everywhere; and

Whereas, In our country's heroic and successful struggle for independence in the 18th century, the names of the Marquis de la Fayette and the Count de Rochambeau will forever be held hallmarks of American independence and history; and

Whereas, To the governments and industries of our great communities throughout our country, men and women of French ancestry have brought and given freely of the knowledge, experience, vivacity, devotion and brilliance that is the heritage of all French people, particularly in our own great State of Massachusetts where so large a portion of our population are citizens of French birth or French parentage; and

Whereas, On July 14, 1789, the people of Paris rose in rebellion and precipitated one of the greatest and most heroic struggles for freedom in the history of mankind. On that day they seized the Bastille—a hated symbol of oppression and tyranny and deposed the despot King Louis XVI. The following day, they commenced the razing of this hated fortress and on that day they sent the key of this jail to George Washington, the Father of our Country, as a symbol of their devotion and regard for him as the Father of Freedom and Liberty for all men; and

Whereas, The taking of the Bastille sounded the clarion call for all Frenchmen to rise and rally round the standard of liberty, equality and fraternity in the great nation of France; therefore be it

Resolved, That the Boston City Council, in the name of our great city and its citizens, send greetings to the great French nation and our fellow American citizens of French ancestry here and throughout the world on their celebration of the 166th anniversary of Bastille Day—that epochal hallmark in mankind's constant struggle for freedom; and be it further

Resolved, That copies of this resolution be sent to Consul Francois Charles-Roux and Vice Consul Rene Cerisoles with the personal congratulations of the City Council for the splendid and efficient manner in which they carry on the duties of their office.

The resolution was adopted under suspension of the rules.

CONGRATULATIONS TO ATTORNEY JOSEPH SCHNEIDER AND MASSACHUSETTS BAR ASSOCIATION.

Coun. McCORMACK offered the following resolution:

Whereas, At the recent meeting of the Massachusetts Bar Association, Attorney Joseph Schneider was elected President; and

Whereas, This is the first time in the history of this organization's activities that one of the Jewish faith has been so honored; therefore be it

Resolved, That the Boston City Council, in meeting assembled, congratulate Attorney Schneider for being elevated to a position for which he is so eminently well qualified; and be it further

Resolved, That congratulations are also extended to the Massachusetts Bar Association for this splendid example of democracy in action.

The resolution was adopted under suspension of the rules.

TO EXTEND FENCE AT MURPHY PLAYGROUND.

Coun. HURLEY and KERRIGAN offered the following:

Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to extend the fence in the left field of Murphy Playground, Jamaica Plain.

Passed under suspension of the rules.

Adjourned at 4.14 P.M., on motion of Councillor Ahearn, to meet on Monday, July 25, 1955, at 2 P.M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

CONSTRUCTION OF BUILDINGS.

Invitation for Proposals for Construction of Addition to Public Works Department Garage, Highland Street, Roxbury, Mass.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, hereinafter referred to as the Awarding Authority, invites sealed proposals for CONSTRUCTION OF ADDITION TO PUBLIC WORKS DEPARTMENT GARAGE, HIGHLAND STREET, ROXBURY, MASS. Proposals will be received until 2 P.M., Thursday, August 4, 1955, at Room 506, City Hall Annex, Boston, Mass., and they will be publicly opened and read aloud immediately thereafter in the Hearing Room, Room 401, City Hall Annex.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of seven hundred (700) dollars, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and plans may be obtained on and after 11 A.M., Tuesday, July 26, 1955, at Room 506, City Hall Annex. There will be a charge of two (2) dollars (not refundable), for each set of plans and specifications taken out.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 per cent of the contract price will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all bids in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

INVITATION FOR PROPOSALS FOR ASPHALT SHINGLE ROOFING, RIVER STREET, MATTAPAN.

The City of Boston, acting by and through the Boston Housing Authority, Room 303, 230 Congress street, Boston, in accordance with the provisions of chapter 372 of the Massachusetts Acts of 1946, as amended, invites proposals for asphalt shingle roofing and related work on certain wood frame houses at the River Street Development, Mattapan district, City of Boston.

A bond will be required for doing the work of a surety company authorized to transact business in the Commonwealth of Massachusetts in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city.

Forms of proposals may be obtained at Room 303, 230 Congress street, Boston. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Asphalt Shingle Roofing, River Street, Mattapan," and left at Room 303, 230 Congress street, Boston, Mass., before 1 P.M., Eastern Daylight Time, on Monday, August 1, 1955, at which time and place the proposals will be publicly opened and read aloud.

Bid security in the sum of 5 per cent of the amount of each proposal in the form of cash or certified check shall accompany each proposal.

Proposals must be made in quadruplicate, one (1) sealed proposal without bid security to be deposited by the bidder with the City Auditor previous to the time set for opening the bids.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Boston Housing Authority. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of said contract.

The city reserves the right to reject any or all proposals and to waive any informalities either in the bidding or in the proposals, and reserves the right to award the contract or contracts as it deems for its best interests.

No bid may be withdrawn for a period of thirty (30) days subsequent to the opening of bids without the consent of the city.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET, OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR CLEANING GLASS IN WINDOWS, DOORS, AND TRANSOMS ON THE OUTSIDE OF BOSTON PUBLIC SCHOOL BUILDINGS.

The School Committee of the City of Boston invites bids for cleaning glass in windows, doors, and transoms on the outside of Boston public school buildings. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Cleaning Glass in Windows, Doors, and Transoms on the Outside of Boston Public School Buildings." Successful bidders will be required to comply with all the applicable revised rules and regulations for the prevention of accidents in window cleaning as contained in Industrial Bulletin No. 21 of the Department of Labor and Industries Division of Industrial Safety, with the exception that the following methods only may be used where such rules and regulations are applicable: (1) working on a ladder; (2) working from a scaffold; (3) working from a boatswain's chair. The bids must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston at the rate of fifty dollars ($50) for each district on which bid is submitted, must be left at the office of the Business Manager on or before 12 o'clock noon on Thursday, August 4, 1955. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be left with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The successful bidders will be required, before commencing performance, to provide by insurance (*a*) for the payment of compensation and the furnishing of other benefits under Workmen's Compensation Law, General Laws, chapter 152, to all persons to be employed under the contract; (*b*) public liability and property damage in the amounts set forth in the proposal form. The School Committee reserves the right to reject any or all bids, and to accept the bid or bids which it deems best for the interests of the city. The bidders awarded the contract must furnish a suitable bond or deposit of money or other security for the faithful performance of the contract in the amount of not less than 100 per cent thereof.

VOL. 47 SATURDAY, JULY 30, 1955. NO. 31

BOSTON UNDERTAKING BIGGEST HIGHWAY PROJECT IN HISTORY OF CITY — HYDE PARK AVENUE TO BE COMPLETELY RECONSTRUCTED FOR A DISTANCE OF 9,500 FEET — CONTRACT AWARDED TO DOOLEY BROTHERS, INC., THE LOW BIDDER, AT $267,180 — TO BE MODERN IN EVERY RESPECT, WITH TWO SEPARATE ROADWAYS.

Bids were opened on Wednesday, and Mayor Hynes signed the contract for the biggest Chapter 90 Highway Project ever undertaken in the City of Boston. Public Works Commissioner George G. Hyland made the announcement, following the approval by the Mayor:

The project involves the complete reconstruction of Hyde Park avenue, from Walk Hill street, Forest Hills, to Metropolitan avenue, in Hyde Park, a distance of 9,500 feet.

The present highway, which is 54 feet in width from curb to curb, will be con-

REPORT OF LOUIS F. MUSCO, SCHOOL COMMITTEE MEMBER, ON ATTENDANCE AT CONVENTION OF MASSACHUSETTS ASSOCIATION OF SCHOOL COMMITTEES IN SWAMPSCOTT, MAY 12-14, 1955.

The following is the report of Boston School Committeeman Louis F. Musco on his attendance at the convention of the Massachusetts Association of School Committees, at the New Ocean House, Swampscott, May 12-14:

Mr. Musco took a leading role at this convention during the three-day session. He presented the program director, Edward Sherburne of Channel 2, Educational Station WGBH-TV, and conducted a question and answer period on the subject. As acting chairman of the Nominating Committee he presented the slate of officers of the Massachusetts Association of School Committees to the business meeting, supervised the voting of the members for the officers to serve through the 1956 convention, and the election of same to the membership.

During the panel discussion, "School Board Members in Action," Mr. Musco delivered the following report to the assembly:

(Continued on page 895.)

BOSTON'S TAX RATE FOR 1955, $69.80—SAME AS LAST YEAR — MAYOR JOHN B. HYNES HOLDS DOWN RATE FOR BENEFIT OF TAXPAYERS DESPITE UNUSUALLY HEAVY DEMANDS BECAUSE OF FALLING VALUATIONS AND INCREASES IN COSTS FOR CITY SCHOOLS AND COUNTY OPERATIONS — HIGHER RELIEF AND WELFARE COSTS, SLIDING-SCALE ADJUSTMENTS ADD TO DIFFICULTIES OF REVENUE BALANCING TO ACHIEVE ACCOMPLISHMENT.

Upon July 26, Mayor John B. Hynes issued the following statement on the 1955 tax rate:

The tax rate for 1955 has been fixed at $69.80 per thousand valuation, the same rate as that of 1954.

Despite increases in expenditures over which city officials have little or no control; despite a marked falling off in the total valuations of the city; and despite an increase in the appropriation for the overlay account, it has been possible to hold the 1955 rate at the same level as the rate of last year. In view of the fact that the average tax rate increase of the cities and towns in the Commonwealth for the year 1955 is $5 per thousand, with some increases as high as $10, it is gratifying to report that there will be no increase in the Boston tax rate for this year.

In arriving at the 1955 rate, full advantage has been taken of all sound and acceptable methods of municipal financing. For example, a loan of three and one half million dollars has been approved and will be used as an income credit. This loan does not pledge the general credit of the city. It is a self-liquidating loan amply protected by tax title assets. In the judgment of the chief financing officers of the city, the Boston City Council and the State Emergency Finance Board, this type of loan authorized by the Legislature, is fully justified. With this judgment I concur. At this stage in the life of our city, it is incumbent to utilize every legal and sound means of financing to keep the tax rate from soaring to discouraging heights.

Maintenance Costs.

The maintenance costs for city, school, and county operations for 1955 are some two million five hundred thousand dollars greater than for 1954. The chief contributing factors to this increase are greater requirements for sliding-scale adjustments for employees; higher relief and welfare costs; and perceptibly higher costs for noncontributory pensions. Other factors which affect the balancing of the income and expenditures of the city are a decrease in revenues in the School Department; an increase in debt requirement appropriations; an increase in appropriations for support of loans; an increased appropriation of close to half a million dollars in the amount set aside for the overlay account; and a net loss of some twenty-five million dollars in the total valuations of the city.

Although the greater amount set aside this year for overlay, and the severe drop in property valuations represent over a dollar in terms of the tax rate, nevertheless, the increase in the overlay appropriation from three to three and one half per cent, and the reduction in valuations to meet adjustments made by the Assessing Department Board of Review, are forward steps toward more realistic and stable valuation procedures and methods.

Growing Expenditures.

Growing municipal expenditures in areas where economies, for one reason or another, cannot be instituted; and a shrinking of the tax base, point up the desirability of a serious evaluation of the city's needs, and the

REPORT OF LOUIS F. MUSCO ON ATTENDANCE AT CONVENTION.

(*Continued from page 893*)

Louis F. Musco, Boston School Committeeman, acts as an official of the Massachusetts Council for Public Schools.

The Massachusetts Association of School Committees is represented on this Board of Directors by his attendance at biweekly meetings in the interests of public school education.

The goal of our public schools should be to make the best in education available to every American child and adult on completely equal terms.

Public school education should be constantly reappraised and kept reponsive both to our education traditions and to the changing times.

The problem of its people's schools lies at the heart of a free society. None of man's public institutions has a deeper effect upon his conduct as a citizen—whether of the local community, of the nation, or of the world.

With these basic beliefs in mind, the Massachusetts Council for Public Schools has set for itself and its nation-wide councils two immediate goals:

To help Americans realize how important our public schools are to our expanding democracy.

To arouse in each community the intelligence and will to improve our public schools.

How do we as elected School Committee members and state officials of the Commonwealth of Massachusetts fulfill our obligations of promoting better public school education?

You, as an interested, informed, public-spirited citizen, hold the key to public school improvement in your community because you represent the people!

You can open the door and show the way to better local public school education in your locality throughout the Commonwealth because you can institute immediate action!

The two most prevalent and prominent obstacles to better schools are, primarily, PUBLIC INDIFFERENCE and, secondly, EDUCATIONAL INADEQUACIES.

The Massachusetts Council for Public Schools can be a tremendous force in assisting school committee members to solve their local problems by seeking impartial research and information. This group of citizens is dedicated to the cause of better local public schools and state-wide public education. They can help you, upon request, through opening the first door of PUBLIC INDIFFERENCE by:

Arousing among citizens throughout the state a sense of responsibility toward public education.

Assisting in the organization by individuals and groups of local school councils whose objective will be intelligent and constructive support.

Holding regional meetings throughout Massachusetts at which lay citizens in workshops can discuss school problems.

Publishing "News and Notes," a monthly bulletin informing individuals of significant developments in public education at local, state, and national levels.

Providing outstanding educators as speakers to lay groups on all phases of education.

Furnishing case histories which outline how American citizens in their respective communities have worked together with school administrations in the solution of a host of school problems.

They can assist you and other individuals in your efforts to unlock the second barred door of INADEQUACIES OF PUBLIC EDUCATION by:

Organizing the 40 local citizen councils throughout the state. These councils are autonomous but rely on the main council for statistical information, case histories, and many other matters connected with public school problems. These local councils represent a cross section of their communities. They work with the school authorities, and their opinions are based on adequate study and research.

Committee on teacher preparation endeavors to increase the supply of qualified teachers in Massachusetts. Mass meetings for prospective teachers are held, and literature is distributed to liberal arts college undergraduates. The committee also works with the departments of education of the many colleges and universities in Massachusetts and with the State Department of Education in an effort to create effective courses in training programs for potential teachers.

Committee to study legislation works with representatives from several professional and lay state-wide groups in an endeavor to clarify the significance of all proposed education legislation and increased school aid.

The purpose of the conference expressed in the theme "Better Schools Make Better Communities" was successful in its design to study ways in which local citizens may develop community action for better schools.

TAX RATE FOR 1955 ANNOUNCED.

(*Continued from page 893.*)

procurement of new revenues to meet some of those needs. It is becoming more apparent, year by year, that real estate cannot, and should not, bear such a major share of municipal costs. Before further burdens are thrust upon both business and home properties, it is of telling importance that the Legislature revise the tax structure of the Commonwealth and the cities and towns therein. Unless this is done soon, we shall all suffer from the competition of other states which have provided the financial impetus to encourage home building and business growth.

Under all the circumstances, I am relieved that the tax rate for 1955 remains the same as that of 1954.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

An 8-inch pipe sanitary sewer in Woodland road, between 300 feet northeast of River street and 220 feet northeasterly, in the Hyde Park district, at an estimated cost of $3,000.

—

A 12-inch pipe surface drain and 10-inch pipe sanitary sewer in Itasca street, between Currier street and 300 feet northeasterly, in the Dorchester district, at an estimated cost of $4,200.

LARGE HIGHWAY PROJECT STARTED IN HYDE PARK.

(*Continued from page 893.*)

verted into a so-called double-barreled highway, with a center safety strip 4 feet wide for the entire length of the street, and two separate roadways, each of which will be 29 feet wide from curb to curb. The increase in roadway width will be accomplished by narrowing the present 13-foot sidewalks to sidewalks 9 feet wide.

The propesed new highway will be modern in every respect, and particularly with regard to highway safety. It will be similar to the Columbia Road Project which was completed four years ago as a Chapter 90 Project. Work is to be completed by the end of the year. The city assumes entire contract, but state will reimburse city for half of costs later.

A low bid in the amount of $267,180 was submitted by Dooley Brothers, Inc., 39 George street, Roxbury, to whom the contract was awarded. Other bids submitted were as follows:

Old Colony Construction Company, $270,315.80.

Rufo Construction Company, $271,462.20.

Baker & Co., $285,762.50.

J. A. Susi & Son, Inc., $303,052.

William P. Capone Corporation, $320,658.75.

MAYOR HYNES VETOES EXTRA PAY FOR PATROLMEN AS WITNESSES IN CRIMINAL CASES.

CITY OF BOSTON,
MAYOR'S OFFICE, July 21, 1955.

To the City Council.

GENTLEMEN:

I return herewith disapproved, and without my signature, the order adopted by your Honorable Body on July 11, 1955, for the acceptance of chapter 223 of the Acts of 1955, entitled "An Act Granting Compensatory Time Off to Certain Police Officers in Attendance in Certain Criminal Cases."

In the opinion of the Police Commissioner the effect of the acceptance of this act would be to encourage and to place a premium on indiscriminate arrests for any real or suspected violation of law. Further, it is estimated that the operation of this act would add at least $250,000 a year to the expenses of the Police Department and would in no sense be an improvement in the administration of that department.

Respectfully,

JOHN B. HYNES, *Mayor.*

BACK BAY BUSINESSMEN ASK PUBLIC HEARING ON COMMON GARAGE PLANS.

The following communication has been received at the office of the Mayor:

"BACK BAY ASSOCIATION, INC.,
Robert Cauchon, Executive Secretary,
229 Berkeley Street, Boston.
July 26, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

MY DEAR MAYOR HYNES:

At a meeting of the Directors of the Back Bay Association, held last night, it was decided that we should call to your attention the fact that, when we

originally went on record as in favor of the Boston Common Garage, we were, in fact, approving an underground garage and at that time understood there would not be a Public Garden tunnel, entrance, and exit on Commonwealth Avenue Mall, or concessions in the facility.

It is, therefore, our opinion that, before plans are approved, there should be a public hearing and an opportunity given the contractors and Motor Parks, Inc., to show an actual elevation and plan of the proposed new construction.

We shall appreciate your assistance toward a clarification of the changes made since our approval.

Very truly yours,

HOWARD C. NASON, *President*,
Back Bay Association, Inc."

Officers of the Association are:

Howard C. Nason, President, Manager, Institution for Savings in Roxbury.

Joseph E. Burns, First Vice-President, Manager, New England Telephone & Telegraph Company.

POLICE DEPARTMENT ORDERS.

General Order No. 2,015.

The following-named officer having requested retirement under the provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Wednesday, July 20, 1955, at 7.45 o'clock A.M.:

Detective Patrick L. Harrington, Detective Bureau (detailed to Division 13), 35 years of service.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

STREET CONSTRUCTION IN DORCHESTER.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the widening and construction of Hill Top street, Dorchester district, at the northwesterly corner of Crockett avenue, bounded and described as follows:

The highway named Hill Top street is hereby widened at the northwesterly corner of Crockett avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees, shrubs or structures standing upon or affixed thereto.

A parcel of land, supposed to belong to William F. and Elsie M. Lyons, bounded:

Easterly by the westerly line of Crockett avenue as it existed prior to this order, two and 40-100 feet; southerly by the northerly line of Hill Top street as it existed prior to this order, forty and 29-100 feet; northerly by the northerly line of Hill Top street as widened under this order, forty and 10-100 feet, on a curve of three hundred thirty-six and 69-100 feet radius, containing thirty-three square feet, more or less.

Trees, shrubs or structures standing upon or affixed to the aforedescribed land, shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Hill Top street as hereby widened is bounded:

Easterly by the westerly line of Crockett avenue as it existed prior to this order, two and 40-100 feet; southerly by the northerly line of Hill Top street as it existed prior to this order, forty and 29-100 feet; northerly by the northerly line of Hill Top street as hereby widened, forty and 10-100 feet on a curve of three hundred thirty-six and 69-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the making of the public improvement, consisting of the widening and construction of Hill Top street, Dorchester district, at the northwesterly corner of Crockett avenue, under the order of the commission of July 20, 1955, in the amount hereinafter mentioned, and awards said amount therefor.

William F. and Elsie M. Lyons, 33 square feet, $1.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following streets, effective July 25, 1955:

Frawley Street, Roxbury.
From Huntington avenue to Hillside street.

Mission Street, Roxbury.
From Huntington avenue to Stockwell street.

Stockwell Street, Roxbury.
From Wait street to Frawley street.

—

Upon July 21 the Mayor approved a contract with Gledhill Brothers, Inc., for furnishing furniture for the new addition to the Curtis Guild School, Ashley street, East Boston, for Items 1, 9, and 10, in the amount of $3,032.

—

Upon July 21 the Mayor approved a contract as requested in the following letter:

BOSTON, July 20, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

In response to an advertisement in the *City Record* of June 11, 1955, bids for furniture for the new addition to the James J. Chittick School, as per attached

mimeographed detail, were received and publicly read aloud on June 23, 1955.

Subject to your Honor's approval I am awarding a contract to O. P. Killam & Son, Marblehead, for Items 2 and 12, in the aggregate amount of $1,101.72.

Respectfully yours,

JAMES H. MOONEY,
Superintendent of Construction.

—

Upon July 21 the Mayor approved a contract with E. F. Maloney, Inc., as requested in the following letter:

BOSTON, July 20, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

In response to an advertisement in the *City Record* of May 28, 1955, the attached list of bids for furniture for the new addition to the Curtis Guild School, Ashley street, East Boston, was received and publicly opened and read aloud June 9, 1955.

Subject to your Honor's approval I am awarding a contract to E. F. Maloney, Inc., 131 Clarendon street, Boston, for Item 6, in the amount of $2,242.56.

Respectfully yours,

JAMES H. MOONEY,
Superintendent of Construction.

PUBLIC WORKS DEPARTMENT.

Upon July 20 the Mayor approved a contract with R. A. WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, contractors, etc., for furnishing labor, supplies, and other services. Communications from heads of the departments interested were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, July 6, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

In accordance with the provisions of the letter approved by your Honor on January 24, 1955, authority is requested to award a contract, without public advertisement, to the following company for furnishing perishable foods to the various city departments, from July 6, 1955, to March 31, 1956, inclusive: Netto & Wheaton, Inc., 3 Blackstone street, Boston.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, July 12, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of an estimate from the Boston City Hospital for Becton-Dickinson Vacutainer tubes, adapters, needles, etc., for delivery to the Out-Patient Department Laboratory and Central Supply Room.

Prices on the above supplies are established by the manufacturer who will not sell direct to the city. All Becton-Dickinson distributors have the same prices. It is therefore my opinion that no advantage would be gained by publicly advertising for prices.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to the following companies and at the amounts indicated:

T. J. Noonan Company, $3,500, net; Thomas W. Reed Company, $3,500, net.

Prices will be B. D. list less 40 per cent. Period of contract will be from July 15, 1955, to March 31, 1956.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, July 13, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of several requisitions from the Traffic Commission for traffic signal equipment as manufactured by Eagle Signal Corporation.

The only distributor in this area for the equipment requested is R. W. LeBaron, Inc., of Arlington, Mass. Inasmuch as this equipment will be purchased directly from the manufacturer's only distributor in this area, it is my opinion that no advantage would be gained by publicly advertising for prices.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to R. W. LeBaron, Inc., for traffic signal equipment to be delivered as requested and in accordance with the specifications of the Traffic Commission.

Approximate total amount of contract will be $29,294, net, f.o.b. Boston Traffic Commission.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, July 14, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On June 27, 1955, bids were publicly opened and read in this office for furnishing 15,000 feet of copper service tubing to the Water Division of the Public Works Department. The contract was awarded to George A. Hamlin, doing business as George A. Hamlin & Co., on the basis of a firm price which was 38.74 cents per foot. The total amount of the contract plus the allowable 25 per cent has been delivered.

The Water Division has now submitted a requisition for additional needs of copper tubing in the amount of 12,600 feet. George A. Hamlin, doing business as George A. Hamlin & Co., is agreeable to deliver this additional tubing at the same price as that submitted on their public bid.

The existing truck strike will probably result in an increase in shipping costs. In addition, the miners are on strike and this will probably effect an increase in the cost of copper tubing. In view of the foregoing, I believe it advisable at this time to award a contract, without public advertisement, to the above company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $4,881.24, less one half of 1 per cent discount for payment within 10 days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BOSTON, July 21, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Collecting Division, Treasury Department, for central mailing equipment. Pitney Bowes, Inc., 230 Congress street, Boston, is the only local distributor for the above equipment. A written quotation on the required items has been submitted by this company.

Inasmuch as Pitney Bowes, Inc., is the only local distributor, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, for furnishing the following items at the prices indicated to the Collecting Division, Treasury Department:

One Model 4300, VSP 40 mail table, complete with power stacker, $1,723.91; less trade-in allowance on AV 11204, $165—$1,558.91; one Model 620 mail sorting table, $341.33; one Model S-120

first-class mail scale, $113.56; one Model 1A automatic mail opener, $238.56; two BR-25 mail bag racks, $53—$2,305.36. Federal excise tax exemption certificate to be furnished.

It is my opinion that by awarding the above contract to Pitney Bowes, Inc., the best interests of the city will be served.

Approximate total amount of the contract will be $2,305.36, net, thirty days.

Respectfully yours,

Eugene K. Welsh,
Acting Purchasing Agent.

Boston, July 21, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

This office is in receipt of several requisitions from the Boston City Hospital for Remington-Rand typewriters. Inasmuch as these typewriters may be purchased direct from the manufacturer, no advantage would be gained by publicly advertising for prices.

Authority is therefore requested to dispense with publicly advertising for bids and award a contract, without public advertisement, to Remington-Rand, Inc., for furnishing seven (7) typewriters to the Boston City Hospital at the prices indicated below:

One 13-inch noiseless elite, $236.50; less trade-in allowance on L. C. Smith 9S895SB10, $5—$231.50.

One 13-inch noiseless elite, $236.50; less trade-in allowance on one Remington X56467S, $15—$221.50.

One 13-inch noiseless elite, $236.50; less trade-in allowance on Royal KMM 12-2307724, $15—$221.50.

One 14-inch elite, $197.50; less 1 L. C. Smith 1A-1637627-11 to be sold for credit, $27.50—$170.

Three 13-inch noiseless at $236.50 each, $709.50; less trade-in allowances on L. C. Smith 508405-S, $5; Remington, X703279, $12.50; Remington, X703270, $12.50—$679.50.

Total amount of contract will be $1,521, net.

Respectfully yours,

Eugene K. Welsh,
Acting Purchasing Agent.

Department of School Buildings.

Boston, July 12, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

The School Committee, through the office of Superintendent of Public Schools, Dr. Dennis C. Haley, has, at a very late date, requested me to have a large amount of painting of the interior and exterior of the building done before the opening of school in September, and the painting work is being placed in the market for competitive bidding. However, before the painting work can be properly executed it is necessary, in the interests of economy, to complete considerable carpentry work such as the installation of new window sash, repair of window sash, frames, parting beads, muntins, doors, etc.

As the bulk of carpentry work must be completed prior to the start of a painting contract, time is a controlling factor, and in order to arrange for completion of all work by the date of school opening I invited three reputable carpentry concerns to submit competitive bids for such work based on a precise specification, with the following results:

Michael Barr, $2,500; John F. Hynes, $2,650; Brendan F. Sullivan, $2,750.

That the carpentry work may be started forthwith and prior to award of the painting contract, I ask that you approve my procedure as herein set forth, dispense with public advertising, and authorize me to negotiate a contract with Michael Barr, 7 Everett street, Dorchester, in the amount of $2,500, based on the specification for competitive invitation bids.

Respectfully yours,

James H. Mooney,
Superintendent of Construction.

Hospital Department.

Boston, June 30, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

On June 28, 1955, your Honor authorized the execution of a contract with Jackson & Moreland, engineers, 600 Park Square Building, Boston, to furnish a properly qualified resident engineer, and to furnish certain other planning and supervisory services in connection with the emergency repairs and replacements to the power plant and steam distribution systems at Boston City Hospital.

For your further information, according to our best estimate, it is expected that the total cost of the services to be performed under the proposed contract will not exceed $13,700, the engineering firm to be paid at the rate of $1,500 per month for its services.

Respectfully yours,

Board of Trustees, Hospital Department, and of the Boston City Hospital,

Richard J. Condon,
President.

Penal Institutions Department.

Boston, July 18, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

On June 2, 1955, Inspector Thomas B. Henehan of the Employers Group Insurance Companies, inspected a H.R.T. boiler, No. 2629, at the House of Correction and found that the top row of tubes needed immediate replacement, fire cracks in the girth of a seam in the first course had to be fusion welded, a feed line bushing in a tube sheet replaced, and that the refractory front wall had to be rebuilt and a bulge in a section of the left wall had to be rebuilt.

Last week the last several items were taken care of by the institution but the top row of tubes, 18 in number, 20 feet by 3 inches, will have to be replaced, and the fire cracks in the girth seam of the first course will have to be chipped out and fusion welded.

On May 13, your Honor approved the awarding of a similar job on boiler, No. 2630, to the Industrial Welding Company, 488 Dorchester avenue, South Boston, Mass., and as they did a very fast and efficient job at a reasonable price, and as the above-mentioned work must be done and notice of completion forwarded to the insurance company as soon as possible in order to validate the certificate for operation, I respectfully request your permission to award this work to the same company, the Industrial Welding Company, at a price for materials and labor, use of apparatus, etc., at a cost not to exceed $741.

Respectfully,

Edward L. Friel,
Commissioner Penal Institutions.

Real Property Department.

Boston, June 1, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

On May 11, 1955, your Honor approved the unadvertised $32,200 contract with John McCourt Company for surfacing with bituminous concrete and seal coating the surface, together with other work, in connection with construction of the proposed off-street parking area under the Fitzgerald Expressway.

Based on what was then calculated to be the total volume of the contract items of work at the agreed prices therefor, that would be needed to complete the project, it was the considered opinion of this department that the cost of the entire operation would not exceed the $32,200 figure.

However, as the work has progressed, it now seems certain that the cost of the actual quantities of additional work which will need to be performed over and above our best possible prior estimates of the same, will be in an amount not to exceed $4,345.

Therefore, since this firm is carrying on the work in a highly satisfactory manner and as we wish to have the construction completed as expeditiously as possible, I respectfully request your Honor's authorization to dispense with public advertising and to amend the subject contract with John McCourt Company, Readville, Mass., accordingly, in the sum of $4,345.

Respectfully yours,

Herman Carp,
Commissioner of Real Property.

EXTENSION OF CONTRACTS.

Department of School Buildings.

Approval has been given for an extension of time for the completion of the contract with D. McCartin Company for interior and exterior painting, including fire escapes, at the William Bacon School, from June 30, 1955, to August 31, 1955. This extension was requested because of a delay in obtaining necessary material to complete painting of boiler room.

Hospital Department.

Approval has been given for an extension of time from July 1, 1955, to August 15, 1955, on the contract of J. P. O'Hearn & Co. for alterations, repairs, and installations in the central sterile supply area in basement of Maternity Building, Boston City Hospital. This extension of time is necessary because the contractor cannot complete his contract until after a new ceiling which is being installed under another contract is completed.

Parks and Recreation Department.

William P. Herlihy has been granted an extension of time until August 15, 1955, for the completion of the contract for constructing basketball courts at Parks and Recreation Department Playgrounds in Boston.

J. W. Praught Company has been granted an extension of time until October 1, 1955, for the completion of the contract for furnishing and installing pumps at the L Street Bathhouse, South Boston.

ADDITIONS TO CONTRACT.

PUBLIC WORKS DEPARTMENT.

Martin J. Kelly Company, Inc., has been directed to make the following additions to the contract for redecking and repairing the Massachusetts Avenue Bridge, over the New York, New Haven & Hartford Railroad, dated June 30, 1955:

1. Furnish and place necessary form boards and steel reinforcing bars where and as directed in the center roadway (to permit repairs to main deck concrete slab in defective areas) at $120.

2. Furnish and place approximately 230 square yards of 4-inch x 4-inch x No. 8 steel wire mesh throughout center roadway (for reinforcing the concrete shim which is to be placed under existing contract) at $1.30 per square yard, total cost, $299.

Estimated increase in cost to city, $419.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Faletra Brothers, Inc., has been directed to perform the following extra work under the contract for cement concrete stairs and bituminous concrete walks in Brookway Footpath and bituminous concrete sidewalks in Bradeen Street Footway and Brookway terrace, dated December 8, 1954:

In Brookway Footpath, furnish and erect additional fence required, due to change in fence locations as shown on plan, for the sum of $898.50.

In Brookway Footpath, move fence at C. & R. Construction Company property for the sum of $228.

In Bradeen Street Footway, replace fence at V. Barletta Company property for the sum of $35.

Estimated cost of extra work, $1,161.50.

JAMES E. GILDEA,
Collector-Treasurer of the City of Boston.

WIDENING OF ALBANY STREET.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the widening and construction of Albany street, Boston Proper, on the northwesterly side, between Randolph street and Union Park street, bounded and described as follows:

The highway named Albany street is hereby widened on the northwesterly side, between Randolph street and Union Park street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees, shrubs or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Metropolitan Transit Authority, bounded:

Southerly by the northerly line of Albany street as it existed prior to this order, thirty-four and 34-100 feet; southeasterly by the northwesterly line of Albany street as it existed prior to this order, thirty-four and 34-100 feet; northwesterly by the northwesterly line of Albany street as widened under this order, sixty-seven and 40-100 feet on a curve of 142.61 feet radius; containing ninety-one square feet, more or less.

Trees, shrubs or structures standing upon or affixed to the aforedescribed land, shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Albany street as hereby widened is bounded:

Southerly by the northerly line of Albany street as it existed prior to this order, thirty-four and 34-100 feet; southeasterly by the northwesterly line of Albany street as it existed prior to this order, thirty-four and 34-100 feet; northwesterly by the northwesterly line of Albany street as hereby widened, sixty-seven and 40-100 feet on a curve of 142.61 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the making of the public improvement, consisting of the widening and construction of Albany street, Boston Proper, on the northwesterly side, between Randolph street and Union Park street, under the order of this commission of July 20, 1955, in the amount hereinafter mentioned, and awards said amount therefor.

Metropolitan Transit Authority, 91 square feet, $1.

CONSULATES IN ARREARS ON TAXES.

New York City reports that 12 foreign countries are in arrears a total of $416,985 in real estate taxes on 27 properties, most of them bought within the last 15 years as consulates and headquarters for United Nations delegations.

Nearly all of the defaulting governments claim the right to city realty tax exemption under treaties and international doctrines, but the city has refused to waive its claims. Total assessed valuation is $5,324,000, with $720,000 exempt from tax. Finland, the Netherlands, and Israel have kept their real estate accounts paid up to date.

PUBLIC WORKS DEPARTMENT.

SEWERAGE WORKS.

Proposals for Sewerage Works in Corman Road, Dorchester, and in Lorna Road and Lena Terrace, Dorchester.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for sewerage works in Corman road, etc. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Sewerage Works in Corman Road, etc.," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of WEDNESDAY, AUGUST 10, 1955, with a certified check for NINE HUNDRED (900) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

CITY OF BOSTON.

HOSPITAL DEPARTMENT.

INVITATION FOR PROPOSALS FOR ALTERATIONS AND ADDITIONS TO EXHAUST SYSTEMS OF FUME HOODS IN THORNDIKE BUILDING, BOSTON CITY HOSPITAL.

The City of Boston, by the Board of Trustees, Hospital Department, and of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invites sealed proposals for alterations and additions to exhaust systems of fume hoods in Thorndike Building, Boston City Hospital, 818 Harrison avenue, Boston, Mass.

Proposals will be received until two o'clock P.M., Wednesday, August 10, 1955, at the office of the Superintendent, Boston City Hospital, 818 Harrison avenue, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of $100, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications may be obtained at the office of the Superintendent of the Boston City Hospital, 818 Harrison avenue, Boston, Mass., on and after Monday, August 1, 1955.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

The Awarding Authority also reserves the right to reject all bids in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

BOARD OF TRUSTEES, HOSPITAL DEPARTMENT, AND BOSTON CITY HOSPITAL,
RICHARD J. CONDON,
(July 30.) *President.*

published May 6, 7, 9, 10, 1955, in the Boston *Globe* and Boston *Post*, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public necessity and convenience require, does hereby order that specific repairs be made in Beacon street, Roxbury, consisting of the reduction in width of the existing sidewalk in the northerly side from Commonwealth avenue approximately 100 feet easterly, as shown on a plan marked "City of Boston, Commonwealth Avenue, Brookline Avenue, Beacon Street, Roxbury, July 13, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of said department.

—

That in accordance with the provisions of chapter 117 of the Acts of 1947, permission is hereby granted to Stony Brook Village Corporation, 235 Turtle Pond Parkway, Hyde Park, to prepare for public travel, Perry court, Hyde Park district, from Dietz road approximately 178 feet easterly, provided that the construction of said Perry court shall be in accordance with the City of Boston plans and specifications for the construction of private ways for public travel as shown on a plan titled "Standard Construction Plan of Private Ways Open for Public Travel, October 28, 1954, George G. Hyland, Commissioner of Public Works," and in accordance with the lines and grade shown on a plan dated March 25, 1955, by Arnold E. Schaier, Civil Engineer, filed in the Survey Division of the Public Works Department, City of Boston.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, parking of vehicles is prohibited in the following street, when and where official signs are in place, effective July 25, 1955:

Massachusetts Avenue, Boston Proper and Roxbury.
Both sides, from Columbus avenue to St. Stephen street.

VOL. 47 SATURDAY, AUGUST 6, 1955. NO. 32

REPORT OF WILLIAM F. CARR, MEMBER, SCHOOL COMMITTEE, ON ATTENDANCE AT CONVENTION OF MASSACHUSETTS ASSOCIATION OF SCHOOL COMMITTEES, IN SWAMPSCOTT, MAY 12, 13, AND 14, 1955.

The following is the report of William F. Carr, member, Boston School Committee, on his attendance at annual convention of Massachusetts Association of School Committees, at Swampscott, May 12-14, inclusive:

On Saturday, May 14, 1955, Dr. Marsden of the State Civil Defense agency discussed the schools and evacuation. He stressed the fact that more powerful weapons and the ability of the potential enemy to deliver such weapons to targets in the United States make the old idea of "shelter" an inadequate answer to adequate defense. Newer equipment in our hands will also allow an increasing period of warning before an attack becomes imminent. Consequently, evacuation which has been tested and found to work is best for our urban populations.

It has been apparent from the early consideration of evacuation planning

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.
